King, 2014-03-17 Collected in one volume the first four novels featuring the retired Sherlock Holmes and his disciple Mary Russell by New York Times bestselling author Laurie R King The Beekeeper's Apprentice In 1915 Sherlock Holmes and his fifteen year old protege Mary Russell are called to Wales to help Scotland Yard find the kidnapped daughter of an American senator a case of international significance with clues that dip deep into Holmes

s past A Monstrous Regiment of Women It is 1921 and Mary Russell is on the verge of acquiring a sizable inheritance Her attentions turn to the New Temple of God and its leader a charismatic suffragette and a mystic When four bluestockings from the Temple turn up dead shortly after changing their wills could sins of a capital nature be afoot A Letter of Mary It is 1923 Mary Russell Holmes and Sherlock Holmes are visited by an old friend an archaeologist just returned from Palestine She leaves in their protection an ancient controversial manuscript When their friend is suddenly killed in a tragic accident Russell and Holmes find themselves on the trail of a fiendishly clever murderer The Moor In the eerie wasteland of Dartmoor Sherlock Holmes summons Mary Russell to aid the investigation of a death and some disturbing phenomena of a decidedly supernatural origin There have been sightings of a spectral coach made of bones carrying a woman long ago accused of murdering her husband and of a hound with a single glowing eye Returning to the scene of The Hound of the Baskervilles Holmes and Russell investigate a mystery darker and more unforgiving than the moors themselves **Social Memory in**

Late Medieval England Joel T. Rosenthal, 2017-11-21 This concise and unique volume explores the vital relationship between testimony memory and the community in medieval society Joel T Rosenthal assembles various categories of testimonies to illuminate how ordinary Late Medieval people saw themselves as units of their community their awareness of the issues surrounding the theater of birth their interest in the world of and beyond the village and what aspects of the ubiquitous mother Church were worth recalling Supported by primary sources and by modern scholarly focus on such issues as social memory village life rumor and gossip and demography this book provides both a wealth of source material and insightful discussion on how historians can chart the role of memory and community in its shaping of medieval identity and society **More than Bombs and Bandages** Kirsty Harris, 2024-06-05 More than Bombs and Bandages exposes the false assumption that military nurses only nursed Based on author Kirsty Harris CEW Bean Prize winning PhD thesis this is a book that is far removed from the devotion to duty stereotyping offering an intriguing and sometimes gut wrenching insight into the Australian Army Nursing Service AANS during World War I More than Bombs and Bandages provides rich pickings for all those interested in nursing history women in the Australian military the application of medical treatments and World War I What I enjoyed most about is Dr Kirsty Harris s ability to reflect those nurses voices in a way that was so real one could be there the settings were so well understood from her research and the language kind of made a time warp in the reading Very satisfying As you know I have that Peter Rees book but I could not get into it after reading the historical one It was like comparing a great documentary to Facebook trivia Rev d Dr Barbara Oudt **James Joyce** E H Mikhail, 1990-06-29

Nurses on the Move Mireille Kingma, 2018-07-05 South African nurses care for patients in London hospitals recruit Filipino nurses to Los Angeles and Chinese nurses practice their profession in Ireland In every industrialized country of the world patients today increasingly find that the nurses who care for them come from a vast array of countries In the first book on international nurse migration Mireille Kingma investigates one of today s most important health care trends The personal

stories of migrant nurses that fill this book contrast the nightmarish existences of some with the successes of others Health systems in industrialized countries now depend on nurses from the developing world to address their nursing shortages This situation raises a host of thorny questions What causes nurses to decide to migrate Is this migration voluntary or in some way coerced When developing countries are faced with nurse vacancy rates of more than 40 percent is recruitment by industrialized countries fair play in a competitive market or a new form of colonialization What happens to these workers and the patients left behind when they migrate What safeguards will protect nurses and the patients they find in their new workplaces Highlighting the complexity of the international rules and regulations now being constructed to facilitate the lucrative trade in human services Kingma presents a new way to think about the migration of skilled health sector labor as well as the strategies needed to make migration work for individuals patients and the health systems on which they depend
