Not Enough Horses:

Not Enough Horses Les Roberts, 2012-05-01 2 in the Saxon mystery series When an acquaintance of Saxon's bit actor and part time male prostitute Robbie Bingham dies in a mysterious car explosion and the police don't seem to care Saxon goes into action His investigation leads into the netherworld of dimly lit gay bars of West Hollywood and the boardrooms of a television network and climaxes with a sudden fiery death Along the way Saxon manages to run afoul of a vindictive pimp a pompous game show host a cadre of venal and frightened TV executives an ice cold Beverly Hills homicide detective and a movie sex goddess fighting the encroachment of the years with straight bourbon and a lover twenty years her junior He also encounters Marvel one of the lost children of Hollywood who survives on the streets and who makes sure Saxon will never look at things quite the same way again **Not Enough Horses** Les Roberts, 2002-06-01 **Life with My Horses** Jean McFaddin, 2021-01-24 Started with the horse love at a very young age Knew nothing except where they ate where they pooped and that I loved them Over the years I went from very dumb about horses to knowing quite a bit Not everything I might add but hoped that by sharing my experiences from over the years might help a beginner getting started with their first horses **Our Paper**, 1917 Vol. 11th, 3th Series, January to July, MDCCCLVII The Farmer's Magazine, 1857 **My Lord, The Hermit** Veronica Heley, 2014-06-15 He was like no other hermit she had ever seen He was young strong dark and vowed to silence His name was Keren but he was always called the Hermit And as he touched her arm and healed it a bond was forged between them a hopeless bond for she was Joanna of Leybourne ward of the Count and he was a man sentenced to build a church with his bare hands as expiation for the crime of murdering his wife This title was originally published under the pseudonym Victoria Thorne *Field of Corpses* Alan D. Gaff, 2023-02-28 November 4 1791 was a black day in American history General Arthur St Clair's army had been ambushed by Native Americans in what is now western Ohio In just three hours St Clair's force sustained the greatest loss ever inflicted on the United States Army by Native Americans a total nearly three times larger than what incurred in the more famous Custer fight of 1876 It was the greatest proportional loss by any American army in the nation's history By the time this fighting ended over six hundred corpses littered an area of about three and one half football fields laid end to end Still more bodies were strewn along the primitive road used by hundreds of survivors as they ran for their lives with Native Americans in hot pursuit It was a disaster of cataclysmic proportions for George Washington's first administration which had been in office for only two years **Black Redcoats** Matthew Taylor, 2024-05-30 Tells the story of the thousands of enslaved African Americans who fled to British forces during the war in what became the largest emancipation of enslaved Americans until the abolition of slavery in the United States During the Anglo American War of 1812 British forces launched hundreds of amphibious raids on the United States The richest parts of the United States were slave states and thousands of enslaved African Americans fled to British forces in what was to be the largest emancipation of enslaved Americans until the abolition of slavery in the USA From these refugees

from slavery the British built a force the Corps of Colonial Marines Black redcoats they were a fusion of two great American fears the return of the British King and an uprising by their own oppressed slaves The Corps of Colonial Marines turned Britain's campaign on America's coasts from one of harassment to one of existential threat to the new nation Although small in number the Colonial Marines fighting to liberate their own families as much as for Great Britain exerted a massive psychological impact on the United States which paralysed American resistance with fear of a widespread slave uprising and allowed British forces in the Chesapeake to burn down Washington DC As well as examining this little remembered part of British military and African American history this book will also look to the post war history of the Colonial Marines their continued survival as a unique ethnic group in the Caribbean today and their involvement in the largest act of armed African American resistance to slavery The Battle of Negro Fort in 1816 was the only time American forces left American territory to destroy a fugitive slave community a community led by former Colonial Marines who when faced with American attack raised the British flag This book brings black history to the fore of the War of 1812 and gives a voice to those enslaved people who amidst great power competition between a slave holding Republic and a slave holding Empire demonstrated exceptional bravery and initiative to gain precious freedom for themselves and their descendants
