Nurturing Children In The Lord:

Nurturing Children in the Lord Jack Fennema, 1977 *Nurturing Children in the Lord* Jack Fennema, 1979-04-01

Nurturing Child and Adolescent Spirituality Karen-Marie Yust, 2006 *Nurturing Child and Adolescent Spirituality*

Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence. Featuring essays from thinkers representing the world's major religious traditions, the book introduces new voices, challenges assumptions, raises new questions, and broadens the base of knowledge and investment in this important domain of life. It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions, creating space for the religious traditions to find their voices. *Nurturing Child and Adolescent Spirituality* is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world. *Nurturing Child and Adolescent Spirituality* will set the stage for new waves of scholarship and dialogue within and across traditions, disciplines, and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe. *Raising Kingdom Kids* Tony Evans, 2014-08-22

From the bestselling author of *Kingdom Man* and *Kingdom Woman*, *Raising Kingdom Kids* equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. Dr. Tony Evans begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then takes a practical turn with examples and illustrations to help parents understand and provide specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more. This book is for every dad or mom who wants to fulfill the parenting role God has given them, not just in raising healthy kids intellectually, physically, and socially, but in contributing to their child's relationship with God and alignment under His plan. *Raising Children on Purpose* Wesley H. Fleming, 2006-03-03

Parent by Accident or Parent on Purpose Your child has a God-given purpose that is too important to be left to chance. As parents, we have a sacred opportunity to help our children find their way, the way they were created to go. When a child has insight into God's special plan for his life, he will be more passionate about following Jesus, better able to focus his energies on what is most important, and equipped to make wiser decisions. *Raising Children on Purpose* will help you assess your child's natural talents and gifts, recognize and encourage your child's interests, determine the point at which gifting and interest overlap, discipline your child in positive ways that inspire confidence, promote emotional health and good decision-making in your child, prepare your child for career choices. Wes Fleming's *Raising Children on Purpose* offers practical advice with a generous sprinkling of
