Preserving Family Lands Stephen J. Small,1988 *Land Conservation Through Public/Private Partnerships* Eve Endicott,1993-05 Today rarely is a significant land acquisition accomplished without at least one private and one public sector participant This book provides a detailed inside look at those public private partnerships **The Northern Forest Lands Study of New England and New York** Stephen Cook Harper,1990 **New York-New Jersey Highlands Regional Study** Highlands Study Team,1992 **Miscellaneous Revenue Issues** United States. Congress. House. Committee on Ways and Means. Subcommittee on Select Revenue Measures,1990 *Conservation Directory* ,1991 Conservation and Façade Easements and Community Stewardship Organizations ,2005 **Stewardship Across Boundaries** Richard L. Knight,Peter Landres,2013-06-17 Every piece of land no matter how remote or untrammled has a boundary While sometimes boundary lines follow topographic or biological features more often they follow the straight lines of political dictate and compromise Administrative boundaries nearly always fragment a landscape resulting in loss of species that must disperse or migrate across borders increased likelihood of threats such as alien species or pollutants and disruption of natural processes such as fire Despite the importance and ubiquity of boundary issues remarkably little has been written on the subject Stewardship Across Boundaries fills that gap in the literature addressing the complex biological and socioeconomic impacts of both public and private land boundaries in the United States With contributions from natural resource managers historians environmentalists political scientists and legal scholars the book develops a framework for understanding administrative boundaries and their effects on the land and on human behavior examines issues related to different types of boundaries wilderness commodity recreation private public presents a series of case studies illustrating the efforts of those who have cooperated to promote stewardship across boundaries synthesizes the broad complexity of boundary related issues and offers an integrated strategy for achieving regional stewardshi Stewardship Across Boundaries should spur open discussion among students scientists managers and activists on this important topic It demonstrates how legal social and ecological conditions interact in causing boundary impacts and why those factors must be integrated to improve land management It also discusses research needs and will help facilitate critical thinking within the scientific community that could result in new strategies for managing boundaries and their impacts Preserving American Mansions and Estates William C. Shopsin,1994 Americans have come to realize that their great mansions and estates are national treasures as irreplaceable as the natural environment and requiring similar care and management **The Conservation Easement Stewardship Guide** Brenda Lind,1991 Designing Wetlands, Preservation Programs for Local Governments Jane Rubey Frost,1992 *Saving America's Countryside* Samuel N.
