clearly to a contemporary audience These are not stories of purported miracles Nor are they always verifiable Some of the stories are folktales others are exaggerations Some are biographical others are snapshots from history But all have a singular theme and goal renewed faith in divine guidance or in the human capacity to do good deeds Epstein explains in his introduction that an inspirational story can affect its listener in many ways it can clarify religious ideas lead to spiritual experiences reinforce theological notions provide peace of mind give birth to motivation for spiritual action and serve as a model for living To find such stories for *A Treasury of Jewish Inspirational Stories* Epstein searched every corner of Jewish experience from the Bible to modern times He combed the classical literature hasidic lore and the lives of well known Jewish personalities such as Hillel Rashi and Maimonides as well as lesser known figures and ordinary individuals looking for tales that provide us with a shock of insight into eternal mysteries These stories Epstein goes on to say help us become connected to a divine process we can only dimly comprehend but one to which we react with awe and reverence *A Treasury of Jewish Inspirational Stories* is a fine sourcebook for what the author describes as a special kind of literature Epstein has provided us with retellings of such stories as the Exodus from Egypt Mount Sinai the receiving of the Ten Commandments the story of Esther Judah Maccabee Herzl and the rebirth of Israel the fighters of the Warsaw Ghetto over 125 stories that move the intellect and the emotions Epstein remarks that the original idea for writing a book of inspirational stories came after listening to a survivor of the Holocaust It is his hope that *A Treasury of Jewish Inspirational Stories* will allow readers to search for the inspirational stories in their own lives

The Legends of the Jews: Joshua Louis Ginzberg, 1913 *Legends of the Jews* is a most remarkable and comprehensive compilation of stories connected to the Hebrew Bible It is an indispensable reference on that body of literature known as Midrash the imaginative retelling and elaboration on Bible stories in which mythological tales about demons and magic co exist with moralistic stories about the piety of the patriarchs

The Legends of the Jews - Vol. IV Louis Ginzberg, 2006-04-01 Absalom was of such gigantic proportions that a man who was himself of extraordinary size standing in the eye socket of his skull sank in down to his nose As for his marvellous hair the account of it in the Bible does not convey a notion of its abundance Absalom had taken the vow of a Nazarite As his vow was for life and because the growth of his hair was particularly heavy the law permitted him to clip it slightly every week It was of this small quantity that the weight amounted to two hundred shekels from Absalom's Rebellion The masterpiece of one of the preeminent Talmudic scholars of the 20th century the multivolume *Legends of the Jews* gathers together stories from the Talmud the Midrash the Bible and oral traditions also known as the Haggada and offers them in chronological order Volume IV first published in 1913 features tales of Joshua Boaz and Ruth Samuel and Saul David Solomon Judah and Israel Elijah Esther and more A work of brilliant erudition and deep devotion this is an invaluable collection of religious lore American rabbi LOUIS GINZBERG 1873 1953 founded the American
