Killing My Old Man; Being the Person God Sees in Me Rodney Peavy, 2023-07-07 As a Christian do you ever wonder why you still struggle with sin Are you tired of repeating the same old mistakes Have you found yourself caught in a seemingly never ending cycle of habitual sin and shame Are you tired of the feelings of defeat and long for the freedom peace and victory promised in being a new creation Then it s time to face him He is called the old man the old self or our old nature We all have one Are you ready to look him in the eye Are you ready to fight him Are you ready to live free Let it begin today It s time to kill your old man and be the person God sees in you Knowing this that our old man is crucified with him that the body of sin might be destroyed that henceforth we should not serve sin For he that is dead is freed from sin Now if we be dead with Christ we believe that we shall also live with him Rom 6 6 8 *Exploring Ordinary Theology* Leslie J. Francis, 2016-04-15 Ordinary theology characterizes the reflective God talk of the great majority of churchgoers and others who remain largely untouched by the assumptions concepts and arguments that academic theology takes for granted Jeff Astley coined the phrase in his innovative study *Ordinary Theology Looking Listening and Learning in Theology* arguing that speaking statistically ordinary theology is the theology of God s Church A number of scholars have responded to this and related conceptualizations exploring their theological implications Other researchers have adopted the perspective in examining a range of Church practices and contexts of Christian discipleship using the tools of empirical study Ordinary theology research has proved to be key in uncovering people s everyday lay theology or ordinary dogmatics *Exploring Ordinary Theology* presents fresh contributions from a wide range of authors who address the theological empirical and practical dimensions of this central feature of ordinary Christian existence and the life of the Church *A Different Kind of Wild* Debbie Alsdorf, 2009-07-01 Debbie Alsdorf wants women to get a little wild a new and different wild that will enrich their sense of purpose establish their faith and lift their sagging spirits when life gets hard In *A Different Kind of Wild* she encourages women to take back their lives and begin living how God intended lives that are bigger and grander than the norm With passion and contagious enthusiasm Alsdorf helps women break free of perfectionistic tendencies to live in untamed courageous obedience to God s leading The book s twelve chapters and discussion questions make it perfect for small group study or for personal spiritual growth and direction **What God Wishes Christians Knew about Christianity** Bill Gillham, 1998-07-07 Bill Gillham believes that the Christian life is a blessing rather than a burden and is convinced that misapprehensions of what the Bible really says sometime leave us feeling shackled instead of free He shows the way to seeing things differently LIVING THE LAST WORDS OF JESUS ("YOU SHALL BE MY WITNESSES") Michael Bussen, 2023-10-13 Living the last words of Jesus is about essential effective and easy or at least easier evangelism for every Christian including us introverts This book seeks to help followers of Jesus become ongoingly good and faithful and fruitful witnesses for Jesus making Him and all in heaven happier and happier as in Luke 15 Also reaching more and more lost souls will bring eternal joys to them and more happiness to you as well as we enter into the joyful heavenly rewards of our

wonderful Savior God So hopefully this book helps to make everybody it touches happier especially the Lord *Jesus and Paul before Christianity* V. George Shillington, 2011-10-14 Who was the real founder of Christianity as it is known today Jesus or Paul What if any was the connection between them These and other questions about the two historical figures have occupied biblical scholars and the Christian church for many years up to the present time This book proposes new ways of framing the questions as well as new approaches to answering them Neither Jesus nor Paul spoke of a new world religion separate from Judaism that would envelop the planet and last for millennia This study seeks to locate both figures in their respective places in the first century in Jewish contexts and within the larger Greco Roman society The aim is to transcend the language and thought patterns of later generations of theologians in order to hear more clearly the prophetic voices of Jesus and Paul on their terms and in their social locations By so doing Shillington lays the groundwork for a more authentic translation of their vision and mission into modern alternatives including better Jewish Christian relations To learn more about this book and the forthcoming online video or DVD series for small group study please visit <http://www.jesusandpaulbeforechristianity.org>

