yourself **God's Will** J. I. Packer, Carolyn Nystrom, 2012-01-01 Seeking God's guidance is a focus for many believers. We want to know what God has planned for our lives. Are we making the right decision? Are we in his will? For some people, knowing God is guiding their lives makes them relax and enjoy the ride. But others fear making the wrong choice and find themselves paralyzed as they wait for signs from above. J. I. Packer and Carolyn Nystrom answer these fears with *God's Will*. With solid biblical footing, they shed light on the notion of God's guidance in response to the many misunderstandings well-meaning Christians can have. Readers seeking God's will in major life decisions as well as anyone interested in understanding how God guides us will welcome this practical and inspiring book.

The Declaration of Independence, God, and Evolution Simon D. Perry, 2016-06-27 In this book, Simon Perry has brought together a discussion of politics, philosophy, religion, and science by using the Declaration of Independence as a backdrop. He questions whether Jefferson was motivated by God. Is there a role for religion in our government? Is God real or a fantasy? Is the Good Book really good? Why has man turned to God to achieve eternal life? Does the mythicism of creation prevail over evolution? Is man indoctrinated at an early age to accept God unconditionally? These are but a few of the questions that he deals with. As you read, you will discover others. He spent five years researching this book, and it relies heavily on the great scholars of religion, science, and politics. This book lays bare our cognitive distortions of who we are and where we came from.

God's Word to a Widow's Heart Ronda Little Martin, 2015-09-01 In *God's Word to a Widow's Heart*, author Ronda Little Martin provides daily inspiration from God's Word for those recovering from personal loss. A widow herself, Martin is the cofounder of PHOEBE Connections, which connects widows for fellowship and service. This collection gathers the daily devotionals that she writes each day to the widows of PHOEBE Connections based upon her own devotion time with God. They are designed to inspire, strengthen, comfort, and encourage widows in their journey to overcome grief and to gain new identity and purpose in Jesus Christ. Martin spends the early part of each morning reading and personally applying God's Word. She then shares whatever message of inspiration He gives her with the ladies of PHOEBE Connections via e-mail, social media, and the PHOEBE website. Therein, she seeks to fulfill Paul's command in 2 Corinthians 1:4 to comfort those who are in any kind of affliction through the comfort we ourselves receive from God. From *Determine to Sing a New Song* to *Just Keep Asking*, God's Word to a Widow's Heart can strike a chord with anyone who is dealing with profound personal loss.

Dreaming with God Sarah Beth Marr, 2018-02-06 The world tells us that the way to make all our dreams come true is to set our own course and strive every day. But when it's all on us, we end up feeling exhausted, frustrated, and disappointed when things don't turn out as we'd hoped. Have you ever wondered if there was a better way? There is. God knows the desires of our hearts; he put them there. And he calls us to trust, to lean on him, and sometimes to wait. Weaving together her unique perspective as a professional ballerina with profound truths drawn from Scripture and the life of faith, Sarah Beth Marr reminds us that we are not dreaming alone. If God has given us a dream, we can be sure that he will come alongside us as we work toward realizing it. Using her own story as a catalyst, Marr

Inspiration of God Dr. Allen K. Hand Sr., 2022-05-04 Firstly the objective of that research was to assess the actions of the Civil Rights and the Progressive National Baptist Convention Inc PNBC movements Based on 37 returns to a questionnaire of 39 reduced to 24 identified key criteria e mailed to 158 persons across the country with forwarding permission 92% of the respondents indicated that they either agreed or strongly agreed that the actions of the Civil Rights and PNBC movements were inspired of by God Additionally this research identified some serious concerns and issues that each movement mainly PNBC has to address if each will continue to exist survive Secondly the objective of that research was to document our history through our struggles through our pains and gains through our good times and bad times through the ups and the downs in other words good bad or indifferent it is what it is our story his story not their story Rev Dr Herbert D Daughtry Sr

constantly admonished us to make history to interpret history and to record history or something to that effect and not necessarily in that order When we do not do it ourselves in an accurate precise truthful etc manner then others will tell their story which nine out of ten times usually is not accurate precise truthful etc The old prophet acclaimed And the LORD answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 Thirdly and lastly the objective of that research was to share information that we do not want to be locked in our minds only to take it to the so called grave Many persons who were super knowledgeable as I define it about so many things that could have blessed the world took that super valuable information to the grave what a tremendous lost As an aside the lost is on multiple levels Level one we lost them Level two we lost what they did not share with us while they were alive Level three we lost the value of that buried information That is someone could have taken that information and transformed it to new information For example Dr Gabriel A Oyibo solved the Unified Field Theorem that Albert Einstein did not live long enough to solve So many things evolved from solving that equation Just think what would have happened to those many things that evolved from solving that equation if Dr Oyibo would not have solved that theorem All those many things that evolved from solving that equation would not be in existence Level four those persons who took from those many things that evolved from solving that equation and incorporated that value into what they were doing Etc etc etc The number of these levels conceivably and theoretically approaches infinity That is there is no end to the theoretical lost when just one person does not bless the world with their knowledge wisdom and understanding
