## **Presidential Transitions Eisenhower Through Reagan:**

**Presidential Transitions** Carl M. Brauer, 1986 This book examines how five newly elected nonincumbents since 1952 Eisenhower Kennedy Nixon Carter and Reagan created their administrations It lifts the curtain on a seemingly tranquil period to reveal the tumultuous events taking place behind the scenes **Presidential Transition Effectiveness Act**

United States. Congress. Senate. Committee on Governmental Affairs, 1988 **Planning Reagan's War** Francis H. Marlo, 2012 Ronald Reagan as a man of ideas *Guide to the Presidency and the Executive Branch* Michael

Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions **Space Politics and Policy** E. Sadeh, 2006-04-11 Space Politics and Policy An Evolutionary Perspective provides a comprehensive survey of Space Policy This book is organized around two themes Space Policy is evolutionary in that it has responded to dramatic political events such as the launching of Sputnik and

the Cold War and has undergone dynamic and evolutionary policy changes over the course of the space age Space Policy is an integral part of and interacts with public policy processes in the United States and abroad The book analyzes Space Policy at several levels including historical context political actors and institutions political processes and policy outcomes It examines the symbiotic relationships between policy technology and science provides a review and synthesis of the existing body of knowledge in Space Policy and identifies Space Policy trends and developments from the beginnings of the space age through the current era of the twenty first century

**The Oxford Handbook of the American Presidency** George C. Edwards, William G. Howell, 2011-08-04 With engaging new contributions from major figures in the field The Oxford Handbook of the American Presidency provides the key point of reference for anyone working in American politics today

**Powersharing** Shirley Anne Warshaw, 1996-04-25 The complex relationship between the White House staff and the presidential cabinet has changed dramatically in the last 25 years During that time the White House has emerged as the center of power in the domestic policy process leaving the departments with a diminishing role in initiating major policy proposals This book focuses on powersharing between the White House and the cabinet in the policy process and examines how and why the White House has become the dominant player relegating the departments to implementation rather than design of key initiatives Powersharing begins with an overview of the role of the modern cabinet and a discussion of the cabinet's emergence in a policy role and then in a chapter by chapter analysis of presidential administrations from Nixon through Clinton chronicles the shifting balance of power from the departments to the White House in both the design and management of the nation's major domestic programs The book concludes with an assessment of the prospects for effective powersharing between the cabinet and the White House staff

**A Companion to Gerald R. Ford and Jimmy Carter** Scott Kaufman, 2015-10-21 With 30 historiographical essays by established and rising scholars this Companion is a comprehensive picture of the presidencies and legacies of Gerald Ford and Jimmy Carter Examines important national and international events during the 1970s as well as presidential initiatives crises and legislation Discusses the biography of each man before entering the White House his legacy and work after leaving office and the lives of Betty Ford Rosalynn Carter and their families Covers key themes and issues including Watergate and the pardon of Richard Nixon the Vietnam War neoconservatism and the rise of the New Right and the Iran hostage crisis Incorporates presidential diplomatic military economic social and cultural history Uses the most recent research and newly released documents from the two Presidential Libraries and the State Department

**Leadership in the Modern Presidency** Fred I. Greenstein, 1988 In presidential election years the leadership qualities of occupants of the Oval Office become yardsticks for aspiring candidates What profile of qualities both positive and negative helps explain the performance of chief executives In this book about the White House nine eminent political scientists and historians present their assessments of the leadership styles and organizational talents of presidents from Franklin D Roosevelt to Ronald Reagan Filled with anecdote and insight this is an unprecedented

opportunity to observe how the running of the office of President has been changed subtly and not so subtly by the management and personal styles of the various incumbents within their historical contexts The book vividly depicts each president There is Roosevelt a real artist in government Truman a strong executive who always managed to appear weak Eisenhower who cultivated the image of being above the fray of politics but was actually fully occupied with getting political results Kennedy who successfully projected the symbolic grandeur of his office Johnson a figure from classical tragedy Nixon who preferred a corporate to a political mode of operation Ford who placed healing the nation's wounds from Vietnam and Watergate above his personal political future Carter whose fall was as stunning as his rise was meteoric The chapter on Reagan is an impassioned encomium of the president as a folk philosopher that is bound to be controversial These accounts of leadership by modern presidents are acute studies of how the presidency has become the first among equals in our tripartite system of government This book will be important to political scientists historians and government officials and the liveliness of its presentation and the quotidian impact of the men it describes will make it attractive to everyone interested in how we are governed and who is doing the governing

