Not My Fathers Footsteps The Long Journey Out:

Not My Father's Footsteps Bryan Dean, 2005 There are several thousand if not millions of married men who are in the closet today For the majority of these men dating marriage family and careers have kept them there Fears of separation from family loss of friends and loss of job are those things which cause them to hide behind the mask of heterosexual male These men had little if no opportunity to explore this after adolescence Many lived in small towns across the country They have lived with fear anxiety and guilt Many successfully hid it from their wives Some did not The evolution of the Internet opened many doors for these men Statistics prove that coming out usually ends in divorce Not My Father s Footsteps takes a look at one such journey an odyssey that in less than a year took him from inside the closet to a new life outside It is a journey of love and torment and finding love again It is the story of seedy spas and confinement in the psychiatric ward for a brief time By going back to his roots he has been able to come out of his darkness and into the light of being a gay man *Dead*

Windows: My Long Journey Out Of Domestic Violence James Snowden Walker, 2023-03-05 Many Black men suffer silently with the long term effects of growing up in a household of domestic violence and child abuse We are taught to be tough not to cry and to brush off the abuse as just a part of life For those who seek help there are very few mental health resources and what is available is very limited I was one of those men who was told to get over it and it took decades for me to find self worth I know many Black men will see themselves in my story **OK2BG** Jack Dunsmoor, 2015 OK2BG is narrative

nonfiction a Memoir about a guy who wants to be a Mentor preferably to a teenager so they can have a decent meaningful conversation about stuff preferably with a kid at risk or just otherwise lost in order to help both the teenager as well as the determined subject of this story realize their unique potential find or reinforce their place in the world Overall a chronicle about the author s attempt over several years to understand the question of why do I want to be a Mentor which eventually helps him become a more insightful person Subsequently in September 2010 after a plague of teen suicides Jack turns his attention to researching gay biographies into optimistically appropriate groups of books for gay kids at risk from bullying After 5 years Jack has categorized 2 000 books in the form of Memoirs Biographies Autobiographies written by or about 1 000 allegedly gay men The primary message in OK2BG is to read reassess before you run asunder *My Son, Johnny*

RK, 2017-06-29 This story is about a father trying to seek for justice for the killing of his only child and when this wasn't given he decided to take matters in his own hands But already there were others seeking for the same thing *Inspiring Stories*

Becoming Wellstone Paul Wellstone,2012-09-20 Paul David Wellstone Jr or Dave as he is known to his friends fell into a zombie like state of shock when he first got word that the eleven seater plane carrying his parents and sister couldn t be located on radar It was as if he were watching someone else drive from the campaign office to his brother s home then north to Minnesota s Iron Range where his dad had been heading to attend the funeral of a steelworker But when he saw smoke on the horizon it was with tremendous focus that he turned off the highway and drove straight toward the plume cutting up into the slate gray sky On October 25 2002 Senator Paul Wellstone his wife Sheila and his daughter Marcia died in that tragic plane crash Senator Wellstone was an admired and respected political leader known for his bipartisan spirit and passion for championing causes that impacted the overlooked and underrepresented As his son Dave reveals in this intimate memoir he was also a loving advisor and an engaged father who taught his children to live with compassion and to Think for yourself don t just go around with the crowd never be afraid to take an unpopular stand *Becoming Wellstone* is an insider s look at Paul Wellstone in action revealing the man behind the visionary leader who challenged the status quo We move with Dave from a childhood of touch football games family dinners and political rallies to a young adulthood engulfed in loss We see this son struggle to work through tragedy and slowly regain the strength to look ahead becoming a great leader in his own right and championing one of his father s great life achievements the enactment of the Paul Wellstone and Pete Domenici Mental Health Parity and Addiction Equity Act in 2008 bringing mental health and substance abuse treatment benefits to the masses
