Prescription For A Fuller And Richer Life:

Prescription for a Fuller and Richer Life James G. Stockard, 1995-09-01 **Prescription for Total Health and Longevity** Jonas E. Miller, Jason Vinley, 1979 *Built Through Courage* Dave Hollis, 2021-10-26 New York Times bestselling author Dave Hollis knows what it feels like to realize you've been sailing off of someone else's map. He has taken control of his life and future and he's ready to share the lessons he learned along the way with readers who are facing similar struggles. Dave Hollis was recently confronted with the fact that he was living the life someone else wanted for him. After weathering a highly publicized personal crisis amid the backdrop of an international pandemic and navigating the enjoyable but unpredictable waters of being a single father to four kids, he has been forced to become the captain of his own life and is ready to teach others how to do the same. *Built for Courage* will help you Dive deeper into the stories, values, and beliefs you attach yourself to and decide once and for all if they have credibility or if it's time to cut bait. Incorporate fundamental habits and routines specific to you and your circumstances that will flood your daily life with consistency, flexibility, simplicity, and integrity. Identify and, if necessary, adjust your goals to ensure they are clear, don't belong to other people, and are not contingent on immediate results. Accept failure as the richest source of intelligence and help you reframe it as a requirement for your own progress and growth. And much, much more. *Built for Courage* gleams wisdom from sources vast and wide, as well as from the life experiences of Dave himself, to get you to the place you're meant to go and become who you are meant to be, regardless of any anchor holding you back. **Women Who Changed the World** Candice Goucher, 2022-01-24 This indispensable reference work provides readers with the tools to reimagine world history through the lens of women's lived experiences. Learning how women changed the world will change the ways the world looks at the past. *Women Who Changed the World: Their Lives, Challenges, and Accomplishments through History* features 200 biographies of notable women and offers readers an opportunity to explore the global past from a gendered perspective. The women featured in this four-volume set cover the full sweep of history from our ancestral forbearer Lucy to today's tennis phenoms Venus and Serena Williams. Every walk of life is represented in these pages, from powerful monarchs and politicians to talented artists and writers, from inquisitive scientists to outspoken activists. Each biography follows a standardized format, recounting the woman's life and accomplishments, discussing the challenges she faced within her particular time and place in history, and exploring the lasting legacy she left. A chronological listing of biographies makes it easy for readers to zero in on particular time periods, while a further reading list at the end of each essay serves as a gateway to further exploration and study. High-interest sidebars accompany many of the biographies, offering more nuanced glimpses into the lives of these fascinating women. **Public Administration Theory** Staci M. Zavattaro, 2024-04-30 What is theory? What do theorists do? Doctoral students and academics often engage with theory, but there is sometimes misunderstanding about what theory is, does, and explains. This book explores these questions, giving students and academics alike in public administration and management an idea of the

breadth of depth of theory use development and application The journal Administrative Theory Praxis ATP has for more than four decades explored these questions and more within its pages The aim of the volume is to demystify the word theory and the chapters in this edited volume showcase the various ways in which ATP authors have explored their own ways of using and describing administrative theory Through this volume readers will have a broad understanding of how theory shapes thinking and application in public administration and management The chapters in this book were originally published in Administrative Theory Praxis

A Grammar of Politics (Works of Harold J. Laski) Harold J. Laski, 2014-10-30 Laski's magnum opus this volume outlines the history and functions of state institutions which in the author's view are desirable for the effective functioning of a democracy Topics discussed include The necessity of government state and society rights and power liberty and equality property as a theory of industrial organisation the nature of nationalism law as a source of authority the functions of international organisations

The Tao of Asian American Belonging Hertig, Young Lee, 2019-08-29 This book expresses a quest for inclusion amid feminist womanist and mujerista discourses Hertig's yinist spirituality is a novel attempt to lift up the voices of female Asian American voices in Christian ecological theology She coined the term yinist in the 1990s to name the nameless Asian American feminism The term yin refers to the feminine energy of Taoism in contrast to the male yang This book will be a valuable resource for the academy churches and denominational leaders

The Living Wilderness, 1947 *Collected Works of Harold Laski: A grammar of politics* Harold Joseph Laski, 1997

Mirrored Reflections Young Lee Hertig, Chloe T. Sun, 2010-08-11 Have you ever felt alone facing the challenges life presents Have you ever felt like you were parachuted onto an unpredictable path of leadership with no road map Then join us *Mirrored Reflections* arose from the alienating experiences of a group of evangelical Christian women leaders known as AAWOL Asian American Women On Leadership who formed a community with the motto Never Alone Again Reflecting on how the stories of select biblical characters mirror their own stories AAWOL core sisters reframe these biblical stories through a Yinist lens and envision fresh powerful leadership principles Reflection questions at the end of each chapter guide readers to discover and articulate their own stories and imagine how their own parallel those of the biblical characters Read and be nourished finding mirrored reflections of your own broken or unvoiced story both female and male and enjoy the redemptive nature of the stories multivocality
