Pre-Raphaelite and Other Masters London. Webber (Andrew Lloyd) Collection, Rachel Barnes, 2003 Pre-Raphaelite and Other Masters, 2003 An opulent record of one man's passion for Victorian art published to accompany an exhibition at the London Royal Academy of Arts September 20th December 12th 2003 **Pre-Raphaelite and Other Masters** London. Webber (Andrew Lloyd) Collection, 2003 **The Cambridge Companion to the Pre-Raphaelites** Elizabeth Prettejohn, 2012-07-23 A general introduction to the Pre Raphaelite movement treating both literature and visual art

Writing the Pre-Raphaelites Tim Barringer, 2017-07-05 This vibrant collection of essays claims that a complex network of texts by critics biographers and diarists established the credibility and influence of the Pre Raphaelite movement Throughout the twentieth century Modernist taste failed to acknowledge the achievement of oppositional groupings such as the Pre Raphaelites The essays collected here however reveal that the British group anticipated later avant gardes by using the written word to configure for itself a radical artistic identity Public and critics alike were scandalized by the radicalism of Pre Raphaelite painting its unflinching portrayal of historical figures and of contemporary life and its irreverent attitude to artistic convention Pre Raphaelitism's innovations were not confined to style new forms of artistic identity and behaviour were explored As the contributors interrogate the texts through which Pre Raphaelitism was constructed they demonstrate that the movement's wide influence as a cultural phenomenon derived from the interplay between exhibited works and critical discourse Applying a range of sophisticated methodologies from the fields of literary studies art history and cultural studies these interdisciplinary essays uncover the neglected role of texts in the success of the Pre Raphaelite rebellion and argue in favor of a new centrality for this movement in the history of nineteenth century European culture **Delphi**

Joanna, George, and Henry Sue Bradbury, 2012 Biography of three artists closely associated with the Pre Raphaelites whose letters give a vivid insight into the dramas of their personal life Joanna George and Henry tells the story of the intertwined lives of three young artists in the 1850s When the transcript of the material on which this group portrait is based came to light ten years ago no one could have imagined the drama within They were family letters letters from a young woman to her brother and later to her suitor of interest chiefly because all three were painters and all were active participants in the youthful Pre Raphaelite revolution that swept England in the 1850s They turned out to be a revelation giving not only a comprehensive picture of what it was like to be an artist in the mid 19th century but containing within them a powerful family drama and a most unusual love story It is a love story moreover told largely from a woman's point of view Joanna Boyce's dedication to her art was absolute she studied in Paris under Thomas Couture and had her first painting exhibited at the Academy when she was only 24 She was headstrong self critical opinionated and teasing an artist with her pen as well as her brush She died tragically young Between them Joanna her brother George and suitor Henry Wells knew all the artistic luminaries of the day among them Ruskin Millais and Rossetti with whom George shared a great deal including mistresses They wrote to each other not just about art but about their friends their favourite books their travels their illnesses their passions and their quarrels In this book they tell their story in their own vivid words a story which portrays the age in which they lived and the powerful drama of their emotional and professional lives Sue Bradbury taught in Spain for three years before joining The Folio Society in 1973 She became Editorial Director in 1984 a post she held for twenty five years Her own publications include translations of Three Tragedies by Federico Garcia Lorca a novel Midnight Madonna set in the Spanish Civil War and a four volume history of the world in contemporary accounts Eyewitness to History with Robert Fox She was awarded the OBE in 2010

