

Presidential Leadership And Civil Rights Policy

Bertis D. English

Presidential Leadership And Civil Rights Policy:

The President and Civil Rights Policy Steven Shull, 1989-04-26 The most thorough systematic and historical examination of the interrelations of the president and other participants in civil rights policymaking The President and Civil Rights Policy investigates the process from agenda setting through implementation and even reviews policy impact Emphasizing the themes of leadership and change Shull surveys the numerous policy tools available to a president committed to policy change Although historical components are reviewed the stress here is on the contemporary presidency Included is a groundbreaking detailed assessment of the Reagan administration that provides our first look at the president's role in a vital issue across the entire policymaking process Shull finds that the American president is the most prominent catalyst for most public policy programs with domestic issue areas like civil rights often allowing the greatest discretionary latitude This crucial issue functions as a barometer of presidential influence priority and action as what presidents choose to do may be largely up to them Some presidents such as Lyndon Johnson have initiated civil rights policies whereas others such as Ronald Reagan have acted to restrict government's role and have turned back the civil rights clock The main thrust here is that committed presidents lead and without leadership little change in policy occurs Various kinds of evidence from quantitative data on statements actions and results as well as memoirs and interviews are used to document the president's impact on civil rights policy More than forty tables scrutinize almost every perceivable aspect of this subject from Major Events in the Struggle for Racial Equality to Average Expenditures Outlays for Civil Rights and Characteristics of Federal District and Appellate Court Judges The volume's four major divisions present a framework for the analysis focus on the president's role in agenda setting and policy formulation delineate the roles of others and their responses to presidents statements and actions and assess presidential impact This timely and detailed study will be useful supplementary reading in graduate and advanced undergraduate courses in the presidency American government civil liberties and in public policy courses especially those using the process or content form of organization *Presidential Leadership and Civil Rights Policy* James W.

Riddlesperger, Donald Wilson Jackson, 1995-06-13 This volume from the Policy Studies Organization examines the role of presidential leadership in the development and implementation of civil rights policy in the United States Covering a broad time period the work takes a social scientific approach to the understanding of civil rights utilizing both quantitative and archival research The editors attempt to place and analyze civil rights in context as a policy arena representative of broader presidential leadership concerns and look at the development of civil rights policy since *Brown v Board of Education* from the perspectives of 1 the public 2 government institutions and 3 particular policy arenas **American Civil Rights Policy**

from Truman to Clinton Steven A. Shull, 1999 The President is the key actor in civil rights policy its advance reversal or neglect This book documents the critical role presidents have played in setting the agenda framing the terms of the debate and formulating specific policy goals with respect to civil rights By identifying the limits of presidential influence as well as

the impact of presidential leadership vis a vis the Congress and federal agencies Shull is able to compare presidents in terms of rhetoric performance and effectiveness in this most controversial policy arena Expanding upon his work in *A Kinder Gentler Racism* Shull here incorporates the Clinton years including case studies of the 1996 same sex marriage controversy and the nominations of Lani Guinier and William Lee for the Civil Rights Division of the Department of Justice

