Presence The:

Presence in Play Cormac Power, 2008-01-01 Presence in Play A Critique of Theories of Presence in the Theatre is the first comprehensive survey and analysis of theatrical presence to be published Theatre as an art form has often been associated with notions of presence The live immediacy of the actor the unmediated unfolding of dramatic action and the energy generated through an actor audience relationship are among the ideas frequently used to explain theatrical experience and all are underpinned by some understanding of presence Precisely what is meant by presence in the theatre is part of what Presence in Play sets out to explain While this work is rooted in twentieth century theatre and performance since modernism the author draws on a range of historical and theoretical material Encompassing ideas from semiotics and phenomenology Presence in Play puts forward a framework for thinking about presence in theatre enriched by poststructuralist theory forcefully arguing in favour of presence as a key concept for theatre studies today [The Presence](#)

Alec Rowlands, 2014-08-22 Have you settled for far less of God than He wants to reveal Do you feel close to God in your everyday life or does He too often seem distant and silent Maybe like many Christians you live somewhere between those two extremes You occasionally sense God's presence but at other times feel as if He's a million miles away The wonder of closeness with God is available to you here and now In The Presence Alec Rowlands reveals the ways God makes His presence known how you can prepare for it and how experiencing it will transform everything As you draw near to God as you are consumed by His love and your life is rearranged by His grace you'll find fulfillment purpose and an unmatched sense of adventure If you're feeling a hunger for more of God you are already on your way to discovering He is good He is powerful He is here

Indigenous Education and the Metaphysics of Presence Carl Mika, 2017-03-16 Indigenous Education and the Metaphysics of Presence A worlded philosophy explores a notion of education called worldedness that sits at the core of indigenous philosophy This is the idea that any one thing is constituted by all others and is therefore educational to the extent that it is formational A suggested opposite of this indigenous philosophy is the metaphysics of presence which describes the tendency in dominant Western philosophy to privilege presence over absence This book compares these competing philosophies and argues that even though the metaphysics of presence and the formational notion of education are at odds with each other they also constitute each other from an indigenous worlded philosophical viewpoint Drawing on both Maori and Western philosophies this book demonstrates how the metaphysics of presence is both related and opposed to the indigenous notion of worldedness Mika explains that presence seeks to fragment things in the world underpins how indigenous peoples can represent things and prevents indigenous students critics and scholars from reflecting on philosophical colonisation However the metaphysics of presence from an indigenous perspective is constituted by all other things in the world and Mika argues that the indigenous student and critic can re-emphasise worldedness and destabilise presence through creative responses humour and speculative thinking This book concludes by positioning well being within

education because education comprises acts of worldedness and presence This book will be of key interest to indigenous as well as non indigenous academics researchers and postgraduate students in the fields of philosophy of education indigenous and Western philosophy political strategy and post colonial studies It will also be relevant for those who are interested in philosophies of language ontology metaphysics and knowledge The Art of Presence Arnold Stein,2022-09-23 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1977 **The People of God's Presence** Terry L. Cross,2019-10-15 In an age when the church is sometimes viewed as irrelevant and inauthentic leading Pentecostal theologian Terry Cross calls the people of God to a radical change of structure and mission based on theological principles Cross whose work is respected by scholars from across the ecumenical landscape offers an introduction to ecclesiology that demonstrates how Pentecostals can contribute to and learn from the church catholic A forthcoming volume by the author *Serving the People of God's Presence* will focus on the role of leadership in the church The Tabernacling Presence of God Susan Booth,2015-09-18 Although a large majority of believers agree that they should share their faith most report that they in fact do not That s not really all that surprising given today s pluralistic cultural setting But maybe this same culture s longing for transcendence community and a place to call home points to a backstory that makes sense of it all If such a narrative exists it deserves a hearing and those who know and live this story have both the responsibility and privilege of sharing its message of hope The narrative of the Bible tells just such a story where God s purpose from the beginning has been to dwell or tabernacle in the midst of the people he has created This book traces the theme of God s tabernacling presence across Scripture reading the story afresh through a missional lens in order to gain insights for mission and gospel witness The hope is that readers will awaken wide eyed to the wonder of God s tabernacling presence in our midst that we will live in such a way that others recognize this reality and that we will boldly and joyfully share the good news of Jesus under the direction and power of his indwelling Spirit *The Presence of Christ in the Gathered Assembly* Judith M. Kubicki,2006-11-15 Using the resources of several contemporary philosophical approaches including semiotics phenomenology personalism and existentialism the book draws attention to the forgotten or or less understood aspects of the belief in the presence of Christ in the gathered assembly and explores the implications of this belief for participating in the liturgy and living the Christian life Etty Hillesum and the Flow of Presence Meins G. S. Coetsier,2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler s regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from

a uniquely Voegelinian perspective Etty Hillesum and the Flow of Presence analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust Etty Hillesum and the Flow of Presence is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought

