 The Oxford Textbook of Palliative Nursing remains the most comprehensive treatise on the art and science of palliative care
 nursing available Dr Betty Rolling Ferrell and Dr Judith A Paice have invited 162 nursing experts to contribute 76 chapters
 addressing the physical psychological social and spiritual needs pertinent to the successful palliative care team Organized
 within 7 Sections this new edition covers the gamut of principles of care from the time of initial diagnosis of a serious illness
 to the end of a patient s life and beyond This fifth edition features several new chapters including chapters on advance care
 planning organ donation self care global palliative care and the ethos of palliative nursing Each chapter is rich with tables
 and figures case examples for improved learning and a strong evidence based practice to support the highest quality of care
 The book offers a valuable and practical resource for students and clinicians across all settings of care The content is
 relevant for specialty hospice agencies and palliative care programs as well as generalist knowledge for schools of nursing
 oncology critical care and pediatric Developed with the intention of emphasizing the need to extend palliative care beyond
 the specialty to be integrated in all settings and by all clinicians caring for the seriously ill this new edition will continue to
 serve as the cornerstone of palliative care education *Social Work Practice in Autism and Intellectual and Developmental
 Disabilities* Kevin P. Stoddart,Ann Fudge Schormans,2025-01-28 In Canada social work both the profession and the academic
 discipline has given inadequate attention to individuals living with autism and intellectual and developmental disabilities This
 is true regardless of whether the social work role is in a clinical capacity community based programs academic research and
 educational endeavours or an advocacy role or supporting self advocacy for basic needs and rights to services and supports
 Many people with autism and intellectual and developmental disabilities and their supporters value community involvement
 and integration quality of life and access to a wide range of services so it is likely that social workers will encounter these
 clients in their careers Consequently the onus is on the social work profession to attend more fully and carefully to preparing
 students practitioners and researchers This peer reviewed volume provides a range of perspectives practices and ideas