The American Presidency William G. Howell, 2023-02-21 How institutions shape the American presidency This incisive undergraduate textbook emphasizes the institutional sources of presidential power and executive governance enabling students to think more clearly and systematically about the American presidency at a time when media coverage of the White House is awash in anecdotes and personalities William Howell offers unparalleled perspective on the world's most powerful office from its original design in the Constitution to its historical growth over time its elections and transitions to governance its interactions with Congress the courts and the federal bureaucracy and its persistent efforts to shape public policy Comprehensive in scope and rooted in the latest scholarship *The American Presidency* is the perfect guide for studying the presidency at a time of acute partisan polarization and popular anxiety about the health and well being of the republic Focuses on the institutional structures that presidents must navigate the incentives and opportunities that drive them and the constraints they routinely confront Shows how legislators judges bureaucrats the media and the broader public shape the contours and limits of presidential power Encourages students to view the institutional presidency as not just an object of study but a way of thinking about executive politics Highlights the lasting effects of important historical moments on the institutional presidency Enables students to grapple with enduring themes of power rules norms and organization that undergird democracy

*The 2016 Presidential Election* Amnon Cavari, Richard J. Powell, Kenneth R. Mayer, 2017-10-04 *The 2016 Presidential Election* The Causes and Consequences of a Political Earthquake critically analyzes the 2016 presidential election The chapters in this book identify key factors behind the election of Donald J Trump explore the unconventional campaign analyze the unexpected election result evaluate the forecasting models and speculate on the effect of the election outcome on politics and governance in the Trump Administration

Organizing the Presidency Stephen Hess, James P. Pfiffner, 2020-10-20 Examining how the White House

works or doesn't before and after Trump Donald Trump has reinvented the presidency transforming it from a well-oiled if sometimes cumbersome institution into what has often seemed to be a one-man show But even Trump's unorthodox presidency requires institutional support from a constantly rotating White House staff and cabinet who have sought to carry out and sometimes resist the president's direct orders and comply with his many tweets Nonetheless the Trump White House still exhibits many features of its predecessors over the past eight decades When Franklin D Roosevelt was inaugurated the White House staff numbered fewer than fifty people and most federal departments were lightly staffed as well As the United States became a world power the staff of the Executive Office increased twentyfold and the staffing of federal agencies blossomed comparably In the fourth edition of *Organizing the Presidency* a landmark volume examining the presidency as an institution Stephen Hess and James P Pfiffner argue that the successes and failures of presidents from Roosevelt through Trump have resulted in large part from how the president deployed and used White House staffers and other top officials responsible for carrying out Oval Office policy Drawing on a wealth of analysis and insight *Organizing the Presidency* addresses best practices for managing a presidency that is itself a bureaucracy

**Eisenhower in War and Peace** Jean Edward Smith, 2013-05-07 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Christian Science Monitor St Louis Post Dispatch Magisterial The New York Times In this extraordinary volume Jean Edward Smith presents a portrait of Dwight D Eisenhower that is as full, rich and revealing as anything ever written about America's thirty-fourth president Here is Eisenhower the young dreamer charting a course from Abilene, Kansas to West Point and beyond Drawing on a wealth of untapped primary sources Smith provides new insight into Ike's maddening apprenticeship under Douglas MacArthur Then the whole panorama of World War II unfolds with Eisenhower's superlative generalship forging the Allied path to victory Smith also gives us an intriguing examination of Ike's finances, details his wartime affair with Kay Summersby and reveals the inside story of the 1952 Republican convention that catapulted him to the White House Smith's chronicle of Eisenhower's presidential years is as compelling as it is comprehensive Derided by his detractors as a somnambulant caretaker Eisenhower emerges in Smith's perceptive retelling as both a canny politician and a skillful, decisive leader He managed not only to keep the peace but also to enhance America's prestige in the Middle East and throughout the world Unmatched in insight *Eisenhower in War and Peace* at last gives us an Eisenhower for our time and for the ages NATIONAL BESTSELLER Praise for *Eisenhower in War and Peace* A fine new biography Eisenhower's White House years need a more thorough exploration than many previous biographers have given them Smith whose long distinguished career includes superb one-volume biographies of Grant and Franklin Roosevelt provides just that The Washington Post Highly readable Smith shows us that Eisenhower's ascent to the highest levels of the military establishment had much more to do with his easy mastery of politics than with any great strategic or tactical achievements The Wall Street Journal Always engrossing Smith portrays a genuinely admirable Eisenhower smart, congenial, unpretentious and no ideologue Despite competing biographies from Ambrose Perret