Focus On: 100 Most Popular Tony Award Winners Wikipedia contributors, The Correspondence of Dante Gabriel Rossetti Dante Gabriel Rossetti, 2002 Represents the collection of extant Rossetti correspondence a primary witness to the range of ideas and opinions that shaped Gabriel Rossetti's art and poetry This work features known surviving letters a

total of almost 5 800 to over 330 recipients and includes 2 000 letters by Rossetti and selected letters to him *Ophelia and Victorian Visual Culture* Kimberly Rhodes,2017-07-05 Kimberly Rhodes s interdisciplinary book is the first to explore fully the complicated representational history of Shakespeare s Ophelia during the Victorian period In nineteenth century Britain the shape function and representation of women s bodies were typically regulated and interpreted by public and private institutions while emblematic fictional female figures like Ophelia functioned as idealized templates of Victorian womanhood Rhodes examines the widely disseminated representations of Ophelia from works by visual artists and writers to interpretations of her character in contemporary productions of Hamlet revealing her as a nexus of the struggle for the female body s subjugation By considering a broad range of materials including works by Anna Lea Merritt Elizabeth Siddal Dante Gabriel Rossetti and John Everett Millais and paying special attention to images women produced Rhodes illuminates Ophelia as a figure whose importance crossed class and national boundaries Her analysis yields fascinating insights into high and mass culture and enables transnational comparisons that reveal the compelling associations among Ophelia gender roles body image and national identity **The Trojan Horse** Deborah Philips,Garry Whannel,2013-08-29 The Trojan Horse traces the growth of commercial sponsorship in the public sphere since the 1960s its growing importance for the arts since 1980 and its spread into areas such as education and health The authors central argument is that the image of sponsorship as corporate benevolence has served to routinize and legitimate the presence of commerce within the public sector The central metaphor is of such sponsorship as a Trojan Horse helping to facilitate the hollowing out of the public sector by private agencies and private finance The authors place the study in the context of the more general colonization of the state by private capital and the challenge posed to the dominance of neo liberal economics by the recent global financial crisis After considering the passage from patronage to sponsorship and outlining the context of the post war public sector since 1945 it analyses sponsorship in relation to Thatcherism enterprise culture and the restructuring of public provision during the 1980s It goes on to examine the New Labour years and the ways in which sponsorship has paved the way for the increased use of private public partnerships and private finance initiatives within the public sector in the UK *A Bibliography of Modern Arthuriana (1500-2000)* Ann F. Howey,Stephen Ray Reimer,2006 Annotated bibliography of the Arthurian legend in modern English language fiction not only in literary texts but in television music and art The legend of Arthur has been a source of fascination for writers and artists in English since the fifteenth century when Thomas Malory drew together for the first time in English a variety of Arthurian stories from a number of sources to form the Morte Darthur It increased in popularity during the Victorian era when after Tennyson s treatment of the legend not only authors and dramatists but painters musicians and film makers found a source of inspiration in the Arthurian material This interdisciplinary annotated bibliography lists the Arthurian legend in modern English language fiction from 1500 to 2000 including literary texts film television music visual art and games It will prove an invaluable source of reference for students of literary and visual arts general readers

Olson, 2018-01-31 From the author of *Celestial Sleuth* 2014 yet more mysteries in art history and literature are solved by calculating phases of the Moon determining the positions of the planets and stars and identifying celestial objects in paintings In addition to helping to crack difficult cases these studies spark our imagination and provide a better understanding of the skies Weather archives vintage maps tides historical letters and diaries military records and the assistance of experts in related fields help with this work For each historical event influenced by astronomy there is a different kind of mystery to be solved How did the changing tides affect an army's battle plans How did the phases of the moon affect how an artist painted a landscape Follow these exciting investigations with a master celestial sleuth as he tracks down the truth and helps unravel mysteries as far back as the Middle Ages and as recent as the iconic 1945 photograph of a kiss in Times Square on VJ Day Topics or cases pursued were chosen for their wide public recognition and intrigue and involve artists such as Vincent van Gogh and Claude Monet historical events such as the campaigns of Braveheart in Scotland and battles in World War II and the Korean War and literary authors such as Chaucer Cervantes Shakespeare Byron and Edgar Allan Poe *Ceramics in the Victorian Era* Rachel Gotlieb, 2023-06-29 This book broadens the discussion of pottery and china in the Victorian era by situating them in the national imperial design reform and domestic debates between 1840 and 1890 Largely ignored in recent scholarship *Ceramics in the Victorian Era* Meanings and Metaphors in Painting and Literature argues that the signification of a pot a jug or a tableware pattern can be more fully discerned in written and painted representations Across five case studies the book explores a rhetoric and set of conventions that developed within the representation of ceramics emerging in the late 18th century and continuing in the Victorian period Each case study begins with a textual passage exemplifying the outlined theme and closes with an object analysis to demonstrate how the fusing of text image and object are critical to attaining the period eye in order to better understand the metaphorical meanings of ceramics Essential reading not only for ceramics scholars but also those of material culture the book mines the rich and diverse archive of Victorian painting and literature from the avant garde to the sentimental from the well known to the more obscure to shed light on the at once complex and simple implications of ceramics agencies at this time

