Sie zum Schreiben **American Painters on Technique** Lance Mayer, Gay Myers, 2013 How paintings were made in the most literal sense is an important but largely unknown aspect of the story of American art This book like the authors previous volume on American painting techniques from the colonial period to 1860 is based on descriptions of the materials and methods that painters used as found in artists notebooks painting manuals magazines suppliers catalogues letters diaries books and interviews In interpreting this evidence the authors have made use of their experience as conservators who have treated many important American paintings Book jacket **Hawthorne, Sculpture, and the Question of American Art**

Deanna Fernie, 2016-12-05 Deanna Fernie analyzes the significance of sculpture in Hawthorne s fiction through the recurring motif of the fragment in its double guise as ruin and project Her book casts new light on Hawthorne s memorable ruined and unfinished images from the rough hewn figurehead of Drowne s Wooden Image 1844 to the tattered letter A in the unfinished loft of the Custom House in *The Scarlet Letter* 1850 and the unfinished bust of Donatello in *The Marble Faun* 1860 Fernie shows how the tension between the formed and unformed enabled Hawthorne to interrogate the origins and the distinctive possibilities of art in America in relation to established European models At the same time she suggests that sculpture challenged and provoked Hawthorne s shaping of his own specifically literary art stimulating him to develop its capacities for expressing irresolution and change Fernie establishes the intellectual contexts for her study through a discussion of sculpture and fragmentary form as revealed in American British and Continental thought Her book will be an important text not only for American literature scholars but also for anyone interested in British and Continental Romanticism and the intersections of art and literature **The Grove Encyclopedia of American Art** Joan M.