Presidential Responsiveness and Public Policy-Making Jeffrey E. Cohen, 2010-05-07 We expect a president to respond to public opinion as an elected official in a democracy Indeed the president needs public support to overcome opposition to his policies in Congress and the bureaucracy At the same time the president may want to pursue policies that do not have widespread support How does public opinion affect presidential policy making Jeffrey Cohen finds that presidents are responsive to the public in selecting issues to focus on If an issue has captured the interest of the people then the president will focus on that issue Cohen finds that having chosen to work on an issue presidents pay less attention to public opinion when making a policy The president will try to maintain control over the details of the policy so that the outcome fits his policy agenda Cohen examines the way presidents from Eisenhower through Clinton have dealt with public opinion in policy making He uses case studies of issues such as Clinton and gays in the military Bush and the extension of unemployment benefits and Kennedy and cutting the income tax to explore the relationship between presidents and public opinion In addition Cohen uses a quantitative analysis of State of the Union addresses and positions on roll call votes of presidents from Eisenhower through George Bush to test his theories This book should appeal to political scientists and historians interested in the presidency and in public opinion as well as general readers interested in the history of the American presidency Jeffrey Cohen is Professor of Political Science Fordham University *International Politics and Civil Rights Policies in the United States, 1941-1960* Azza Salama Layton, 2000-02-28 Despite the impressive volume of literature on the civil rights movement and U S race policies the connection between American foreign policy in the World War II and the postwar years and America s race policy remains largely unexplored Focusing on this gap Professor Layton s book shows that the revolutionary changes in world politics during the wake of WWII created new opportunities and pressure points for reforming U S race policies *Politics of Democratic Inclusion* Christina Wolbrecht, Rodney E. Hero, 2005-04-08 The issue of political participation has been central to American politics since the founding of the United States The Politics of Democratic Inclusion addresses the ways traditionally underrepresented groups have and have not achieved political incorporation representation and influence or democratic inclusion in American politics Each chapter provides a state of the discipline essay that addresses the politics of diversity from a range of perspectives and in a variety of institutional arenas Taken together the essays in The Politics of Democratic Inclusion evaluate and advance our understanding of the ways in which the structure processes rules and context of the American political order encourage mediate and hamper the representation and incorporation of traditionally disadvantaged groups **Hollywood Films about Schools: Where Race, Politics, and**

Education Intersect R. Chennault, 2006-03-31 What do the Hollywood school films of the 1980 s and 1990 s communicate about education and race This book looks at The Graduate Blackboard Jungle The English Patient Dead Poets Society Pulp Fiction Ghost The Wizard of Oz Top Gun and Forrest Gump to answer the question **The Development of the American Presidency** Richard Ellis, 2022-05-02 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage Richard J Ellis looks at how the presidency has evolved in relation to the public to Congress to the executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change Each chapter promotes active learning beginning with a narrative account of some illustrative puzzle that brings to life a central concept A wealth of photos figures and tables allow for the visual presentations of concepts New to the Fourth Edition Explicit and expanded attention to the role of norms in shaping and constraining presidential power with special focus on Trump s norm breaking and Biden s efforts to shore up norms Enhanced focus on the prospects for institutional reform including in the electoral college presidential relations with Congress war powers and the selection of Supreme Court justices A full reckoning with the Trump presidency and its significance for the future of American democracy presidential rhetoric the unilateral executive and the administrative state Coverage of the first year of Biden s presidency including presidential rhetoric relations with Congress and the bureaucracy use of the war powers and unilateral directives Comprehensive updating of debates about the removal power including the Supreme Court cases of Seila Law v CFPB and Collins v Yellen In depth exploration of the impact of partisan polarization on the legislative presidency and effective governance Analysis of the 2020 election and its aftermath Expanded discussion of impeachment to incorporate Trump s two impeachments Examination of presidential emergency powers with special attention to Trump s border wall declaration Review of Biden s and Trump s impact on the judiciary Assessment of Biden s and Trump s place in political time **The Politics of the Presidency** Joseph A. Pika, John Anthony Maltese, Andrew Rudalevige, 2017-07-06 Trace the opening rounds of the Trump administration highlighting the 2016 election transition inauguration and first one hundred days Never losing sight of the foundations of the office The Politics of the Presidency maintains a balance between historical context the current political environment and contemporary scholarship on the executive branch providing a solid foundation for any presidency course In addition to offering you a comprehensive framework for understanding the expectations powers and limitations of the executive branch the Revised Ninth Edition uses the most up to date coverage and analysis of the 2016 election and Trump administration to demonstrate key concepts New to the Revised Ninth Edition A new chapter dedicated

to the Trump transition and first one hundred days examines important topics such as the immigration ban and other executive orders efforts at deregulation the targeted military strikes in Syria and the war on the intelligence community and the deconstruction of the administrative state Recent congressional relations analyzed including the confirmation of Supreme Court justice Neil Gorsuch after Senate Republicans employed the nuclear option and took away the opportunity to filibuster Supreme Court nominees efforts to repeal and replace Obamacare fiscal 2017 and 2018 budget negotiations and congressional investigations of the Trump campaign s ties to Russia his firing of FBI director James Comey and the appointment of a special counsel in the matter An assessment of the public presidency reviews Trump s approval ratings communications strategies and media coverage Discussions of Trump s leadership challenges in a polarized age explain the difficulties of unifying a nation after a bitter election launching an administration and structuring the executive branch

