Judd E. Hollander

Presidents Partner:

The Presidents' Wives Robert P. Watson, 2000 Traces the development of the First Lady's role from obscurity into an influential force in politics complete with office staff and budgetary resources to rival those of key presidential advisors The author also explores the paradoxes surrounding activism in the office *The Policy Partnership* Bruce Buchanan, 2004 First published in 2004 Routledge is an imprint of Taylor Francis an informal company **The Politics of the President's Wife** MaryAnne Borrelli, 2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president's wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president's views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration's substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president's administration *President's Emergency Plan for AIDS Relief: Efforts to Align Programs with Partner Countries' HIV/AIDS Strategies and Promote Partner Country Ownership* , The President's 1978 Tax Reduction and Reform Proposals United States.
