Preparing for Marriage Jim and Teresa Adams, 2015-05-12 Whether you're in a relationship now or want to be in one you have come to the right place We can help The average couple spends 25 200 and over 250 hours on their wedding That same couple spends less than 100 and two hours on their marriage Don't be guilty of having a BIG wedding and a BAD marriage Don't spend more time focused on the ceremony than the matrimony The wedding while a tremendous celebration is designed to last less than a day in most cultures while the marriage is designed to last a lifetime Dating engaged married happily or unhappily or remarried if you follow this resource it is guaranteed to help you make the right decision about marriage prepare you for marriage or strengthen the marriage you are already in Teresa and I have been working on this manual all our married lives not because we are really slow writers but because this manual is the compilation of everything we have learned in our personal lives as a married couple for 30 years with four children boy do we have some stories to tell as well as our professional training This book is a compilation of what we have seen work and not work in more than 20 years of practical application working with dating engaged married and remarried couples We developed this system out of necessity We used another manual for more than a decade until it was literally no longer available We looked for other resources but never found one that fit our style and that really resonated with the couples we were coaching and counseling Finally we decided to develop our own We completed the first draft of this manual in 2010 and started using it in our weekend intensive sessions where Teresa and I meet with a couple for approximately 10 to 12 hours from Friday afternoon through Saturday all day As we used this tool we have been constantly writing rewriting and adding as questions and issues arose that we did not initially include in this resource We would often leave the counseling room that Friday come home and add or modify a section based on a situation we saw or anticipated seeing the next day in the intensive Though we have never made this tool available to anyone other than the couples we have personally worked with our clients have urged us to share this resource as they were genuinely moved and changed by the information contained herein What you hold in your hands is the result of this process This product was not developed in a classroom using a lot of

To Have and to Hold - Leader Guide Byron Weathersbee, Carla Weathersbee, 2017-07 In America the average amount of money time and energy spent on a wedding are astronomical While thousands of dollars are spent for the wedding day little if any money time and energy are spent in preparation for the marriage itself To Have To Hold Preparing for a Godly Marriage offers a different approach from pre marital counseling It is more of a marriage education helping and equipping couples to build smart marriages and healthy families The days prior to a wedding can be busy and hectic This Bible study book format maximizes the time couples have by focusing on important information in a simplified and condensed version One of the biggest mistakes couples make is collecting great resources and then becoming overwhelmed by the amount of information gathered with little time to complete the reading Oftentimes those resources are put on the shelf for later only to be pulled down when a crisis hits often too little too late This study may be used in a variety of ways including For couples to do on their own as a pre marriage study For pastors or others to use in pre marriage counseling with couples For small groups where a leader has a group of young couples preparing to wed For couples or small groups in the early years of marriage who did not receive pre marriage preparation and counseling Some of the weekly preparation is fun creative and light It is a good escape from the wedding plans for a while helping couples find a balanced approach will help them gain insight during the fast paced days These weekly interactive prep activities will be focused on the specific topic for the week They will encourage couples to look at scripture passages do biblical words studies listen to podcasts go to a romantic place or do some other activity to creatively challenge their thinking These assignments are not a major time commitment but they are vital as a couple works through issues God's purposes for marriage are much higher and greater than our own In Genesis 2:18 God said It is not good for man to be alone He created Eve as an answer to that aloneness Even though Adam had a perfect relationship with God a perfect environment and had all the possessions he wanted there was still a void of intimacy Blending two individuals into oneness was the Divine goal They were made to become suitable helpers counterparts who could balance and back one another in every way God ordained marriage to be an

earthly picture of the relationship between Christ and the Church Jesus Christ s love for the Church according to Ephesians 5 is sacrificial and unconditional He laid down His life to present the church His bride whole and complete Likewise when a husband and wife love each other as they do their own bodies nurturing and caring for each other they live out the beautiful picture of Christ s oneness with the Church Features Interactive questions and tools to guide discussion and make the study personal for couples Practical and simple to equip couples for marriage not only the wedding Tools and suggestions for pre marital education and counsel Bible study book for couples sold separately is included in the Leader Guide for Pastors church staff small group leaders or facilitators Benefits Understand God s Biblical foundation and purpose for marriage in order to establish a foundation that provides stability and oneness in the marital relationship Following God s principles leads to oneness and freedom in the roles and responsibilities of the husband and wife Help couples understand and follow God s stewardship principles as they work to experience financial freedom Challenge the thinking of couples regarding needs intimacy and oneness in marriage Encourage and challenge each partner to individually keep Christ as the first priority as well as to grow together in spiritual oneness as a couple Equip couples with tools to learn the necessary skills to effectively communicate through expressing oneself listening and managing conflict Create healthy expectations for marriage and set a course action for the future Join Byron and Carla Weathersbee in this eight session study To Have To Hold Preparing for a Godly Marriage as they explore and focus on the keys to a healthy marriage **Countdown for Couples** Dale Mathis,Susan Mathis,2012-03-24 Research and common sense indicate that engaged couples will eventually have stronger more successful marriages if they get good premarital counseling Many churches now require such counseling yet many Christian couples still enter marriage without that preparation Countdown for Couples will fill that void It will help couples learn about each other and themselves individually as well as their relational skills and compatibility as a couple Food for Thought Kurleen Horsham,2017-01-16 The information presented in this book Food for Thought is palatable and it is intended to provide the reader with just enough information to provoke never ending thoughts about the importance of preparing to build a successful life together after the wedding day The highlights within this booklet are some of the main ingredients for which every couple should seek to get in depth knowledge about as they prepare to become husband and wife These items include communication conflict management sex family etc which if understood will bring joy and satisfaction to the newlywed couple as they walk the path of marriage While every couples experience will be different this journey can be lasting until death do us part However it must begin with a solid foundation **Preparing for Marriage** Scott Brown,2009-10-01
