*Etty Hillesum and the Flow of Presence* Meins G. S. Coetsier, 2008 Although she died cruelly at Auschwitz at the age of twenty nine Etty Hillesum left a lasting legacy of mystical thought in her letters and diaries Hillesum was a complex and powerful witness to the openness of the human spirit to the call of God even under the most harrowing circumstances Her life was as much shaped by Hitler's regime as was that of philosopher Eric Voegelin and as Meins Coetsier reveals her thought lends itself to interpretation from a uniquely Voegelinian perspective *Etty Hillesum and the Flow of Presence* analyzes the life and writings of Hillesum from the standpoint of Voegelin's views on consciousness especially his philosophy of luminous participation in the transcendent ground of being Through a careful reading of her letters and diaries Coetsier reveals the inner development of Hillesum's mystically grounded resistance to Nazism as he guides readers through the symbolism of her spiritual journey making effective use of Voegelin's analytics of experience and symbolization to trace her path to spiritual truth Intertwining the lives works and visions of these two mystical thinkers Coetsier demonstrates his mastery of both Voegelin's philosophy and Hillesum's Dutch language materials He shows how mystical attunement to the flow of presence Voegelin's designation for human responsiveness to the divine is the key to the development of Hillesum's life and writings He displays a special affinity for the suffering and grace filled transformation that she underwent as she approached the end of her life and gained insight into the ultimate purpose of each individual's contribution to the well being and maintenance of the human spirit Retrieving one of the lesser known but most compelling figures of the Holocaust *Etty Hillesum and the Flow of Presence* is an original contribution to both Voegelin and Hillesum scholarship that reflects these writers strong valuation of the human person It presents Hillesum's life and work in an original and provocative context shedding new light on her experiences and their symbolizations while further broadening the application of Voegelin's thought

**In The Presence of My Enemies** Clive Wellington Kinlock, 2017-09-05 Raised in poverty forced from his home and left to find his own way at a young age Clive Kinlock struggled to keep himself alive resorting to substance abuse to cope Realizing the streets of New York City would never allow him to leave that life behind he moved to Montana to start again There he committed a crime that sent him to prison Coerced into taking a plea agreement he ended up with a seventy year sentence This is the story of one man's journey to redemption and rehabilitation From the injustices of his early childhood to the inhumane treatment behind bars it examines the causes and realities of life in prison After years of personal struggle the authors Clive and Joy Wellington Kinlock have become powerful voices for prison reform and the benefits of community outreach programs This compelling autobiography is a call to action and a celebration of resilience in the human spirit but above all it is a story of enduring love

*The Mystical Presence of Christ* Richard Kieckhefer, 2022-09-15 *The Mystical Presence of Christ* investigates the connections between exceptional experiences of Christ's presence and ordinary devotion to Christ in the late medieval West Unsettling the notion that experiences of seeing Christ's figure or hearing Christ speak