and D Este this is the best Publishers Weekly starred review No one has written so heroic a biography on Eisenhower as this year s Eisenhower in War and Peace by Jean Edward Smith The National Interest Dwight Eisenhower who was more cunning than he allowed his adversaries to know understood the advantage of being underestimated Jean Edward Smith demonstrates precisely how successful this stratagem was Smith America s greatest living biographer shows why now more than ever Americans should like Ike George F Will Difficult Transitions Kurt M. Campbell, James B. Steinberg, 2009-11-09 New presidents have no honeymoon when it comes to foreign policy Less than three months into his presidency for example John F Kennedy authorized the disastrous effort to overthrow Fidel Castro at the Bay of Pigs More recently George W Bush had been in office for less than eight months when he was faced with the attacks of September 11 How should an incoming president prepare for the foreign policy challenges that lie immediately ahead That s the question Kurt Campbell and James Steinberg tackle in this compelling book Drawing on their decades of government service in the corridors of Capitol Hill the intimate confines of the White House the State Department and the bare knuckles Pentagon bureaucracy Campbell and Steinberg identify the major foreign policy pitfalls that face a new presidential administration They explain clearly and concisely what it takes to get foreign policy right from the start The authors set the scene with a historical overview of presidential transitions and foreign policy including case studies of such prominent episodes as the Black Hawk Down tragedy in Somalia that shook the Clinton administration in its first year and the Bush administration s handling of the collision between a U S reconnaissance plane and a Chinese fighter jet in the spring of 2001 They pinpoint the leading causes of foreign policy fiascos including the tendency to write off the policies of the outgoing administration and the failure to appreciate the differences between campaign promises and policy realities Most important they provide a road map to help the new administration steer clear of the land mines ahead America s next president will confront critical foreign policy decisions from day one Difficult Transitions provides essential guidance for getting those choices right **Eisenhower** Geoffrey Perret, 2000-03-02 This new in depth life of Eisenhower offers fresh perspectives not only on World War II and the Korean War but also on the Cold War the civil rights movement McCarthyism the U 2 crisis and Vietnam Geoffrey Perret s Eisenhower gives us for the first time the whole man It brings together a huge amount of material much of it made available to researchers only in recent years The result is nothing less than an original authoritative and provocative portrait of Eisenhower as both soldier and president Far from being the easygoing and pliant figure often depicted by his critics Eisenhower is revealed here as a complex tough minded and highly capable man one who rose to the top of the world s most competitive profession the modern military His career as a soldier would prove to be an excellent preparation for most though not all of the major challenges he faced as America s thirty fourth president Eisenhower s letters and diaries many of them never seen by previous biographers have contributed profoundly to this groundbreaking work So too have dozens of interviews with people who knew him well These fresh sources have made it possible to resolve many intriguing questions

that have until now been matters only of speculation and rumor Did he have an affair with Kay Summersby his wartime driver Why did he have so much trouble with Field Marshal Montgomery Did the Columbia University trustees appoint him by accident as campus whispers claimed in a bungled attempt to offer the university presidency to his brother Milton Just how did he bring the Korean War to an end within months of becoming president What did he really think of Richard Nixon Geoffrey Perret the author of *Old Soldiers Never Die* The Life of Douglas MacArthur as well as *There's a War to Be Won* an acclaimed history of the United States Army in World War II is uniquely qualified to write this new life of Dwight D Eisenhower a work that is worthy of its remarkable and controversial subject Exit with Honor William E

