

A female healthcare worker with brown hair and bangs, wearing blue scrubs, is smiling and looking towards a patient. The patient's back is to the camera, showing brown curly hair and a light blue hospital gown. In the background, there is a blue medical cabinet with circular openings and some papers on a wall.

Multiple Goals in Discourse Karen Tracy,Nikolas Coupland,1990 The studies in this monograph share two common

features a recognition of the intertwined nature of goal and discourse and a recognition that people typically have more than one goal when they talk with others It is essential that goals and discourse be conceived of as intertwined concepts if talk is conceived as essentially a mode of action then these actions will often be taken in the pursuance of objectives Correspondingly if we assume that people approach many social episodes with specific designs ambitions wishes probably also misgivings and avoidances then it seems natural to look at talk as at least a potential goal fulfillment mechanism