Presidents on Political Ground Bruce Miroff, 2018-01-19 How much power does a president really have Theories and arguments abound pointlessly Bruce Miroff says if we don t understand the context in which presidents operate Borrowing from Machiavelli Miroff maps five fields of political struggle that presidents must traverse to make any headway media powerful economic interests political coalitions the high risk politics of domestic policy and the partisan politics of foreign policy The prince readying for war Machiavelli writes must learn the nature of the terrain and know how mountains slope how valleys open how plains lie and understand the nature of rivers and swamps So it is with presidents navigating the political landscape The variability of political ground and of the conflicts fought on it is a core proposition of this study The swift collapse of the Soviet Union the terrorist attacks of 9 11 and the financial crisis of 2008 recent history offers a quick lesson in fortune s role in the careers of presidents Taking a historical perspective which opens on an array of cases Miroff explores the various ways in which a president s agenda is constrained or facilitated by political conditions on the ground His book reveals how political identity is constructed and contested in the media through the ever changing presidential spectacle what happens when Democrats in the White House tangle with the titans of the economy why presidents claiming to represent the entire nation have to manage political coalitions that direct rewards to their own followers why domestic policy has become tough terrain for presidents and how partisan polarization has reshaped presidential leadership in foreign policy an area once considered beyond politics Providing a new perspective on why and how presidents succeed or fail in each of these areas this book is an indispensable resource for understanding the forces that shape presidencies and the power of a president to fight on such fraught terrain

Researching the Presidency George C. Edwards, John H. Kessel, Bert A. Rockman, 1993-02-15 This collection brings together two groups of scholars The first persons active in presidential research assess the state of the literature in the recruitment and selection of presidential candidates presidential personality advisory networks policy making evaluations of presidents and comparative analysis of chief executives A second group of scholars specialists in cognitive psychology formal theory organization theory leadership theory institutionalism and

methodology apply their expertise to the analysis of the presidency in an effort to generate innovative approaches to presidential research By taking a fresh look at a well established field these groundbreaking essays encourage scholars to renew their emphasis on explanation in research

Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt Bertis D. English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County Alabama In his fascinating in depth study Bertis D English analyzes why Perry County situated in the heart of a violence prone subregion of Alabama enjoyed more peaceful race relations and less bloodshed than several neighboring counties Choosing an atypical locality as central to his study English raises questions about factors affecting ethnic disturbances in the Black Belt and elsewhere in Alabama He also uses Perry County which he deems an anomalous county to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen clergy politicians and other leaders during Reconstruction Together with egalitarian or opportunistic white citizens they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched English also illustrates how a significant number of educational institutions a high density of African American residents and an unusually organized and informed African American population were essential factors in forming Perry County s character He likewise traces the development of religion in Perry the nineteenth century Baptist capital of Alabama and the emergence of civil rights in Perry an underemphasized center of activism during the twentieth century This well researched and comprehensive volume illuminates Perry County s history from the various perspectives of its black interracial and white inhabitants amplifying their own voices in a novel way The narrative includes rich personal details about ordinary and affluent people both free and unfree creating a distinctive resource that will be useful to scholars as well as a reference that will serve the needs of students and general readers

