Blase,2000-12-14 I wrote My Big Fat Head when I decided to accept the fact that I was a food addict well maybe not total acceptance but an acknowledgement Let s call it a nod I knew there was no question I was a sugar addict and I knew that if the sugar didn t go I was going to go diabetic crazy to Weight Watcher s for the fifth time pick one and I wanted to mentally stay onboard so I didn t think I would ever publish My Big Fat Head because if I did I d be out of the closet and all the world would know my dirty little secret that when placed in a boxing ring with chocolate chip cookies I d get knocked down every time My one and only problem or so I thought was my sweet tooth Once I gave up the foods I craved most I realized that the only thing I was doing by consuming them in the first place was depriving myself of living an honest life How can that possibly make sense Because when a person is in the throes of any addiction food alcohol drugs obsessive behaviors the preoccupation with that one thing is so prevalent that everything else takes a back seat Not intentionally and not all at once so that you don t even notice until it s too late your life becomes this narrow hallway that loops back and recycles in on itself causing an unsettling mental disruption Think circular treadmill you can t jump off of It may not be publicly noticed but it s

strongly felt by the addict in question My Big Fat Head is about more than just about the desire to be thin It tells the story a life ruled by emotional fear I thought it was my destiny to be an unhappy overweight person and so I dismissed my mental physical and spiritual health for a bite of a brownie Okay fine A pan of brownies When I was done writing I was totally oblivious to the world of editors agents and publishers Overwhelmed with the prospect of writing a book proposal and feeling that what I had to share was time conscious material I self published my book at iUniverse com And through iUniverse my book has given folks with a range of addictions from eating to gambling to drinking to shopping hope And hope unlike a stomach full of brownies is something worth sharing