Masques, Mayings and Music-dramas Roger Savage, 2014 *Masques Mayings and Music Dramas* comprises a sequence of in depth case studies of significant aspects of early twentieth century English music theatre Vaughan Williams forms a central thread in this discussion and Stratford upon Avon serves as a geographical focus point for mediating conflicting visions of an English musical tradition But the reach of the book is much wider shedding new light on English Wagnerism at Glastonbury especially and on the reception of Wagner's ideas as a point of emulation and resistance No less significant is

the discussion of Purcell and the seventeenth century masque one of the primary sources for re imagining an English dramatic tradition and the more familiar images of the May festival the Mummers play and the pageant play which are tellingly re contextualised The book also looks at the associations between Vaughan Williams the theatre artist Edward Gordon Craig and the impresario Serge Diaghilev The sequence is framed by the image of the pilgrim vagabond Vaughan Williams s setting of the poetry of Matthew Arnold and Robert Louis Stevenson as a metaphor and paradigm for his creative career and personal progress The book not only sheds light on the activities and ambitions of principal agents but also illuminates a particularly dynamic moment in the re emergence of a distinctively English music theatrical practice one especially concerned with calling on aspects of the past to help to secure a worthwhile future Notions of Englishness turn out to be less insular than sometimes thought and the idea of a musical renaissance more complex when the case studies are understood in their proper historical context Scholars and students of twentieth century English music theatre and opera will find this volume indispensable Roger Savage is Honorary Fellow in English Literature at the University of Edinburgh He has published widely on theatre and its interface with music from the baroque to the twentieth century in leading journals and books

The Bible in Music Robert Ignatius Letellier, 2017-06-23 This book explores the relationship between the Bible and the world of music an association that is recorded from ancient times in the Old Testament and one that has continued to characterize the cultural self expression of Western Civilization ever since The study surveys the emergence of this close relationship in the era following the end of the Roman Empire and through the Middle Ages taking particular note of the role of Gregorian chant folk music and the popularity of mystery morality and passion plays in reflection of the Sacred Scripture and its themes during those times With the emergence of polyphony and the advent of the Reformation in the sixteenth century the interaction between the Bible and music increased dramatically culminating in the evolution of opera and oratorio as specific genres during the Renaissance and the Early Baroque period Both these genres have proved essential to the interplay between sacred revelation and the various types of music that have come to determine cultural expression in the history of Europe The book initially provides an overview of how the various themes and types of Biblical literature have been explored in the story of Western music It then looks closely at the role of oratorio and opera over four centuries considering the most famous and striking examples and considering how the music has responded in different ages to the sacred text and narrative The last chapter examines how biblical theology has been used to dramatic purpose in a particular operatic genre that of French Grand Opera The academic apparatus includes an iconography a detailed bibliography and an index of biblical and musical references themes and subjects

Consuming Keats S. Wootton, 2006-02-07 This book explores the impact of Keats on authors and artists from 1821 to the end of the First World War It examines the work of authors including Shelley Browning and Thomas Hall Caine and artists Holman Hunt and Rossetti The study also includes tributes to Keats by women authors and artists such as Christina Rossetti and Jessie Marion King

Impressionism Abroad Erica E.

