The Joker Harry Eiss, 2016-05-11 To prepare for the role of the Joker Heath Ledger locked himself in a London hotel room trying to understand and become a character he saw as an absolute sociopath a cold blooded mass murdering clown who was not intimidated by anything and found all of life a big joke In the end Ledger's obsession with his role contributed to his own death from drugs before The Dark Knight was released The connections and irony are too close to ignore The movie gives the world a curious twist on the roles of Batman and the Joker It's politically incorrect and yet emotionally the Joker's insanity becomes more endearing than Batman's noble sacrifice What is it Why does this psychopath seem to have a sense of higher truths in his insanity This is the role of the Joker or the Fool a standard character in theatre and a role consciously adopted by serious artists since the late 1800s Just as Shakespeare's Fool in King Lear used his riddles and puns and satire to reveal the truths the royal leaders of his world could not or refused to see today's artists are both revealing the darkness within the culture and offering a way out Waiting for Godot has been proclaimed the greatest play of the twentieth century But there are no great roles in it no characters representing the equivalent of Shakespeare's Hamlet Rather the two main characters are closer to T S Eliot's J Alfred Prufrock who says he cannot be a Hamlet only perhaps Hamlet's Fool This book explores what has happened as Europe's culture fragmented and the world lost its center It explores a range of different arenas from political and social and religious happenings to scientific and artistic expressions in order to find the centers of the human condition and how the dark expressions of meaninglessness so commonly highlighted are more rites of passage than the final destination

routine lives that were anything but routine and the average citizen pilots facing horrific crash scenes naval maneuvers offsetting war meet these unsung heroes the fabric of our United States of America MARX, HITLER, COMMUNISM, NAZISM Micky Barnetti, Lin Xun, Richard Cory, Karl Marx and Adolph Hitler are always trending on the internet Their ideas are adored and repeated incessantly on social media and by the mainstream media MSM Their books were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon's better selling book titles Web searches reveal the embarrassing 2018 video Chinese President Xi Jinping delivers speech on anniversary of Marx's birth In it Xi openly drooled over the western male racist socialist China is led around by its nose tied to the same old German who influenced Hitler Is there any other country of that size that openly worships a foreigner as their great white savior Marx's larger than life posters are often paired with the outdated hammer and sickle symbol that China parroted from Soviet socialism How embarrassing America's love affair with German philosophy stretches back to the mid 1800s and farther Many Americans struggle to bring Germany's past into the present at every election MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll Two politicians in the USA Alexandria Ocasio Cortez AOC Bernie Sanders BS boastfully self identify the same as Hitler SOCIALIST Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialist According to another report 60 percent of Millennials age 24-39 support a complete change of our economic system Marx and Hitler were both anti bourgeois and advocated revolution Many Americans long for the same revolutions The ideas of the beloved Deutschland duo continue to grow in popularity Germany's two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that was the origin of Nazi salutes and Nazi behavior The Bellamys were American national socialists For more on that advance to chapter 6 on Bellamy salutes 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 8 The term Fascist never appears in Mein Kampf as a self description by Hitler 9 The term swastika never appears in the original Mein Kampf 10

There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist 12 Hitler altered his own signature to reflect his S shapes for socialism logo branding 13 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 14 Fascism came from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists 15 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler s Holocaust 16 After Hitler s death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler s Holocaust never ended Stalin replaced Hitler Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the origin of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide American youth groups Scouting adopted Bellamy s American Nazi salute with Bellamy s encouragement AND saluted swastika badges worn by fellow scouts Many Americans were accustomed to Nazi salutes for swastikas long before German socialism and Hitler Youth adopted similar behavior under Hitler That helps to explain another inconvenient truth swastikas were promoted in the US military and worn as a patch on the upper left arm of American soldiers in a fashion that would become uniform under German socialism There are extremely rare photographs in this book