The Abiding Presence Mark Scarlata, 2018

With an emphasis on the nature and importance of divine presence *The Abiding Presence* provides a unique perspective on the overarching theology of Exodus drawing particular attention to God's revelation at the burning bush Sinai and the tabernacle Exploring the rich theological themes that emerge from the final form of the narrative the commentary also reflects on how these themes were employed by New Testament authors in understanding the life and ministry of Christ Bridging the gap between accessibility and scholarly rigour this commentary offers an excellent tool for ordinands students teachers in higher education and preachers to engage with the theology of the book in its Old Testament context as well as how its message is revealed in the New Testament and continues to speak today

The Presence of God R.T. Kendall, 2017-08-01

Honor glorify and love God by learning to dwell in His presence R T Kendall invites you to discover what it means to be in the presence of God In this fresh new look at God's presence Kendall explores everything from the omnipresence of God to the tangible manifestation of His presence You will discover why God might at times withhold a sense of His presence while at other times you might experience an acute sense of awe or reverence of God that drives you to your knees in prayer leads you into spontaneous worship of Him or brings about healing and other miracles Kendall teaches you how to develop a sensitivity to His presence so your love for Him and relationship with Him will deepen and grow

Federal Presence in Nigeria. The

'Sung' and 'Unsung' Basis for Ethnic Grievance Festus O. Egwaikhide, Victor A. Isumonah, Olumide S. Ayodele, 2009
 Minorities of the oil producing states are seriously disturbed by the inequity that is apparent from the existing principles of revenue allocation in Nigeria. In taking issues with them and other southern advocates of new revenue allocation criteria the dominant north's organic intellectuals have always relied on the obvious concentration of economic and commercial activities in southern Nigeria to refute the argument that the north is the greater beneficiary of Nigeria's wealth. Scholarly contribution to the ethno-regional debate on the equity of resource allocation has been anchored to the same popular platform namely the criteria for inter-governmental revenue allocation. It is as if they absolutely embody the revelation about equity or inequity of resource allocation in Nigeria where the federal government has retained between 48.5 per cent and 56 per cent of the federation account let alone revenues unpaid into this account. This study marks a departure from the orthodox focus on Nigeria's ethnic problems including the contentious demand of the southern minorities for an increase in the weight assigned the principle of derivation by examining federal expenditures to determine the distribution of federal presence and thus winners and losers bearing in mind that the entire country is federal government's coverage.

The Secret of the Abiding Presence Andrew Murray, 2017-04-11 It takes time to know God, become conscious of His presence and live in His power. Unfortunately the busyness of life often keeps us from that. Written over a period of five years, The Secret Series books contain a wealth of teaching that is based on Andrew Murray's mature and full experience in Christ. The Secret of the Abiding Presence contains one month of daily selections that focus on the need for quiet, uninterrupted communion with Him.

Right Sizing the U.S. Presence Abroad United States. Congress. House. Committee on Government Reform. Subcommittee on National Security, Veterans Affairs, and International Relations, 2003

The Presence and Work of the Holy Spirit R. A. Torrey, 2004-11-01 Do you want the Holy Spirit's presence in your life? Within these pages you will discover the importance of the presence of the Holy Spirit in the believer's life. R. A. Torrey also reveals the work of the Holy Spirit in helping to bring unbelievers into the kingdom of God and how to receive God's favor and blessings. The way the Holy Spirit imparts life to the spiritually dead. Our need to follow the Holy Spirit's guidance. How to have a personal relationship with the Holy Spirit. The biblical promises that relate to the Holy Spirit. These eternal issues and many more are covered in this in-depth examination of who the Holy Spirit is and His work in our lives. Followers of Christ as well as those searching will be permanently transformed as God's divine power flows through their hearts.