are simply exceptional events that happen at singular moments Richard Kieckhefer reveals the entanglements between these experiences and those that occur through the imagery language and rituals of ordinary everyday devotional culture Kieckhefer begins his book by reconsidering the who and the how of Christ's mystical presence He argues that Christ's humanity and divinity were equally important preconditions for encounters both exceptional and ordinary which Kieckhefer proposes as existing on a spectrum of experience that moves from presupposition to intuition and finally to perception Kieckhefer then examines various contexts of Christ manifestations during prayer meditation and liturgy for example with attention to gender dynamics and the relationship between saintly individuals and their hagiographers Through penetrating discussions of a diverse set of texts and figures across the long fourteenth century Angela of Foligno the nuns of Helfta Margery Kempe Dorothea of Montau Meister Eckhart Henry Suso and Walter Hilton among others Kieckhefer shows that seemingly exceptional manifestations of Christ were also embedded in ordinary religious experience Wide ranging in scope and groundbreaking in methodology *The Mystical Presence of Christ* is a magisterial work that rethinks the interplay between the exceptional and the ordinary in the workings of late medieval religion *In the Presence of My Enemies* Renee Allen McCoy, 2013-11-29 Some dreams are worth the fight Kara Bentley the child prodigy from a small southern town has grown into a talented and beautiful young woman living in New York City With hopes of attending Juilliard to become a world class pianist Kara is on the fast track to winning the hearts of many especially the one of up and coming film director Wendell McGuire But will the advances of another woman steal the hopes of them ever being together Melissa Peterson serves as a strong support system and best friend to Kara She's there to offer moments of encouragement as Kara faces the evils from an oppressive home life with her guardian sister but will their friendship last when Kara uncovers a heavily guarded affair Determined to defeat all odds stacked against her Kara struggles to make it to the top Will her determination prove to be enough as unrelenting trials attempt to suffocate any hope she has of leaving the projects love for the man of her dreams and most importantly the faith she has in God **Full Body Presence** Suzanne Scurlock-Durana, 2010-07-15 Many teachers stress the importance of living in the present moment Few give the actual practices to make it attainable This book teaches you how to return to the incredible navigational system of the body and more fully inhabit each moment For over twenty five years Suzanne Scurlock Durana has masterfully taught her step by step practice of present moment awareness through her own combination of bodywork and CranioSacral therapy The practices of Full Body Presence help you find a deeper awareness in the moment even in the midst of chaos family and work demands or the pressure to perform This deeper awareness also brings a fuller sense of trust and confidence in yourself and in the world Full Body Presence is filled with concrete life friendly explorations and instruction clearly presented in both the book and the free accompanying downloadable audio files **Women in the Presence** Jody Shapiro Davie, 1995-08 A beautifully written ethnography that provides new insight into the functioning of congregations and the meaning of spirituality at the end of the twentieth century

Robert Wuthnow Princeton University      Therapeutic Presence Arthur Robbins,1998 In this text Arthur Robbins explores the interaction between patient and therapist in depth examining the concept of therapeutic presence and the therapist's ability to maintain it      **In Her Presence** Nancy Weaver,2004 The surreal gripping saga of a young desperate rich Negro mother and her children and her courageous teenage daughter in the South in the 1950s is inspired by real life events

**Emotional Presence in Psychoanalysis** John Madonna,2016-07-15 Emotional Presence in Psychoanalysis provides a detailed look at the intricacies of attaining emotional presence in psychoanalytic work John Madonna and a distinguished group of contributors draw on both the relational and modern psychoanalytic schools of thought to examine a variety of different problems commonly experienced in achieving emotional resonance between analyst and patient setting out ways in which such difficulties may be overcome in psychoanalytic treatment practical clinical settings and in training contexts A focused review of relevant comparative literature is followed by chapters featuring individual clinical case studies each illustrating particularly challenging aspects The uniqueness of this book lays not simply in the espousal of the commonly accepted importance of emotional resonance between analyst and patient rather it is in the way in which emotional presence is registered by both participants requiring a working through which at times can be not only difficult but dangerous Such efforts involve a theory which enables the lens to understanding an effective methodology which guides intervention The book also calls for the art of the analyst to construct with patients meanings which heal and possess the heart to persist in commitment despite the odds Emotional Presence in Psychoanalysis is about patients who suffer struggle resist and prevail It offers distinctive transparently told accounts of analysts who engage with patients navigating through states of confusion hatred and more controversial feelings of love Emotional Presence in Psychoanalysis features highly compelling material written in an accessible and easily understood style It will be a valuable resource for psychoanalysts and psychoanalytic psychotherapists psychologists and clinical social workers as well as teachers trainers and students seeking to understand the power and potential of the analytic process and the resistances to it      A Concordance to the Poems of Robert Browning

