Presence Of The Future The Eschatology Of Biblical Realism:

The Presence of the Future George Eldon Ladd, 1996-07-29 George Eldon Ladd's comprehensive treatment of New Testament eschatology has become the definitive discussion of the theological interpretation known as inaugurated eschatology. Reflecting profound biblical insight and a balanced treatment of conflicting views, this volume convincingly develops Ladd's thesis that the kingdom of God involves two great movements: its present fulfillment in Jesus and its future consummation in the last days. Ladd begins this revised edition, formerly titled *Jesus and the Kingdom*, by taking readers step by step through the findings of his predecessors and contemporaries on the great debate as to whether the kingdom of God promised by Jesus is now in the immediate future or in some unknown time to come. He then traces the prophetic expectation of the kingdom in the Old Testament, pursues the development of this expectation through the intertestamental literature, and against this background reconstructs the teaching and mission of Jesus. Ultimately, Ladd finds the key to understanding the kingdom in the concept of the rule of God. His interpretation of the divine reign brings together the Old Testament promise of the kingdom, its fulfillment in history, and its consummation at the end of history. Back cover

Participation and Covenant Dick Moes, 2024-03-13 In *Participation and Covenant: Contours of a Theodramatic Theology*, Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center. In doing so, he enters into conversation with covenant or federal theology, particularly as it has been presented by Michael Horton, in which the integrative center is the concept of the covenant. He argues that God's fundamental relationship with humanity does not entail a covenant ontology, a fundamentally legal and ethical relationship to God as we find in Horton's presentation, but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit. For this relationship, we were created, and this participation is therefore natural to us. Accordingly, a theodramatic framework that incorporates a reframed understanding of divine-human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology.

God and the Future Christiaan Mostert, 2002-10-15 An introduction to the theology of Wolfhart Pannenberg. Pannenberg's extensive works, especially his recently published *Systematic Theology*, are increasingly regarded as of major importance. Professor Mostert here provides not only a general introduction to Pannenberg's theology and many keys to enable the serious reader of theology to access Pannenberg's individual works, but also sets Pannenberg's complex thought in the broadest context of contemporary philosophical and theological thought.

The Risen Jesus and Future Hope Gary R. Habermas, 2003 Always be prepared, wrote the apostle Peter, to give an answer to everyone who asks you to give the reason for the hope that you have. Reading and digesting this

book will help Gary R Habermas begins his apologetic for Christianity by demonstrating the historicity of the resurrection of Christ He then connects the resurrection to several key tenets of Christian theology through paths not only historical but also philosophical counseling and experiential The resurrection Habermas shows is the central belief for every Christian whether that person believes it was an actual historical event or not But it is Habermas illustration that Jesus quite literally rose bodily from the dead that makes this book so unique The resurrection is not only the foundation for Christian belief past and present but also the basis for future hope What for instance does the resurrection of Jesus have to teach us about our own fear of death Habermas answers to this and other questions proves how essential the resurrection is to living a Christian life and gives us great hope for the future

The Kingdom of Christ Russell Moore,2004-10-18 In this scholarly work Russell D Moore relates the history leading up to the new Kingdom consensus among evangelicals from the time theologian Carl F H Henry called for it fifty years ago He examines how this consensus offers a renewed theological foundation for evangelical engagement in the social and political realms While evangelical scholars and pastors will be interested in this sharp insightful book all evangelicals interested in public policy will find it useful in discovering how this new Kingdom perspective works out in the public square

Britt Stokes,2022-06-13 From his first publication of hymns in 1707 common knowledge regarding Isaac Watts 1674 1748 often revolves around his hymn writing legacy Though Watts legacy as a hymnographer is significant he also functions as a key transitional figure between the English Puritans and the Evangelicals during eighteenth century English dissent As a pastor theologian philosopher and literary mainstay of his era Watts influence grew well beyond his early work in hymnody to impact scores of Christians on both sides of the Atlantic Watts approach to Christian spirituality is an area of his thought thats been unexplored This book provides the first ever analysis of Watts theological vision for the Christian spiritual life In emphasizing the experience of holiness and happiness Watts leans heavily upon his Reformed theological heritage to underscore how knowing and loving God are central to God s preparation of the soul for heaven

Faithful in the Meantime Barry L. Callen,2017-06-27 Barry Callen is a church theologian in the finest sense In this book he once again brings the commitments nurtured by Pietist Anabaptist and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology The result is a convincing reminder that Christian teachings about ultimate things eschatology are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful Randy L Maddox Professor of Wesleyan and Methodist Studies Duke University Divinity School In a day when fanciful end times speculations abound the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology Barry Callen is such a voice As he so forcefully declares rather than focusing on dates and times God calls us to be faithful in the meantime Stanley J Grenz Professor Emeritus of Theology Ethics Baptist Heritage

Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God What we have in eschatology are not so much secrets about the future as images of God's final purposes which are meant to impact our every action and judgment Here we have thanks to Barry Callen a responsible informed interesting and up to date account of our blessed hope Clark H Pinnock Professor Emeritus of Theology McMaster Divinity College

