## **Presbyterian Missionaries In The Philippines Conduits Of Social Change 1899-1910:**

**Presbyterian Missionaries in the Philippines** Anne C. Kwantes, 1989 **Historical Dictionary of the Reformed Churches** Robert Benedetto, Donald K. McKim, 2009-10-06 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation. The Reformed churches consider themselves to be the Catholic Church reformed. The movement originated in the reform efforts of Huldrych Zwingli 1484-1531 of Zurich and John Calvin 1509-1564 of Geneva. Although the Reformed movement was dependent upon many Protestant leaders, it was Calvin's tireless work as a writer, preacher, teacher, and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew. Today the Reformed churches are a multicultural, multiethnic, and multinational phenomenon. The second edition of the *Historical Dictionary of the Reformed Churches* contains information on the major personalities, events, facts, movements, and beliefs of the Reformed churches. This is done through a list of acronyms and abbreviations, a chronology, an introductory essay, appendixes, a bibliography, and over 800 cross-referenced dictionary entries on leaders, personalities, events, facts, movements, and beliefs of the Reformed churches. **The Philippine Council of Evangelical Churches** Raymundo Go, 2019-04-30 In this historical account, Dr. Raymundo Go presents the arrival and growth of evangelicalism in the Philippines from 1898 to 2000, looking in particular at the formation of the Philippine Council of Evangelical Churches (PCEC) and the motivating factors of the founding members. Weaving together a narrative almost forgotten in the Philippines, Dr. Go also brings unique insights on the impact that North American events and theological debates had on the nascent Philippine church. Through detailed explanation of the interaction and influence of the modernist, liberal, fundamental, and evangelical movements in shaping Philippine Christian history, this study addresses the historical reason for a lack of unity in the Philippine church. Dr. Go applies Paul Hiebert's theory of bounded and centred sets to the divisions between key organizations and churches in the Philippines to analyze and understand the behaviours of the influential groups involved in shaping Protestantism in the Philippines today. This important work is not only needed to draw attention to the history of the church in the Philippines but is vital in showing the need to learn from a divided past when considering the potential for future reconciliation and unity in the body of Christ. **Historical Dictionary of the Reformed Churches** Benedetto, Guder, McKim, 1999-11-03 A historical dictionary of Reformed churches. It includes a detailed chronology followed by specific entries on the geographical regions where Reformed faith has been rooted. Other entries are devoted to outstanding figures who have nurtured and shaped it. **The Encyclopedia of the Spanish-American and Philippine-American Wars** Spencer C. Tucker, 2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power, one that had immense implications for America, especially in Latin America and Asia. ABC-CLIO, acclaimed publisher of superior references on the United States at war, revisits a pivotal moment in America's coming of age with *The Encyclopedia of the Spanish American and Philippine American Wars: A Political, Social, and Military History*.

Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world s foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America s transition from the Gilded Age to the Progressive Era

**Understanding the Iglesia Ni Cristo** Anne C. Harper, 2017-08-23 Does the Iglesia ni Cristo really teach that their building will go up in the rapture Do they use coercive methods to make sure their members give at least a tithe of their income to the church Have confrontational methods of evangelism been effective in reaching them Is there a better way The answers to these and other questions may surprise you In this groundbreaking and meticulously researched new book evangelical scholar Dr Anne Harper who with her husband George is a Manila based missionary with Action International Ministries describes the history teachings growth and development of the Iglesia ni Cristo since its founding in 1914 and explains why this group has endured for the last 100 years and why it will not likely fade away Unlike other evangelical publications Dr Harper treats the Iglesia ni Cristo with respect and kindness while being careful not to agree with or endorse their teachings Thoroughly documented yet highly readable this book will go a long way to removing the false stereotypes that many born again Christians have of this group and challenges to rethink our attitudes towards them and respond in a biblical manner From the Forward

*Philippine Studies* Priscelina Patajo-Legasto, 2008 These essays by Philippine and U S based scholars illustrate the dynamism and complexities of the discursive field of Philippine studies as a critique of vestiges of universalist Western hegemonic paradigms as an affirmation of traditional and emergent cultural practices as a site for new readings of old texts and new popular forms brought into the ambit of serious scholarship and as a liberative space for new art and literary genres

**Pacific Passage** Warren I. Cohen, 1996 A study of relations between America and East Asia on the eve of the twenty first century

**Spirit-Filled Protestantism** Luther Jeremiah Oconer, 2017-10-12 In Spirit filled Protestantism Luther Oconer shows how holiness and Pentecost themed revival meetings called culto Pentecostal helped form the development of Methodism in the Philippines He focuses on these revival meetings their theological content and the spiritual culture they helped perpetuate The resulting narrative provides a rich rendering of both male and female American Methodist missionaries their Filipino counterparts and their followers that both celebrates and critiques them Oconer also offers a unique perspective on Philippine Protestantism which has often been dismissed for being too intellectual and formal He defies the stereotype by demonstrating how culto Pentecostal revivals with their emphasis on holiness and the baptism of the Holy Spirit made Methodism the most innovative and successful of all Protestant denominations in the country prior to the Second World War Accordingly Oconer s treatment explains why

Methodism provided a fertile seedbed for the emergence of the Manila Healing Revival and consequently the rise of Pentecostalism in the Philippines in the 1950s A long awaited volume on the history of Methodism in the Philippines Spirit filled Protestantism allows us to discern why Pentecostal impulses continue to shape Filipino Methodist identity in the twenty first century *She Has Done a Beautiful Thing for Me* Anne C.