Leslie Nathan Broughton,Benjamin Franklin Stelter,1925      *The Presence of God* Riaan Engelbrecht,2023-01-25 King David writes in Psalm 16 11 You will show me the path of life In Your presence is fullness of joy at Your right hand are pleasures forevermore As believers of God we need to yearn seek and desire to dwell in the presence of God for in His presence we know God and in that knowing we can thrive overcome prosper and grow spiritually We need a cry of the heart that we need the presence of God daily for as believers of God we cannot truly function or be alive with His presence A life of spiritual victory is only possible in God's presence as we walk in His glory We need to cry out to God that surely we don't want to go anywhere or do anything without His presence For in His presence is life hope joy strength deliverance and healing      The Lost Art of Practicing His Presence James W. Goll,2006-01-28 The presence of God is meant to be more than just an occasional event during Sunday morning Worship you are meant to live in God's presence In The Lost Art of Practicing His

Presence James W Goll uncovers ancient and nearly forgotten keys to deeper intimacy with Christ Jesus while revealing the ease of working with Christ instead of for Him Through this book you will rediscover the lost precepts of Biblical meditation contemplative prayer and waiting on the Lord and learn how to apply them in your own life Most importantly you will gain inspiration for your own intimate walk and the courage to spread the fire His presence to everyone around you The Lost Art of Practicing His Presence also includes a modern language translation of The Practice of the Presence of God by Brother Lawrence An inspiration to James Goll this 15th century believer has inspired generations of Christians with his simple life and profound writings on the nature and presence of the Lord      God's Wider Presence Robert K. Johnston,2014-10-14 What are we to make of those occasional yet illuminating experiences of God s presence that occur outside both church and Scripture We may encounter God s revelatory presence as we experience a beautiful sunset the birth of a child or a work of art music or literature While theologians have tended to describe such experiences abstractly as mere traces or echoes those involved often recognize such moments of transcendence as transformative Here senior theologian Robert Johnston explores how Christians should think theologically about God s wider revelatory presence that is mediated outside the church through creation conscience and culture The book offers a robust constructive biblical theology of general revelation rooting its insights in the broader Trinitarian work of the Spirit Drawing in part from the author s theological engagement with film and the arts the book helps Christians understand personal moments of experiencing God s transcendence and accounts for revelatory experiences of those outside the believing community It also shows how God s revelatory presence can impact our interaction with nonbelievers and those of other faiths      The Presence of the Feminine in Film Virginia Apperson,John Beebe,2009-01-14 This pioneering book introduces a largely unremarked dimension of film the feminine which cannot be reduced to women s experience or to men s projections onto women The Presence of the Feminine in Film gives body to that often rather loosely formulated Jungian conception the feminine aspect of psyche by noticing what feminine turns out to mean in particular cinematic contexts Spanning seven decades from Pride and Prejudice Notorious and Letter from an Unknown Woman to Monsoon Wedding Brokeback Mountain and The Lives of Others the movies selected for particular study here make it clear that the feminine is at home in the movies and that when she appears it is to appeal to our sensibilities as well as to our senses This is a book that will enhance the appreciation of film as a depth psychological medium

**Presence** Michael Gurian, 2010-08-10 Whether he's conscious of it or not a man's mother is the model for just about every relationship with a woman he has for the rest of his life Sometimes it's obvious just ask his wife or girlfriend sometimes it's more subtle but when you see it it becomes crystal clear For fifteen years this book has helped men understand their mothers pervasive influence over the way they relate to women both the positive and negative aspects of it But more than that it has helped thousands of men break free of old relationship patterns Gurian gives men a wealth of practical exercises and meditations they can use to recognize their mothers influence in relationships and to establish a healthy and rewarding new basis for relationships that will benefit themselves and the women in their lives as well This new edition of the book formerly titled Mothers Sons and Lovers includes a new preface and study questions by the author **Experience the Power of His**

