Not Many Fathers

Mark Hanby

Not Many Fathers:

You Have Not Many Fathers Mark Hanby, 2024-05-10 The foundation of spiritual inheritance in the Kingdom of God is the relationship of a father and son Those in ministry today must develop the heart of a father and raise up a generation of sons and daughters in a double portion anointing You Have Not Many Fathers serves to turn the heart of the fathers to the children and the heart of the children to their fathers lest I come and smite the earth with a curse Malachi 4:6 *A Select Library of the Nicene and Post-Nicene Fathers of the Christian Church: St. Chrysostom: Homilies on the Epistles of Paul to the Corinthians*, 1898 *You Have Not Many Fathers* Mark Hanby, Craig Lindsay Ervin, 1996-01-01 My son give me your heart So says the proverb echoing the heart and passion of our Father in Heaven God has spiritual dads all over the world whom He has filled with wisdom knowledge compassion and most of all love for those young in the faith You do not have to go through your life untrained and unloved uncared for and forgotten There are fathers in Christ who are waiting to pour all they have into your heart as Elijah did for Elisha My son give me your heart *Modern Fathers* Thomas Schirmmacher, 2019-09-19 There have always been good fathers and bad fathers But never before in history has the role of fathers been as undefined as it is today hardly anyone who becomes a father is entering the race with a religious cultural or educational assignment This involves many drawbacks But instead of just deploring this fact I want committed fathers to recognize and exploit the new opportunities involved in this Especially the freedom from old role models opens up completely new possibilities for fathers to take on an hugely positive task for the development of their children and to cultivate a stable relationship with the mother which lives from the difference of the sexes *It Takes a Nation* Rebecca M. Blank, 2018-06-26 As Americans experiment with dismantling the nation's welfare system clichés and slogans proliferate ranging from charges that the poor are simply lazy to claims that existing antipoverty programs have failed completely In this impeccably researched book Rebecca Blank provides the definitive antidote to the scapegoating guesswork and outright misinformation of today's welfare debates Demonstrating that government aid has been far more effective than most people think she also explains that even private support for the poor depends extensively on public funds It takes a nation to fight a problem as pervasive and subtle as modern poverty and this book argues that we should continue to implement a mix of private and public programs Federal state and local assistance should go hand in hand with private efforts at community development and personal empowerment and change The first part of the book investigates the changing nature of poverty in America Poverty is harder to combat now than in the past both because of the changing demographics of who is poor as well as the major deterioration in earnings among less skilled workers The second part of the book delves into policies designed to reduce poverty presenting evidence that many though not all programs have done exactly what they set out to do The final chapters provide an excellent review of recent policy changes and make workable suggestions for how to improve public assistance programs to assure a safety net while still encouraging poor adults to find employment and support their families

Ironside Expository Commentaries H. A. Ironside, 2022-03-08 Henry Harry Allen Ironside 1876 10 14 1951 01 15 was a Bible teacher preacher pastor and author in the late 19th century and early 20th century H A Ironside was born on 1876 10 14 in Toronto to John and Sophia Stafford Ironside who were both active in the Plymouth Brethren Inspired by Dwight Moody Ironside comforted and challenged a generation of evangelicals during two world wars and an economic depression He spoke to a lay audience and made the Bible understandable and accessible to as many people as possible and now 41 of his volumes of biblical exposition and commentary are available to enlighten your Bible study and research Covering 48 books of the Old and New Testaments these commentaries stimulate the mind and capture the imagination rich with anecdotes and illustrations that bring life to any ordinary Bible study
