Presenting Unexpected Outcomes Paperback:

Zimbabwe Will Never be a Colony Again! Mararike, Munoda, 2019-06-25 This is a thought provoking original book based on a wealth of empirical case studies of how Zimbabwe experienced illegal economic sanctions It is a study of how the humanly constructed obstructions from external remittances finance flows into the country to finance embargos or total financial blockages are deliberately created by so called powerful governments to deal with an errand country The infamous Zimbabwe Democracy Economic Recovery Act of 2001 ZDERA is part of a raft of punitive measures and discourses that the USA UK and Europe used to make the economy in the words of US s Chester Crocker scream It is the same powerful countries who allow their Multinational Corporations to loot while they impose sanctions against African governments and their peoples to make them scream The book is an insightful contribution on Africa s contemporary post colonial liberation politics of development economics It focuses on Zimbabwe as a synthesis of microcosmic study that provides accessible in depth analysis of key aspects of sanctions as a weapon of control wielded by the so called powerful governments of the Global North Zimbabwe was clobbered with post independence economic sanctions after its land reform programme which benefitted its mostly colonially dispossessed African citizens The land reform was intended as a reversal of colonial injustice and a counter restitutive measure against imperialism The book invites the reader to see power differently as compassion and the capacity to right past wrongs by protecting all and sundry from inequality and poverty Sanctions even when called targeted are non discriminatory as they affect ordinary citizens with the same ferocity and savagery as against intended target albeit often missing the target Sanctions are lethal Sanctions are a graveyard for the poor weak and vulnerable This is an idea of power that the Global North failed to grasp when they decided to punish the Mugabe government for daring to contemplate justice and restitution
