Preserving Cultural Landscapes In America Centers On Contemporary Landscape Design:

Preserving Cultural Landscapes in America Arnold R. Alanen, Robert Melnick, 2000 Historic preservation efforts began with an emphasis on buildings especially those associated with significant individuals places or events Subsequent efforts were expanded to include vernacular architecture but only in recent decades have preservationists begun shifting focus to the land itself Cultural landscapes such as farms gardens and urban parks are now seen as projects worthy of the preservationist s attention

New Cultural Landscapes Maggie Roe, Ken Taylor, 2014-01-21 While historical and protected landscapes have been well studied for years the cultural significance of ordinary landscapes is now increasingly recognised This groundbreaking book discusses how contemporary cultural landscapes can be and are created and recognised The book challenges common concepts of cultural landscapes as protected or special landscapes that include significant buildings or features Using case studies from around the world it questions the usual measures of judgement related to cultural landscapes and instead focuses on landscapes that are created planned or simply evolve as a result of changing human cultures management policy and practice Each contribution analyses the geographical and human background of the landscape and policies and management strategies that impact upon it and defines the meanings of cultural landscape in its particular context Taken together they establish a new paradigm in the study of landscapes in all forms
