From Pain to Poetry Mark Tanner,2014-06-04 This collection of poems was written with pen and tears through pain filled years Sometime during the year of 1996 I began a journey It was a journey that took me to places that I never knew existed I went into places in this life and thought of things and did things that I otherwise would have never thought of doing I stayed there much longer than I ever wanted to stay That place was a place that I call The Altar of No Mercy There you will find yourself and the people that surround you with tombstones in their eyes roaming through the earth and going back and forth in it Job 1 7 Through that journey I have come to understand that everything that is evil is just a mimic of everything that is good Just as you will find the mercy seat at the altar of God you will likewise find the seat of no mercy and the altar of our enemy satan Trap Street (Able Muse Book Award for Poetry) Will Cordeiro,2021-08-27 Will Cordeiro s Trap Street travels a shifting landscape Keenly observed deserts woods highways seaside enclaves mountainsides and motels parade in an expansive sweep of the natural and the manmade often returning to inhabited settings and navigating spirited to tense family and social situations Cordeiro s vivid musings are deployed with a precision of craft and diction buttressed by symphonic wordsmithing worthy of a lexicographer This exceptional debut poetry collection winner of the 2019 Able Muse Book Award does not look away from either grime or beauty but lays bare the nature of things PRAISE FOR TRAP STREET The formal elegance and beauty of these poems clash smartly with the hardscrabble world where they occur Back road towns and landscapes down and out rust belt cities the worn out West this is a book that bears witness to the fizzled American dream What s left Mindless jobs litter distraction addiction voiceless anxiety environmental desecration and we are to make a meaningful life from this These are poems written in the long pastoral tradition except the pristine inspiring pasture scene starkly is no longer there I expect there is a bit of exaggeration here along with the honest depiction and that makes this a book both of witness and warning Maurice Manning author of Railsplitter Trap Street is a map of vanishing dreams true to the country as it struggles to exist Yet the person who inhabits these poems has dignified the

writing of them with real care and an ear for the elevated vernacular His declaration that Earth's everything I am runs through every page of the book mordant restless and abiding David Mason 2019 Able Muse Book Award judge author of The Sound Not everything must have some cosmic meaning That is the sort of red wheelbarrow faith Will Cordeiro depends on as his adventurous eye records the variegated appearance of the natural and manmade world no detail too small to merit commemoration The scholastic philosopher Duns Scotus cited the haecceitas this-ness of observed experience as one component in the quest for the divine so there is every reason to regard Cordeiro's poems as bridging the gap between life's overlooked detritus and exalted vision itself And visual acuity here is matched by a strenuous verbliness color coordinated vowels informing chewable consonants in a lexicon ranging from cattywampus to glumes to bleary It's a pious beauty diction and syntax that remind me of Hopkins and Marianne Moore We should all join in welcoming Will Cordeiro's amazing debut Alfred Corn author of The Poem's Heartbeat ABOUT THE AUTHOR Will Cordeiro has work published in Agni Best New Poets the Cincinnati Review Copper Nickel the Offing DIAGRAM Poetry Northwest Threepenny Review THRUSH Poetry Journal and elsewhere Will co-edits the small press Eggtooth Editions and is grateful for a grant from the Arizona Commission on the Arts a scholarship from Sewanee Writers Conference and a Truman Capote Writer's Fellowship as well as residencies from ART 342 Blue Mountain Center Ora Lerman Trust Petrified Forest National Park and Risley Residential College Will received an MFA and PhD from Cornell University Will is also coauthor of Experimental Writing A Writer's Guide and Anthology forthcoming from Bloomsbury Currently Will lives in Flagstaff and teaches in the Honors College at Northern Arizona University
