Contexts Esa J. Autero, 2016-06-10 In Reading the Bible Across Contexts Esa Autero offers a fresh perspective on Luke's

poverty texts In addition to an historical reading he conducted an empirical investigation of two Latin American Bible reading groups one poor and the other affluent to shed light on Luke s poverty texts The interaction between historical reading and present day readings demonstrates the impact of socio economic status on biblical hermeneutics and sheds new light on Luke s views on wealth and poverty At the same time Esa Autero critically examines liberation theologian s claim that poor are privileged biblical interpreters

Contextual Theology for Latin America Sharon E. Heaney,2008-07-01 In the context of Latin America the theology of liberation is both dominant and world renowned However this context and the pursuit of theological relevance belong also to other voices Orlando E Costas Samuel Escobar J Andrew Kirk Emilio A Nunez and C Rene Padilla are thinkers who have sought to bring an evangelical understanding of liberation to the people of Latin America Despite their influence on national and international theology and despite their transformative contribution to the praxis of churches ministering in contexts of poverty their thought has not been systematized to dates This work deals with this lacuna presenting the vitality of Latin American evangelical theology which seeks to be biblical relevant and missiologically effective thus offering a liberation which is holistic and grounded in the kingdom of God

theological reflection Taking on European philosophical interpretations of Paul the North Atlantic consensus regarding social stratification in the Pauline churches and the distortions of rapture theology Miguez situates Paul's mission in the political context of Roman Thessalonica and reads his first letter in engagement with Latin American realities The result is a surprising rediscovery of Paul as an organic intellectual for whom hope is always a socially concrete reality [A Visible Witness](#) Jules A. Martinez-Olivieri, 2016-06-03 A Visible Witness presents a fresh innovative perspective on a vital movement in twentieth century theology Protestant theology in Latin America emerged over fifty years ago side by side with the initial development of Roman Catholic liberation theology Both traditions have common theological interests the praxical nature of theology Christology and soteriology Protestants also share some of the fundamental intuitions of liberation theology the centrality of praxis in Christian life and the priority of opting for the suffering masses Key Protestant theologians like Jos Miguez Bonino Nancy Bedford and Guillermo Hansen challenged Protestant theology in Latin America to develop a Trinitarian hermeneutic for Christology in order to see the work of salvation as the work of the triune God and to relate Christology and pneumatology in ways that fundamentally shape the praxis of the church This dissertation takes on this challenge and proposes a theodramatic Christology that serves to ground the Christian notion of salvation as historical liberation and the church's participation in the present experience of redemption in the Trinitarian and economic work of Jesus Christ The ecclesia of believers participates in God's communicative activity via union with Christ the community of disciples becomes a theater of liberation [Controversies in Feminist Theologies](#) Lisa Isherwood, Marcella Althaus-Reid, 2013-02-12

Controversies in Feminist Theologies is a clear and accessible analysis of the current controversies within feminist theologies It uses many of the themes of systematic theology to examine whether feminist theology has a future or whether its discourse and praxis has become bankrupt The authors expand this question through an examination of whether the whole project of systematic theology has become outmoded The book is the first to expose the myth of homogeneity and some of the common stereotypes and myths surrounding Feminist Theologies from a methodological and thematic perspective It addresses current stereotypes built around North Atlantic and Third World feminist theology including issues concerning Mariology the use of the Bible and the centrality of women's experiences in feminist praxis while highlighting the richness of different and at times opposite positions in the debates of theology gender and sexuality [Teología Convocada](#) Manuel Gómez, Patricio Merino, 2024-10-14 La Teología Convocada no es solo el llamado es también discernimiento respuesta y compromiso El llamado logr convocar a un grupo de entusiastas académicos para discernir y proponer respuestas desde las diversas especificidades de la ciencia teológica como la hermenéutica epistemológica el diálogo ecuménico ecoteología eclesiología y ciberteología [Fiesta y ritual en la tradición popular latinoamericana](#) Yvette Jiménez de Báez, 2015 Esta obra contribuye a establecer un diálogo fértil con los lectores a partir del recorrido por la función vivificadora de la fiesta y el ritual en algunos de los países que conforman esta región Un recorrido que pasa tanto por las fiestas indígenas de la tradición mexicana como

por las de origen novohispano las mismas que fueron convocadas a la aparición de una nueva cultura en donde se privilegiaron los lenguajes que nos relacionan desde el comienzo. Las transformaciones que se han producido condicionan nuestra historia porque reivindican el origen y se dinamizan hacia el futuro. En este sentido la obra reflexiona sobre el uso de algunos conceptos y la creación de otros pero siempre por medio de precisiones y generalizaciones que partan de lo que las comunidades van creando. Lugares e interpelaciones de Dios Virginia Azcuy, Diego García, Carlos Schickendantz, 2015. Nuestras reflexiones se sitúan en esta corriente latinoamericana buscan fundamentar y desarrollar ulteriormente algunos de los principales logros de esta teología contextualizada su valoración teológica de la experiencia humana y de los acontecimientos históricos su servicio a los pobres y a las víctimas su decidida toma de partido por la justicia y la liberación los derechos humanos y últimamente el clamor de la tierra.
