*Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1975      *Special Preparation for the Latter Rain* Sulad Jhun Cardeinte,2018-02-03 Special Preparation for the Latter Rain Genuine Revival and Reformation compiled by Sulad Jhun Cardeinte is an excellent Biblical and Spirit of Prophecy sermon type compilation specially compiled for new believers in Jesus The topic how to experience new birth solution to our Laodicean condition and how be an overcomer are highlighted in this work What you will like about this compilation is the very easy to understand approach consists of hundreds of Spirit of Prophecy quotations and Bible References Indeed this is a must read for spiritual revival and reformation in a church plague with serious lukewarm condition      **Preparation for the Latter Rain** ,1983      Dove of Gold, and Other Signposts of the Spirit Leslie Hardinge,1996 This book Dove of Gold approaches the vast subject of the Holy Spirit by viewing His functions through illustrations He Himself has selected as vehicles for the revelation of His character and work In both the Old and the New Testaments several carefully chosen and highly suggestive symbols picture His activities They have to do with natural objects and through them the mind can easily pass from the known to the lesser known Imagine each symbol to be a many faceted gem Lift it up and allow the light of the Sun of Righteousness to fall upon it Turn it around and observe the flashing of light from each facet Such study requires leisure and careful thought As one observes the related aspects of the nature and function of the natural object used as a symbol the work of the Holy Spirit will become clearer and His disposition of concern and affection much more appealing      *Satan's Trojan Horse* Norman R. Gulley,2004 Eons ago a revolt broke out in the throne room of heaven against the King of the universe To understand the issues involved in this conflict is to have a road map to the future Expelled from heaven Lucifer kidnapped earth This book reveals his dark plans for this planet It demonstrates the cosmic terrorist s behind the scenes strategy from Creation through the cross the Crusades and down to the events of September 11 2001 that changed the world and catapulted America into unprecedented global leadership where it is poised to fulfill its prophetic role in last day events Book jacket      **Getting Ready to Meet Jesus** Gerald Wheeler,Bill Cleveland,1998      40 Days Dennis Edwin Smith,2010 If so you ve come to the right place This book contains 40 days of devotional studies designed to strengthen your relationship with Christ and enable you to lead others to Him Why 40 days The Bible tells of several significant events that took this specific span of time Rain fell for 40 days during the Flood Moses was on Mount Sinai with God for 40 days The Israelite spies took 40 days to explore the Promised Land Jonah warned Nineveh for 40 days Jesus spent 40 days in the wilderness after His baptism Jesus spent 40 days with the disciples after His resurrection God wants to do something significant in your life too Not only does He long to

draw you into closer fellowship with Him He also wants to minister to others through you And as you spend 40 amazing days with God He will prepare you for earth s final crisis and Christ s long anticipated second coming Book jacket *Preparation for the Latter Rain* ,1978      **Preparation for Translation** Milton G. Crane,2011-09-22 This book is about YOUR preparation for translation It is about YOUR plans to live without a mediator after probation closes It is about God s plans for YOUR overcoming temptation NOW in anticipation of those events It is about His plans for the renewing of YOUR mind through the final atonement ministry of Jesus      **The Seven Thunders and the Gathering** Bernard Palfrey,2011-12-07 Within God s law of Ten Commandments is revealed a vision of God God s law is a reflection of His character In these circumstances it is the height of folly to lightly dismiss the importance of God s Ten Commandments To attempt refutation of God s law of Ten Commandments is a denial of God At this very time God is calling His people out of Babylon Because they are under the influence of the Holy Spirit the people of God will recognise His voice and leave the Babylonian state of confusion This fact is proved to be true by the words of John 10 27 where it says My sheep hear my voice and I know them and they follow me To follow Jesus is to keep God s Ten Commandment which includes the seventh day Sabbath commandment      **God's Final Message** Bernard Palfrey,2009-04-18 There are many professing Christians who are so misguided on the matter of truth in relation to God s law and God s love as to make a mockery of the death of Jesus on Calvary There is so much error being taught such as the devilish doctrine of eternal torment in hell fire and that God s law of Ten Commandment were nailed to the Cross as to make the gospel of Christ look ridiculous The mark of the beast is not a figment of the imagination but a real danger that will face all of those who refuse to heed the last call of God to worship Him in truth It is widely believed that at the relevant time it will be an easy thing to refuse to have the mark of the beast However the mark of the beast is not a visible sign to accept or reject but a subtle intrusion upon the mind by Satan the arch deceiver There are real issues at stake when confronted by the Spirit of truth In these circumstances it is important to be aware of present truth whether from this or any other source before the return of Jesus