Pemberton, 2015-03-04 Few presidents have sparked as much interest in recent years as Ronald Reagan already the subject of a large number of biographies and specialized subjects This biography based on recent research into the Reagan archives and synthesis of the large memoir literature explores the shaping of his values and beliefs during his childhood in the American heartland his leadership of the American conservative movement and his successful political career culminating in the first two term presidency since Dwight Eisenhower Pemberton finds Reagan's personal career and ability to understand and communicate with the American people admirable but finds many of the long term effects of his presidency harmful

*The Hardest Job in the World* John Dickerson, 2021-03-23 NEW YORK TIMES BESTSELLER From the veteran political journalist and 60 Minutes correspondent a deep dive into the history evolution and current state of the American presidency and how we can make the job less impossible and more productive featuring a new post 2020 election epilogue This is a great gift to our sense of the actual presidency a primer on leadership Ken Burns Imagine you have just been elected president You are now commander in chief chief executive chief diplomat chief legislator chief of party chief voice of the people first responder chief priest and world leader You're expected to fulfill your campaign promises but you're also expected to solve the urgent crises of the day What's on your to do list Where would you even start What shocks aren't you thinking about The American presidency is in trouble It has become overburdened misunderstood almost impossible to do The problems in the job unfolded before Donald Trump was elected and the challenges of governing today will confront his successors writes John Dickerson After all the founders never intended for our system of checks and balances to have one superior Chief Magistrate with Congress demoted to the little brother who can't keep up In this eye opening book John Dickerson writes about presidents in history such as Washington Lincoln FDR and Eisenhower and in contemporary times from LBJ and Reagan and Bush Obama and Trump to show how a complex job has been done and why we need to reevaluate how we view the presidency how we choose our presidents and what we expect from them once they are in office Think of the presidential campaign as a job interview Are we asking the right questions Are we looking for good campaigners or good presidents Once a candidate gets the job what can they do to thrive Drawing on research and interviews with current and former White House staffers Dickerson defines what the job of president actually entails identifies the things that only the

president can do and analyzes how presidents in history have managed the burden What qualities make for a good president Who did it well Why did Bill Clinton call the White House the crown jewel in the American penal system The presidency is a job of surprises with high stakes requiring vision management skill and an even temperament Ultimately in order to evaluate candidates properly for the job we need to adjust our expectations and be more realistic about the goals the requirements and the limitations of the office As Dickerson writes Americans need their president to succeed but the presidency is set up for failure It doesn't have to be      **The Reagan Administration** Helga Haftendorn, Jakob Schissler, 2019-08-01 To celebrate the 270th anniversary of the De Gruyter publishing house the company is providing permanent open access to 270 selected treasures from the De Gruyter Book Archive Titles will be made available to anyone anywhere at any time that might be interested The DGBA project seeks to digitize the entire backlist of titles published since 1749 to ensure that future generations have digital access to the high quality primary sources that De Gruyter has published over the centuries

**Ideologues and Presidents** Thomas S. Langston, 2017-07-05 Ideologues and Presidents argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson's White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush's administration not only did anti-statists and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues Ideologues and Presidents helps us move toward an answer to this vital question      **Prendre Le Pouvoir** Donald J. Savoie, Jacques Bourgault, Institut d'administration publique du Canada, Canadian Centre for Management Development, 1993

While this might not be the Presidential Transitions Eisenhower Through Reagan full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidential Transitions Eisenhower Through Reagan eBooks, including some popular titles.

### FAQs About Presidential Transitions Eisenhower Through Reagan Books

**What is a Presidential Transitions Eisenhower Through Reagan PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Presidential Transitions Eisenhower Through Reagan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Presidential Transitions Eisenhower Through Reagan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Presidential Transitions Eisenhower Through Reagan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Presidential Transitions Eisenhower Through Reagan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
