Sanders,Carolyn Passig Jensen,Scoti Springfield Domeij,Rainbow Books,1998-10-01 **Bible Bulletin Boards** Shining Star,2000-08 The nuclear family is under siege as never before With the dramatic increase in divorce illegitimacy and single parenthood we are witnessing the voluntary breakup of the minimal family unit on a massive scale Meanwhile many people question whether marriage should be defined as a relationship between a man and a woman and some are trying to sever the idea of marriage and procreation completely Bestselling author William Bennett believes that we are engaging in a reckless and radical social experiment that unless it is firmly resisted will have calamitous consequences In this strong and vigorous but sophisticated and informed defense of the traditional nuclear family Bennett argues that we urgently need to reestablish the idea of marriage as an arrangement between a man and a woman monogamous and freely chosen a place of sexual and emotional intimacy affection and friendship Marriage should be the institution through which children are conceived and born loved and disciplined nurtured and raised And marital permanence must once again become normative a high ideal something to which people commit and strive to maintain Bennett argues that we are willfully and frivolously casting aside one of our greatest historical achievements under the illusion that we can cheerfully deconstruct the traditional family and then one day decide to pull back from the brink Having blithely tossed these precious things aside we will find that we cannot so easily summon them back Yet Bennett s book is not a jeremiad or a gloom and doom scenario but a positive affirmation of family life and an argument for why a certain traditional understanding of the family leads to greater human flourishing and happiness *Bible Crafts for All Seasons* Cook Communications Ministries,2005 Bible Crafts for All Seasons provides you with over 50 unique crafts that are flexible enough to be used with large or small groups and that require simple inexpensive supplies Plus theyoucan select the difficulty level to fit the skill level of the class Covering not only major holidays and seasons but also special days such as birthdays Grandparents Day Back to school Friendship Day and more Bible Crafts for All Seasons is sure to be a favorite resource teachers reach for again and again *Instant Bible Lessons for Preschoolers* Rosekidz,Pamela J.
