Nues Photographies De Serge Jacques:

Serge Jacques Gilles Néret,1998 It is part of Taschen's policy to celebrate the infamous and the notorious rebel artists who have had to constantly struggle against the rigid morality of the censors and the law French photographer Serge Jacques is a case in point His groundbreaking nudes in the 50's were deemed obscene because he revealed his models' pubic hair He faced countless arrests blacklists and regular raids on his studio and darkroom Like other mavericks of the time he continued his mission in the face of adversity and continued to photograph and publish the legendary French pin-up magazine Paris Hollywood For Jacques Hollywood was a state of mind an imaginary landscape of the erotic imagination where everybody's sexual preferences were given free rein Painstakingly Jacques recreated the details of these fantasies within the privacy of his studio building papier-mâché sets posing the girls on beds of pretend snow and dressing them up and undressing them in decorative lingerie Kitsch amusing and still provocative this is an excellent compilation of Serge Jacques' finest and under the circumstances bravest work **Photo-revue**,1984 **La revue de Paris**,1951-07 **Photo**,1987-07 **Dictionnaire des livres et journaux interdits** Bernard Joubert,2007 Répertoire dans sa partie principale les livres et journaux frappés d'interdiction administrative par le ministre de l'Intérieur sur la base de l'article 14 de la loi du 16 juillet 1949 sur les publications destinées à la jeunesse le plus souvent en raison de leur contenu pornographique Pour chaque publication description bibliographique image de couverture informations sur le contenu **L'art en croix** Jacques de Landsberg,2001 **Premier plan**,1968 **Cahiers Élisabéthains**,1993 études sur la pré-renaissance et la renaissance anglaises The Other Paris Luc Sante,2015-10-27 A vivid investigation into the seamy underside of nineteenth and twentieth century Paris **Livres hebdo**,2004 Photographies magazine,1992 Beckett, Lacan and the Gaze Llewellyn Brown,2019-04-30 Forming a pair with the voice the gaze is a central structuring element of Samuel Beckett's creation And yet it takes the form of a strangely impersonal visual dimension testifying to the absence of an original exchange of gazes capable of founding personal identity and opening up the world to desire The collapse of conventional reality and the highlighting of seeing devices eyes mirrors windows point to the absence of a unified representation While masks and closed spaces show the visible to be opaque and devoid of any beyond light and darkness spectral manifestations without origin reveal a realm beyond the confines of identity where nothing provides a mediation with the seen or sets it within perspective Finally Beckett's use of the audio-visual media deepens his exploration of the irreducibly real part of existence that escapes seeing This study systematically examines these essential aspects of the visual in Beckett's creation The theoretical elaborations of Jacques Lacan in relation with corresponding developments in the history and philosophy of the visual arts offer an indispensable framework to understand the imaginary not as representation but as rooted in the fundamental opacity of existence *Stars des sixties* Bernard Gourbin,1997-01-01T00:00:00+01:00 Cet ouvrage nous parle d'un temps que les moins de 20 ans ne peuvent pas connaître air connu mais dont pourtant ils ne cessent de parler On y