**Presence** T.D. Jakes, 2025-04-01 Embrace the Power of His Presence Most believers chase after God's gifts blessings and answered prayers but there lies a deeper dimension that He longs to bring you into His very Presence When it seems like your prayers are going unanswered and you feel like God isn't listening you may find yourself in a valley a dry place a test or a trial These moments can make it seem like His help is far away Yet when you discover the Power of His Presence everything changes Bishop T.D. Jakes a New York Times bestselling author and founder of The Potter's House is one of the most influential evangelicals of our time Having walked through his own valleys and trials Bishop Jakes writes not as an expert but as a fellow traveler He reveals that the secret to flourishing and thriving in every season is found in the power of God's Presence In these 40 inspirational entries you are invited to Experience God's closeness keeping you stable through every storm Draw from the unlimited refreshing of the Holy Spirit even while facing trials Stay anchored and immovable in God's Presence regardless of the storms around you Embrace God's guidance through detours into your destiny Don't let any circumstance trial or the enemy derail you from your divine destiny Once you embrace the powerful reality that God is always with you you'll be anchored in the Presence of God the One who will never leave you or forsake you **In the Presence of**

**the Past** R.T. Bienvenu, M. Feingold, 1990-12-31 The broad canvas covered by the articles in the present volume celebrates the diversity and richness of the writings of Frank Manuel during a scholarly career that spans over five decades The subjects of the articles ranging from science to utopia from theology to political thought mirror many of the themes Manuel has written about with erudition flair and uncommon perception It is only fitting that in paying tribute to such a defiant intellect each author brings to his treatment a distinct perspective and texture the result of his own original forays into the

history of ideas Yet underlying all the essays is the conviction that the study of the intersection of individuals and ideas still yields a rich harvest Presented to Frank on the occasion of his eightieth birthday In the Presence of the Past honors a teacher a friend and above all a scholar R T Bienvenu and M Feingold eds In the presence of the past vii MARTIN PERETZ Frank Manuel An Appreciation It was finally because of Frank Edward Manuel that I decided however belatedly to forgo a proper academic career Since I had not left so much as a leafscar on the tree of the scholarly culture this is not a fact which anyone else would have reason to notice It is also not I am happy to add something for which Manuel will be especially remembered

The Gift of Presence Caroline Welch, 2020-03-17 A practical user friendly guide for women seeking focus and calm in the midst of life's storms Overwhelmed by the demands of family work and multiple responsibilities many women find themselves feeling scattered and distracted In this eye opening book co founder and CEO of the Mindsight Institute Caroline Welch takes readers on a mindfulness journey to help them de stress and cultivate inner peace According to Welch you do not need countless hours sitting in silence to be more present in your life the key is to practice mindfulness wherever you are and whenever you can The Gift of Presence guides readers in developing four innate capacities we all possess that will allow us to become more resilient and centered in our lives even when life is throwing all that it has at us Presence the ability to remain firmly in the present moment to be fully aware of what's happening as it's happening Purpose the personal meaning that gets us going and gives direction to our lives Pivoting an openness to change that allows you to switch direction if that is what is needed Pacing the awareness that it is impossible to do everything we want or need to do all at once the ability to take life one step at a time This life changing book reveals that you already hold in your hands the keys to a more harmonious life you simply need to look within

**A Colourful Presence** Maryam Ghorbankarimi, 2015-10-13 This book analyzes the changes in the representation of women in Iranian cinema since the 1960s and investigates the reasons and motives for this Iranian cinema both before and after the Islamic Revolution has been closely monitored by the ruling power and has been utilized to relay messages and information that comply with the ruling ideology However it was only after the 1979 Revolution and the subsequent legitimization of cinema by the Islamic rule that cinema became widely accessible to the general public Within this context this book explores the changing roles of women in film production and their representation in films made between the 1960s and 2000s Although some aspects of women's lives became stricter after the revolution it was in the late 1980s that women took a prominent role both behind and in front of the camera for the first time It is demonstrated here that such shifts were due to several factors including factionalism within the Islamic Republic shifts in the Iranian film industry and the emergence of a group of highly educated film production teams in addition to the fuller integration of women into the film industry which is analyzed in particular detail This study explores a number of representative female centric films with a focus on their cultural social and cinematic contexts Discussing these films with respect to the representation of women it uses textual analysis as its base methodology Interviews conducted with filmmakers and people active in the industry also

serve to place the films into their historical social and political context