The Development of the American Presidency Richard J. Ellis, 2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present This developmental lens analyzing how historical turns have shaped the modern institution allows for a richer more nuanced understanding beyond the current newspaper headlines The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science with the constitutional origins and political development of the presidency its central focus Through comprehensive and in depth coverage this text looks at how the presidency has evolved in relation to the public to Congress to the Executive branch and to the law showing at every step how different aspects of the presidency have followed distinct trajectories of change All the while Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts Ellis s own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept A wealth

of photos figures and tables allow for the visual presentations of concepts A companion website not only acts as a further resources base directing students to primary documents newspapers and data sources but also presents interactive timelines and practice quizzes to help students master the book s lessons The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking **Franklin D. Roosevelt and the Transformation of the Supreme Court** Stephen K. Shaw, William D. Pederson, Michael R Williams, 2015-04-08 Franklin D Roosevelt appointed 10 justices to the U S Supreme Court more than any president except Washington and during his presidency from 1933 to 1945 the Court gained more visibility underwent greater change and made more landmark decisions than it had in its previous 150 years of existence This collection examines FDR s influence on the Supreme Court and the Court s growing influence on American life

American Politics and the African American Quest for Universal Freedom Robert C. Smith, Sherri L. Wallace, Hanes Walton, Jr., 2025-08-29 American Politics and the African American Quest for Universal Freedom is known for its lucid style student oriented approach and wide ranging perspective Designed to allow flexibility in teaching approaches this tenth edition retains all the features that made previous editions so popular All chapters have been updated with new content and the latest data available including Inclusive and affirming language throughout Enhanced discussion on Elements of Black Culture and the political significance of African American music and the Black Church Black American public opinion and the various strands of African American ideology The CROWN Act the politics of black hair and the African American celebrity impact on politics Political significance of the increasing ethnic diversity of Black communities due to immigration from Africa and the Caribbean and the latest on Black Lives Matter discussion Discussion on the first Black sorority political action committee established in the U S and advocacy organizations serving the Black LGBTQIA community Characteristics of eligible and registered Black voters the coverage of the 2024 presidential and congressional elections and the results of the congressional elections with respect to partisan control of Congress and the size of the Black congressional delegation Demographic characteristics of the members of the 118th Congress now includes sexual orientation and generational data for comparison Race policies of former President Biden reclassifying him as antiracist An alternative method of ranking presidents that brings the views of Black experts to the conversation and includes a discussion of the record number of Black political appointments and policies implemented under Biden Confirmation hearing of the first Black woman Justice Ketanji Brown Jackson appointed to the Supreme Court New material on the Voting Rights Act Affirmative Action and the Pigford cases testing institutional racism Tennessee Three highlighting racism in the rare expulsion of two Black members of the Tennessee House of Representatives and how Republican state controlled legislatures are stunting the quest for universal freedom Revisions using the Urban League s State of Black America Equality Index as a measure of material well being in the African American community to examine historic and systemic patterns in structural inequities as manifested in economics health education social justice and civic engagement Updated Textbook Media Integration Guide

featuring lecture power points chapter summaries critical thinking questions the profiles and Faces and Voices and the links to the biographical material and videos American Politics and the African American Quest for Universal Freedom continues to offer a comprehensive rigorous and accessible understanding of how the presence of African Americans in the United States has profoundly influenced and influences American politics It remains essential reading for all students of American Government Black Politics and African American Studies particularly those approaching the study of race and politics for the first time

School Desegregation and U.S. Presidents LaRuth H. Gray, 2023-06-05 The Supreme Court's *Brown v Board of Education of Topeka* Kansas decision of 1954 yielded unwavering and contentious mass resistance to dismantling the legally sanctioned dual system of public schooling in the United States Extensive literature exists that focuses on the action of the courts legislative actions of the federal government and actions of local politicians and school districts addressing the challenges posed in transitioning from a legalized racially segregated system to a nationally integrated school system *School Desegregation and US Presidents* chronicle a different look at the nation's attempt to address the landmark decision THE POWER OF THE PRESIDENCY Receiving short shrift in the literature has been the use and effect of the bully pulpit of seven Presidents providing leadership to resolve those issues related to the implementation of the mandates of *Brown* It examines how the various symbolic and political powers of each President were exercised to advance or stall progress in desegregating the country's schools Words matter In accessing the bully pulpits of each of the Presidents significant examples of their voices are provided through excerpts of their speeches press coverage and excerpts with cabinet members or other administration officials and civil rights leaders

