Let the Communion Commence Kevin Dean Smith, 2021-05-13 *Let the Communion Commence* Lighthearted Reflections on the Heart of God for Humanity is a humble effort by a long time Christian public educator and traveler to use his somewhat unique style and experiences to communicate to his graduating students and to anyone else who might come along for the read the wonders of a life consuming relationship with God Much of the content is also inspired by reflections on the sacrament of Communion and thus the book may be of interest to a broader audience than just to graduates embarking on the next stage of life Part one of the book seeks to introduce the Christian faith to those who may be unfamiliar with the Gospel message that the Author and Creator of the Universe seeks communion or a personal relationship with anyone willing

to embrace the death resurrection and Lordship of Jesus Christ in order to receive salvation from the consequences of disobedience to God Part two encourages lifelong enrollment in the class of learning to be like Jesus Christ in preparation for becoming citizens of and for introducing others into the Kingdom of God Finally part three of Let the Communion Commence reflects on the ultimate commencement the beginning of never ending life in the presence of our Creator Class is about to begin Please join me

Believers Foundations Training Manual Osmond Owusu,2016-09-30 The Believers Foundations Training Manual is a must study book for any newly born again believer in the Lord Jesus Christ The book is also strongly recommended study for any believer who wants to ensure their foundational roots in the Word of God grows deeper Many church groups do not have consistent training material for the newly born again Christian These are for the most part left to feed on scraps they could find here and there Those who provide any such material seldom address critical and pertinent questions the new babe in Christ may have The world is more complex and has unique challenging puzzles for the Christian faith especially for the new Christian This manual is designed to support the new Christian in the quest to seek the Lord Jesus from the very pages of the Holy Scriptures This manual also equips the new believer to also not accept anything at face value but ask good questions for clarification This comes from the premise that the Holy Scriptures have the answers The believer is imbibed with the notion that the answers that the Lord Jesus has revealed can be known in the pages of the scriptures through diligent search For those of us who are older in the faith you may have some of your long held beliefs challenged by biblical textual evidence We all need this learning curve to help us grow Its a tremendous journey Come aboard For those who know it all this manual is not for you

Discipleship Handbook General Conference Sabbath School and Personal Ministries,2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven

If the devil had his way every Christian would be lulled to spiritual slumber or led into forbidden paths that would steal the heart away from God. Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ. The Discipleship Handbook will benefit anyone seeking such an experience with Jesus. It may be used for personal study or in Sabbath schools, prayer meetings, small groups or one on one settings. It is more than a book about discipleship. Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members. The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered. The devotional life, personal witnessing, church life, Christian lifestyle and evangelism each receive special emphasis. For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor.

Discipleship Training Manual Walter John Smiechewicz, 1996. The Jesus Training Manual Richard Mull, 2011-04-19. What happens when you look into the box where you think God is contained and you find He isn't there? What happens next may surprise you. You will learn how to hear God's voice, that God still does miracles, that demons are real and how to deal with them, and truths about the Kingdom of God, healing, your spiritual authority, spiritual battles and your armor. Written by a former traditional Baptist pastor, Mull's unique story is one of God destroying religious constraints, allowing His people to reel in miracles of healing, salvations and supernatural experiences in the presence of God. His journey will help you overcome skepticism, toss away theological hangups you once thought were from God and stand solidly on biblical principles. This book is filled with amazing real life stories and practical applications of the same things Jesus taught His 12 disciples. You will be challenged to believe God is able to do more than you have ever imagined.