The Epworth Herald, 1903 They Like Jesus but Not the Church Dan Kimball, 2009-05-26 Many people today especially among emerging generations don't resonate with the church and organized Christianity Some are leaving the church and others were never part of the church in the first place Sometimes it's because of misperceptions about the church Yet often they are still spiritually open and fascinated with Jesus This is a ministry resource book exploring six of the most common objects and misunderstandings emerging generations have about the church and Christianity The objections come from conversations and interviews the church has had with unchurched twenty and thirty somethings at coffee houses Each chapter raises the objection using a conversational approach provides the biblical answers to that objection gives examples of how churches are addressing this objection and concludes with follow through projection suggestions discussion questions and resource listings

Caught in the Current Sam Reimer, 2023-04-15 Evangelical Christianity is known for its defence of traditional Christian teachings and resistance to liberalizing trends Many Western evangelicals themselves do not yet realize how their faith is being reshaped by the modern zeitgeist Caught in the Current explores how and why Western evangelicals are changing Church attendance is declining conservative moral positions are unpopular and young people are drifting away from the faith Evangelism is avoided so few are joining congregations Yet these surface changes are only symptoms of a more profound shift that church leaders have not fully apprehended Drawing upon 125 interviews with British and Canadian clergy and active laity Sam Reimer argues that evangelicals have been deeply influenced by a post Christian culture that has rejected institutional religious authority and embraced self spirituality As individual evangelicals struggle to navigate these waters and to distance themselves from politicized evangelicalism in the United States they are caught

between conformity and resistance between faithfulness to church moral teachings and accommodation of secular values Many are responding by turning inward to define their Christian beliefs for themselves The ironic result is that the decline of institutional religious authority is not happening just in Western culture but within evangelical churches as well Caught in the Current is an insightful and nuanced assessment of how British and Canadian evangelicals are navigating a post Christian culture often in ways that are distinct from how their counterparts in the United States approach it The View of a Christian Richard Sallis,2017-09-19 In every persons heart theres an image a picture we view ourselves by Everything we speak think and do is governed by it We believe we struggle with things but truthfully our struggle is about the view we established in our heart God provided the perfect view for us in Christ Jesus He has perfected the view we are to have of ourselves and in The View of a Christian the view God has of us will transform our lives In The View of a Christian Gods view of us will equip us to view ourselves through His eyes If you are new to the Christian faith or seasoned in your walk developing the correct view will equip you to Understand how God sees you in Christ Equip you to enter the promises of God Overcome obstacles that appear to hold you back Inspire you in your faith Develop a more intimate relationship with God

The Human Face of Church Sara Savage,Eolene Boyd-Macmillan,2007-10-30 Until now Fresh Expressions has been about starting and sustaining mission initiatives among people with little or no church contact As these projects mature pastoral problems easily arise how do you integrate the old with the new How do you get an established congregation to change its views and practices How do you cope with conflict What if newcomers challenge set patterns of church behaviour rather than conform with them The publication is structured for use for training in local churches theological colleges and as a research tool in postgraduate study **Not Your White Jesus** Sheri Faye Rosendahl,2018-10-09 Jesus is not white Jesus is not

American Jesus does not want to make America great While many of us grew up looking at gleaming portraits of Jesus with blond flowing hair and hearing sermons reaffirming that we have the answers to save a fallen world the real Jesus a Middle Eastern Jew preaching radical humble self emptying love calls us to a different life As we see oppression and hate run rampant in our nation it is as if Christianity has lost sight of the red letters altogether Sheri Faye Rosendahl takes a look at important social issues in our society the responses of American Christians and the true ways behind the red letters Not Your White Jesus addresses the need to reexamine the true ways of Jesus that we find clearly in the red letters enabling readers to discover what it truly means to follow the ways of Jesus in contrast to following the ways of the American Christian elite
