Present Labor And Future Rewards The Believer His Sins Conduct And Rewards:

Jesus Christ Speaks to the Present Day Church Dr. John Thomas Wylie, 2019-11-25 This is one of the saddest pictures in all the Bible Jesus Christ is outside of the professing church pleading for entrance The strict interpretation of this passage is Behold I have taken my stand at the door and am knocking This is an activity going on today He continues knocking for sorted out Christendom is in numerous quarters energized with a same soul that characterized the husbandmen in the story of Luke 20 9 18 By and by we see where men have assumed control or taken over what rightly belongs to God A equally heart searching message is here also for the individual Christian This tender but delicate request isn't expressed in the voice of the Judge of Revelation 20 yet originates from our High Priest's heart of love for His blood bought people Jesus needs to impart the best of paradise's endowments to His own The steadiness of this love is confirmed or evidenced by the fact as we have noted previously that He continues knocking Is it accurate to say that we are among the individuals who have received salvation from Him but then have defied and rebelled surrendering our everything to Him Instead of His finding an open heart would he say he is stood up to with a closed door Having readily acknowledged discharge release from wrongdoing's sin's guilt and embraced the assurance of paradise would we say we are yet rejecting or refusing Him access to various areas of our regular day to day lives He wants to share with us glories far above anything we could ask or think but the latch is on our side of the door He won't force His benefits on any of us He promises to come in and sup with us Of this Ottman has expressed A dinner is a night supper it is the last taken before the morning breaks and the day first lights It is since a long time ago the apostle stated The night is far spent the day is at hand to sup with Christ before morning breaks is a foretaste of the coming glory of heaven The time is growing short and by keeping Him on the outside we are presently missing the best He has for us Let us make a full and happy surrender to Him We will find as John expressed in his first epistle Truly our fellowship is with the Father and with His Son Jesus Christ

Christ and the Just Society in the Thought of Augustine Robert Dodaro, 2004-11-25 Christ and the Just Society in the Thought of Augustine is a study of Augustine's political thought and ethics in relation to his theology The book examines fundamental issues in Augustine's theological and political ethics in relation to the question How did Augustine conceive the just society At the heart of the book's approach is the relationship that Augustine outlines in his City of God and other writings between Christ and those believers who acknowledge him to be the only source of the soul's virtue The book demonstrates how Augustine sees Christ's grace and the scriptures contributing to the soul's growth in virtue especially as these issues are framed by the Pelagian controversy Finally the implications which Augustine sees for Christ's mediation of virtue are examined in relation to his

Morgan,Robert A. Peterson,2014-09-30 Our culture has a lot to say about heaven But too much of it is based more on imaginative speculation or supernatural experiences than on the Bible itself In the latest addition to the Theology in Community series Christopher Morgan and Robert Peterson have assembled an interdisciplinary team of evangelical scholars to explore the doctrine of heaven from a variety of angles Among other contributors Ray Ortlund examines the concept of heaven in the Old Testament Gerald Bray explores the history of theological reflection about heaven and Ajith Fernando looks at persecuted saints special relationship to heaven in the New Testament This team of first rate scholars offers modern readers a comprehensive overview of this often misunderstood topic shedding biblical light on the eternal hope of all Christians Part of the Theology in Community series **New Testament Theology** Thomas R. Schreiner,2008-06-01 In this substantial volume Thomas Schreiner takes up the study of New Testament theology looking for the themes that emerge from a detailed reading of the whole rather than considering the individual writings separately Two themes in particular emerge The first concerns redemptive history and the kingdom of God The New Testament writers adopt the Old Testament vision of God s reign and affirm that it has come in Jesus Christ although final fulfillment is yet to come Second the ultimate goal of the kingdom is God s glory Schreiner goes on to relate these themes to the life of the believer and the community of faith Pastors and students will find this a comprehensive and illuminating survey of the unifying themes found throughout the New Testament Evangelical Dictionary of Biblical Theology Walter A. Elwell,1996 Baker Reference Library offers the finest of evangelical scholarship to both scholars and laypeople Each of the contributions is easy to understand and easy to use thanks to their one volume format These volumes serve as ideal home reference books for laity handy resources for pastors and church leaders and reliable supplemental texts for courses in Christian colleges and seminaries Political Spiritualities Ruth Marshall,2009-08-01 After an explosion of conversions to Pentecostalism over the past three decades tens of millions of Nigerians now claim that Jesus is the answer But if Jesus is the answer what is the question What led to the movement s dramatic rise and how can we make sense of its

social and political significance In this ambitiously interdisciplinary study Ruth Marshall draws on years of fieldwork and grapples with a host of important thinkers including Foucault Agamben Arendt and Benjamin to answer these questions To account for the movement s success Marshall explores how Pentecostalism presents the experience of being born again as a chance for Nigerians to realize the promises of political and religious salvation made during the colonial and postcolonial eras Her astute analysis of this religious trend sheds light on Nigeria s contemporary politics postcolonial statecraft and the everyday struggles of ordinary citizens coping with poverty corruption and inequality Pentecostalism s rise is truly global and Political Spiritualities persuasively argues that Nigeria is a key case in this phenomenon while calling for new ways of thinking about the place of religion in contemporary politics
