Steinberg, 2025-05-06 From the bestselling author of the hugely popular Kindergarten Here I Come comes a delightful poetry collection celebrating the joys of learning math in kindergarten Dive into the world of key kindergarten subjects with this collection of short poems that explore all there is to love about numbers and math With poems based around simple math concepts like addition and subtraction sorting and telling time this is the perfect companion to D J Steinberg's Kindergarten Here I Come and How to Be Kind in Kindergarten **Can Fish Count?** Brian Butterworth, 2022-04-26 An entertaining investigation of the numerical abilities of animals and our own appetite for arithmetic The philosopher Bertrand Russell once observed that realizing that a pair of apples and the passage of two days could somehow both be represented by the concept we call two was one of the most astonishing discoveries anyone had ever made So what do we make of the incredible fact that animals seem to have inherent mathematical abilities As cognitive psychologist Brian Butterworth shows us in Can Fish Count many simple animals such as bees which count trees and fence posts and guppies which can size up groups have a sense of numbers And unlike

humans they don't need to be taught. In telling animals' stories Butterworth shines new light on one of our most ancient questions: Just where exactly do numbers come from? He reveals how insights gleaned from studying animals can help us make better sense of our own abilities. Full of discovery and delight, *Can Fish Count* is an astonishing journey through the animal kingdom and the human mind. *The Rough Guide to Bangkok* Rough Guides, 2015-12-01

The Rough Guide to Bangkok is the ultimate travel guide to this frenetic city with full color maps and detailed coverage of all the best Bangkok attractions. Get inspired to discover Bangkok's highlights with dozens of color photos of key attractions like the royal temples and palaces of Ratanakos, the vibrant week market at Chatuchak, hushed golden temples and ultra hip designer boutiques. The Rough Guide to Bangkok includes sections on exploring Bangkok by boat as well as a language section with basic words, phrases and handy tips for pronunciation. Detailed historical information covers the must-see sights and practical advice helps you get around the city. You'll find up-to-date information on excursions including trips to the grandiose ruins of Ayutthaya and the war sights along the River Kwai as well as up-to-date descriptions of the best hotels, bars, clubs, shops and restaurants for all budgets. Make the most of your time with The Rough Guide to Bangkok. *A Funny Thing Happened on the Way to Heaven* Corey Taylor, 2013-07-16

Slipknot and Stone Sour singer Corey Taylor's New York Times bestselling journey into the world of ghosts and the supernatural. Corey Taylor has seen a lot of unbelievable things. However, many of his most incredible experiences might just shock you. For much of his life, the Grammy Award winning singer of Slipknot and Stone Sour and New York Times bestselling author of *Seven Deadly Sins* has brushed up against the supernatural world. Those encounters impacted his own personal evolution just as much as headlining at Castle Donington in front of 100,000 people at Download Festival or debuting at 1 on the Billboard Top 200. Since growing up in Iowa, his own curiosity drew him into situations that would've sent most people screaming, scared and running for the hills. He's ballsy enough to go into the darkness and deal with the consequences, though. As a result, he's seen ghosts up close and personal, whether while combing through an abandoned house in his native Iowa as a child or recording an album in the fabled Houdini Hollywood Hills mansion. He's also got the memories and scars to prove it. For some reason, he can't seem to shake these spectral stories, and that brings us to this little tome right here. At the same time, being an erudite, tattooed modern Renaissance Man, he was never one for Sunday Service. Simply put, he's seen ghosts, but he hasn't seen Jesus. Taylor especially can't find a reason why people do the insane things they do in HIS name. That's where everything gets really interesting. His second book, *A Funny Thing Happened on the Way to Heaven*, compiles Taylor's most intimate, incredible and insane moments with the supernatural. His memories are as vivid as they are vicious. As he recounts these stories, he questions the validity of religious belief systems and two thousand year old dogma. As always, his rapid fire writing, razor sharp sense of humor, unbridled honesty and cozy anecdotes make quite the case for his point. You might end up believing him or not. That's up to you, of course. Either way, you're in for a hell of a ride. **The World of Numbers** Dale Carpenter, 1957 *The Rough Guide to Thailand* Paul Gray, Lucy

Ridout,2012-01-01 These acclaimed travel guides feature a dramatic full color section at the front design elements to make them easier to use up to date information on restaurants and accommodations meticulously detailed maps transportation tips and discussions on geography natural wonders landmarks itineraries cultural facts and other valuable tips for travelers
