Hey,2003 Latin American and Caribbean country foreign policy studies Good bibliography Documenting Spain: Artists, Exhibition Culture, and the Modern Nation, 1929Ð1939 , The news media have given us potent demonstrations of the ambiguity of ostensibly truthful representations of public events Jordana Mendelson uses this ambiguity as a framework for the study of Spanish visual culture from 1929 to 1939 a decade marked on the one hand by dictatorship civil war and Franco s rise to power and on the other by a surge in the production of documentaries of various types from films and photographs to international exhibitions Mendelson begins with an examination of El Pueblo Espa ol a model Spanish village featured at the 1929 International Exposition in Barcelona She then discusses Bu uel s and Dal s documentary films relating them not only to French Surrealism but also to issues of rural tradition in the formation of regional and national identities Her highly original book concludes with a discussion of the 1937 Spanish Pavilion where Picasso s famed painting of the Fascist bombing of a Basque town Guernica was exhibited along with monumental photomurals by Josep Renau Based upon years of archival research Mendelson s book opens a new perspective on the cultural politics of a turbulent era in modern Spain It explores the little known yet rich intersection between avant garde artists and government institutions It shows as well the surprising extent to which Spanish modernity was fashioned through dialogue between the seemingly opposed fields of urban and rural fine art and mass culture **United States** **Treaties and Other International Agreements** United States,1976 Inter-American Yearbook on Human Rights / Anuario Interamericano de Derechos Humanos, Volume 31 (2015) Inter-American Commission on Human Rights,2022-08-22 The 2015 Inter American Yearbook on Human Rights provides an extract of the principal jurisprudence of the Inter American Commission on Human Rights and the Inter American Court of Human Rights Part One contains the Decisions on the Merits of the Commission and Part Two the Judgments and Decisions of the Court The Yearbook is published as an English Spanish bilingual edition The print edition is available as a set of three volumes 9789004338524 **Migration in South America** Gioconda Herrera,Carmen Gómez,2022-08-16 This open access regional reader examines emerging issues around new migration patterns in South America and their relationship with changing migration policies over the last twenty years The first part of the book looks at conceptual discussions on mixed and survival migration the link between migration and extractivism and the specific character of transit migration A second part examines how these debates have led to transformations in state policies and the shift in government policies from a human rights based approach towards more restrictive ones Finally the third section revisits the relationship between racism xenophobia and colonialism in contemporary migrations As such this book makes an interesting read to students academics policy makers and all those
