The Sketch ,1908 [Venus in India, or Love Adventures in Hindustan](#) Charles Devereaux,2020-09-28 The war in Afghanistan appeared to be coming to a close when I received sudden orders to proceed at

once from England to join the First Battalion of my regiment which was then serving there I had just been promoted Captain and had been married about eighteen months It pained me more than I care to express to part with my wife and baby girl but it was agreed that it would be better for all of us if their coming to India were deferred until it were certain where my regiment would be quartered on its return to the fertile plains of Hindustan from the stones and rocks of barren Afghanistan Besides it was very hot being the height of the hot weather when only those who were absolutely forced to do so went to India and it was a time of year particularly unsuitable for a delicate woman and a babe to travel in so burning a climate It was also not quite certain whether my wife would join me in India as I had the promise of a staff appointment at home but before I could enter upon that I had of necessity to join my own battalion because it was at the seat of war Thus it was annoying to have to go all the same as it was clear that the war was over and that I should be much too late to participate in any of its rewards or glories though it was quite possible I might come in for much of the hardship and experience of the sojourn for a wild and not to say rough and inhospitable country is Afghanistan besides which it was quite possible for an Afghan knife to put an end to me and that I might fall a victim to a common murder instead of dying a glorious death on the battlefield Altogether my prospects seemed by no means of a rosy color but there was nothing for it but to submit and go which I did with the best grace possible but with a very heavy heart **Shattered** Syed Abbas Rizvi, S. Rizvi, 2008-09 The Middle East has become a flash point for extremism and intrareligious violence as well as a cultural debacle of women's rights From the current derelict state of women's rights in the Arab world to the current sectarian divide in Iraq and the ongoing hatred between Shia and Sunni Muslims this book demonstrates the genesis of the collapse of the original Islam of Mohammad and the core of the split of these two sects of Islam while also looking deep within one of the most powerful struggles for women's rights the struggle led by Fatima the daughter of Mohammad that took place in the early days of the religion Shattered explores what took place during and after these events It presents a unique history of the Muslim world touching on the ramifications of Fatima's stand for Women's rights and the seeds of dissension planted at the death of Mohammad while touching on all of the crucial events from past to present that have turned horribly violent as a result of simple misinterpretations of the Quran and traditions by extremist groups such as those responsible for the horrible terrorist actions that took place on 9/11 This book will provide an in depth analysis of some crucial movements within Islam that have nurtured the hate drawn from hundreds of years of history as well as provide forward looking analysis on the concepts of freedom in Islam human rights women's rights and modernist views as well as reformist views and their place in Islam **Twenty Years on the North-West Frontier** George Batley Scott, 1906 War at the Top of the World Eric Margolis, 2004-11-23 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company Medical and Sanitary Report of the Native Army of Bengal, 1876 **Small Rocks**,