Theology and Economic Ethics Sean Doherty, 2014-03-27 In the wake of the economic crisis few questions are more pressing than those around the ethics of finance and economics Theology and Economic Ethics seeks to expand the self critical resources of contemporary theological economic ethics by bringing the method of a pre modern thinker Martin Luther 1483 1546 into interaction with that of a modern contribution to social ethics the Swiss theologian Arthur Rich 1910 92 The work is undertaken through a close engagement with a selected publication of Luther his 1519 20 Gro er Sermon von dem Wucher and of Rich his masterwork Wirtschaftsethik published in two volumes in 1984 and 1990 respectively It is the first substantial treatment in English of Rich's magnum opus Sean Doherty introduces Luther's sermon on usury situates it in its context then provides a commentary on this work discussing how Luther brings key theological motifs to bear on a particular economic question The study proceeds with a sketch of Arthur Rich's life and work and presents Rich's method as set out in Wirtschaftsethik Doherty illuminates Rich's understanding of ethics his approach to Scripture and his adoption of the thought of Max Weber and John Rawls Bringing insights from the study of Luther to bear in an analysis of Rich's method Doherty questions some of Rich's assumptions and notes ways in which a more self critical approach could have made his project more successful Finally the book makes tentative suggestions as to the wider applicability of these findings for a Christian approach to economic ethics

The Apocalyptic Paul Jamie Davies, 2022-05-09 The Apocalyptic Paul is rapidly becoming one of the most influential contemporary approaches to the apostle's letters and one which has generated its share of controversy. Critiques of the movement have come from all sides. Pauline specialists, scholars of Jewish and Christian apocalyptic literature and systematic theologians have all raised critical questions. Meanwhile many have found it a hard conversation to enter not least because of the contested nature of its key terms and convictions. Non-specialists can find it difficult to sift through these arguments and to become familiar with the history of this movement, its most important contemporary voices and its key claims. In the first part of this book New Testament scholar Jamie Davies offers a retrospective introduction to the conversation charting its development from the turn of the twentieth century to the present, surveying the contemporary situation. In the second part Davies explores a more prospective account of the challenges and questions that are likely to energize discussion in the future before offering some contributions to the apocalyptic reading of Paul through an interdisciplinary conversation between the fields of New Testament scholarship, Second Temple Jewish apocalypticism and Christian systematic theology.

The Kingdom Order Steven C. Mills, 2011-11 Showcases the explanations that Jesus used to reveal God's redemptive plan for humanity as it was fulfilled by His Kingdom and identifies the ways God actualizes his divine plans and purposes through the lives of the citizens of His Kingdom.

On the Resurrection, Volume 1 Gary Habermas, 2024-01-15 The first volume of Gary Habermas's magnum opus *On the Resurrection: Evidences* represents the culmination of fifty years of research on the probability of Jesus's resurrection. Using his minimal facts argument, Habermas demonstrates why we ought to trust the biblical and historical testimony of Scripture regarding the resurrection. This book is a must-read for pastors, students, and scholars interested in the historical evidence for the resurrection of Jesus Christ.

God's Insurance Moses O. Biney, 2025-07-20 God's Insurance: Divine Provision and Protection in an Uncertain World. In a world filled with uncertainty where traditional safety nets often prove inadequate, God's Insurance offers a transformative perspective on divine provision and protection. This comprehensive exploration reveals how God's covenant promises function as the ultimate insurance policy covering everything from our spiritual salvation to our daily needs, from emotional healing to eternal security. Unlike conventional insurance with its fine print exclusions and limitations, God's coverage has no hidden clauses, no pre-existing condition exclusions, and no expiration date. Through rich biblical insights and compelling real-life stories, this book unpacks twelve vital dimensions of divine care: From the Declaration Page of God's covenant promises to the Risk Assessment of His perfect knowledge, from the Premium of Faith to the Obedience Clause, from Comprehensive Coverage against fear to Provision Insurance for daily needs, from Damage Recovery when life breaks us to Salvation Assurance for eternity, each chapter builds a complete picture of divine security that transcends human limitations. But this book goes beyond theory to practice. With thoughtful application sections, reflection questions, and practical exercises, readers will discover how to Access God's promises with confidence, Trust His provision in uncertain times, Experience His peace amid anxiety, and Participate in His

restoration work Extend divine coverage to others Whether you re weathering financial hardship health challenges relationship difficulties or spiritual doubt God s Insurance reveals how to live securely in an insecure world not through denial of life s realities but through confident trust in the One whose policy never lapses and whose care never fails Did Jesus Teach Salvation by Works? Alan P. Stanley,2006-09-20 Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life *Images of Salvation in the New Testament* Brenda B. Colijn,2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn Instead it presents us with a variety of pictures taken from different perspectives Students of the New Testament and of theology will both find their vision broadened and their understanding deepened by this rich informative study As the author seeks to understand their implications for people of faith she uncovers how New Testament images provide the building blocks of the master story of redemption The Last Adam Brandon D. Crowe,2017-01-31 There is much discussion today about how we are to understand the life of Jesus in the Gospels What was Jesus doing between his birth and death and how does this relate to salvation This book corrects the Christian tendency to minimize the life of Jesus explaining why the Gospels include much more than the Passion narratives Brandon Crowe argues that Jesus is identified in the Gospels as the last Adam whose obedience recapitulates and overcomes the sin of the first Adam Crowe shows that all four Gospels present Jesus s obedient life as having saving significance The Community of Jesus Kendell H. Easley,Christopher W. Morgan,2013-09-15 A biblical historic systematic and missional theology of the church with contributions from noted academic leaders including Andreas J K stenberger David S Dockery Kendell H Easley Christopher W Morgan and several others