The Encyclopedia of Civil Liberties in America David Schultz, John R. Vile, 2015-04-10 Driven by the growing reality of international terrorism the threats to civil liberties and individual rights in America are greater today than at any time since the McCarthy era in the 1950s At this critical time when individual freedoms are being weighed against the need for increased security this exhaustive three volume set provides the most detailed coverage of contemporary and historical issues relating to basic rights covered in the United States Constitution The *Encyclopedia of Civil Liberties in America* examines the history and hotly contested debates surrounding the concept and practice of civil liberties It provides detailed history of court cases events Constitutional amendments and rights personalities and themes that have had an impact on our freedoms in America The *Encyclopedia* appraises the state of civil liberties in America today and examines growing concerns over the limiting of personal freedoms for the common good Complete with selected relevant documents and a chronology of civil liberties developments and arranged in A Z format with multiple indexes for quick reference The *Encyclopedia of Civil Liberties in America* includes in depth coverage of freedom of speech religion press and assembly as outlined in the first amendment protection against unreasonable search and seizure as outlined in the fourth amendment criminal due process rights as outlined in the fifth sixth seventh and eighth amendments property rights economic liberties and other rights found within the text of the United States Constitution Supreme Court

justices presidents and other personalities focusing specifically on their contributions to or effect on civil liberties concepts themes and events related to civil liberties both practical and theoretical court cases and their impact on civil liberties

The Presidency Lori Cox Han,2021-04-07 This work provides a concise authoritative and illuminating overview of the Executive Office of the President of the United States This reference work surveys and explains all aspects of the Presidency including the Founding Fathers conception of the position the evolution of the specific powers and responsibilities residing in the Oval Office over time the relationship between the executive branch and the other two branches of the federal government and the evolution of presidential election campaigns in U S history It also discusses major historical events and controversies surrounding the Presidency and explains how the party affiliation of the president often colors White House priorities policies and attitudes of governance This book is part of ABC CLIO s Student Guides to American Government and Politics series Each volume in the series provides an accessible and authoritative introduction to a distinct component of American governmental institutions and processes and shows how it pertains to America s current political climate and the rights and responsibilities of citizenship

Bill Clinton Allan Metz,2002-03-30 Bill Clinton s administration was filled with new policies and achievements for the nation s future but those achievements were easily overshadowed by personal flaws and scandal Despite his personal problems Clinton captured the American public and served two terms as one of our more memorable presidents This comprehensive bibliography on Clinton will provide students with information from his childhood his pre presidential career presidency including assessments of it and the beginning of his post presidential life Key access points to this information are provided in the Table of Contents and detailed author and subject indexes Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events

Perspectives on Presidential Leadership Michael Patrick Cullinane,Clare Frances Elliott,2014-02-18 In 2011 Barack Obama invited ten distinguished biographers to the White House to ask them one question which past American president should I emulate This was not the first time Obama asked scholars this but the answer he received would differ as presidential legacies waxed and waned In 2008 Obama chose Lincoln in 2009 Reagan and in 2010 Theodore Roosevelt

Perspectives on Presidential Leadership is an examination of presidential legacy and in particular an analysis of the first ever UK ranking of American presidents which took place in 2011 In thirteen chapters thirteen individual presidential administrations are assessed Some presidents have been considered a success others a failure both types are featured in these thirteen case studies in a measured attempt to understand how the perception of presidential leadership evolves shifts and contorts across three centuries of American politics The case studies also derive from the expertise of the collected British Irish and Canadian authors all of whom are leading scholars in their fields and many of which took part in the 2011 survey At a time when understanding presidential legacy is in high demand this book offers a unique international perspective Through extended commentary and inter disciplinary study of the UK perspective it provides groundbreaking