Brisbane: The Aboriginal Presence Barry Shaw, Rod Fisher, 2020-12-02 This second edition has been reviewed and expanded to include some of Australia's best qualified historians and researchers in Aboriginal history. Many of these authors continue to campaign for more research into First Nations history and the Frontier Wars. This second edition of Brisbane: The Aboriginal Presence now comprises a foreword which examines recent research in Aboriginal studies and seven instead of six papers on race relations in the Brisbane region between 1824 and 1860. It covers the convict and early settlement periods until the Separation of

Queensland from New South Wales in late 1859 The papers provide overviews of race relations during each of these periods and highlight various themes including Aboriginal occupation before European settlement The impact of European settlement Reciprocal attitudes and relations Aboriginal resistance and European repression Sexual relations between Aborigines and Europeans The role of law administration and the press Aborigines in the local economy The failure of assimilation The fate of local clans These themes are illustrated by numerous incidents and case studies including The observations of explorers missionaries and administrators Convict runaway and settler experiences Violent clashes on Stradbroke Island in 1831 32 Aboriginal hangings between 1841 and 1859 Unrest in the suburbs during the late 1840s to 1850s Squatters Governor Gipps and the Kilcoy poisonings between 1841 and 1843 The white raid on Yorks Hollow camp in 1846 The police attack on Breakfast Creek camps in 1846 These papers are based on detailed research of primary sources by experienced historians who are distinguished for the originality and calibre of their work This attractive and informative volume is for everyone interested in race relations generally and Brisbane in particular including students teachers schools libraries academics and the general reader

The Presence of Siva S. Kramrisch, 1981 One of the three great gods of Hinduism Siva is a living god The most sacred and most ancient book of India The Rg Veda evokes his presence in its hymns Vedic myths rituals and even astronomy testify to his existence from the dawn of time In a lively meditation on Siva based on original Sanskrit texts many translated here for the first time Stella Kramrisch ponders the metaphysics ontology and myths of Siva from the Vedas and the Puranas Who is Siva Who is this god whose being comprises and transcends everything From the dawn of creation the Wild God the Great Yogi the sum of all opposites has been guardian of the absolute By retelling and interweaving the many myths that keep Siva alive in India today Kramrisch reveals the paradoxes in Siva's nature and thus in the nature of consciousness itself

Presence and the Political Farhang Rajaee, 2021-01-21 This book deals with a concern of how humanity performs toward itself and how it performs within the public realm and where it must be in relation with others Public life is not solely about politics but also the political i.e. intellectual moral economic religious and collective habits including fashions and amusements artefacts histories and legacies This book argues that man's raison d'être in worldly life is to have a civil presence and create civilization It contends that what makes it possible is the coming together of presence ethos and theatre and their working in concert The first half of this book elaborates on the nuances of these three pillars and the second half offers three examples of civilizations that have succeeded to achieve this within what it claims to be three major worldviews that he calls divine immanence the divine transcendence and human immanence

Reconfiguring the American Military Presence in Europe Raymond A. Millen, 2004 The author examines America's options regarding the basing of ground troops in Europe and considers three major options available to the United States complete withdrawal annual rotations and restructuring the Alliance to accommodate a smaller U.S. presence While weighing the advantages and disadvantages of each option he does not lose sight of the ultimate objective of NATO to provide credible

land power for the full spectrum of operations He introduces a NATO 3 3 Force Structure concept that rests on a smaller NATO ground force adaptive to the capabilities and wealth of member states increases interoperability technologically and procedurally and supports the expeditionary force structure already in progress by the formal establishment of three standing combined joint task forces CJTF Additionally he recommends the adoption of nine division sized bases in Europe located at key geostrategic points for greater access to the Middle East and Africa

The Presence of God in the Christian Life

Henry H. Knight III, 1992-11-01 While the most standard treatments of John Wesley s theology focus their attention on his distinctive way of salvation they fail to provide a thorough examination of Wesley s means of grace This book offers the first detailed discussion of the means of grace as the liturgical communal and devotional context within which growth in the Christian life actually occurred Knight shows how the means of grace together form an interrelated pattern that enables a growing relationship with God

Unveiling the Magic of Words: A Report on "**Presence The**"