Hirshler, 2005 The Museum of Fine Arts in Boston possesses one of the world's finest collections of 19th century French and American art with works by Degas Manet Pissarro Renoir Sisley and Sargent This colorful book the first published on the collection illustrates many of its highlights Author Erica Hirshler outlines the history of the collection and considers the taste in Boston for atmospheric landscapes which by the late 1880s had led young Boston painters like Childe Hassam to Monet's door Their willingness to embrace Impressionism helped to popularize this style of painting throughout the United States All the high points of Boston's 19th century collections are revealed here with works by the leading French Impressionist painters and their American counterparts **The Oxford Handbook of Victorian Medievalism** Joanne Parker, Corinna

Wagner, 2020-09-15 In 1859 the historian Lord John Acton asserted two great principles divide the world and contend for the mastery antiquity and the middle ages The influence on Victorian culture of the Middle Ages broadly understood then as the centuries between the Roman Empire and the Renaissance was both pervasive and multi-faceted This medievalism led for instance to the rituals and ornament of the Medieval Catholic church being reintroduced to Anglicanism It led to the Saxon Witan being celebrated as a prototypical representative parliament It resulted in Viking raiders being acclaimed as the forefathers of the British navy And it encouraged innumerable nineteenth century men to cultivate the superlative beards we now think of as typically Victorian in an attempt to emulate their Anglo Saxon forefathers Different facets of medieval life and different periods before the Renaissance were utilized in nineteenth century Britain for divergent political and cultural agendas Medievalism also became a dominant mode in Victorian art and architecture with 75 per cent of churches in England built on a Gothic rather than a classical model And it was pervasive in a wide variety of literary forms from translated sagas to pseudo medieval devotional verse to triple decker novels Medievalism even transformed nineteenth century domesticity while only a minority added moats and portcullises to their homes the medieval style textiles produced by Morris and Co decorated many affluent drawing rooms The Oxford Handbook of Victorian Medievalism is the first work to examine in full the fascinating phenomenon of medievalism in Victorian Britain Covering art architecture religion literature politics music and social reform the Handbook also surveys earlier forms of antiquarianism that established the groundwork for Victorian movements In addition this collection addresses the international context by mapping the spread of medievalism across Europe South America and India amongst other places The Boyce Papers Sue Bradbury, Susan Miller

Bradbury, 2019 The first full edition of the correspondence between three artists Joanna Boyce her brother George P Boyce and Henry Wells who she eventually married It dates from the period 1845 to 1861 and covers artistic life in both Paris and London including the Pre Raphaelites This correspondence between three artists Joanna Boyce her brother George P Boyce and Henry Wells whom she eventually married dates from the period 1845 to 1861 They were all friends of Rossetti and the Pre Raphaelite circle but in addition Henry and Joanna both studied in Paris and Joanna wrote extensively about her time there training with Thomas Couture She wrote for The Saturday Review as well as painting a small number of very

interesting and much admired pictures Her brother George established himself as a successful watercolourist and member of the Old Watercolour Society having been encouraged both by David Cox on his Welsh sketching expeditions and by Ruskin whose letters advising him what to paint in Venice are included here Henry Wells was primarily a portrait painter At first he specialised in miniatures and was commissioned to paint Mary princess of Cambridge by Queen Victoria There are vivid accounts of visits to country houses to carry out commissions from their owners The three wrote constantly about techniques of painting and about the new colours that became available at this period and about their visits to exhibitions both in Paris and London They all contributed to the Royal Academy and other exhibitions In addition there is the extraordinary story of Joanna s and Henry s courtship and marriage at first encouraged and then viciously opposed by Joanna s recently widowed mother The correspondence survives only in an unpublished transcript made in the 1940s as the originals were all destroyed in a bombing raid on Bath during the second world war Excerpts from George P Boyce s diaries were published in the 1930s but the present edition contains a considerable amount of new material
