Presidents Angel:

The President's Angel Carla Bruce, 2011-03-30 When their candidate for president dies from a massive heart attack on the eve of the party's convention the committee scrambles to find a replacement They agree that the cowboy charm of Drummond Wakefield junior senator from Wyoming is their best bet Appalled at first at the idea of becoming a replacement candidate and with only hours to make a decision Drum weighs the options and decides to go for it A major factor in his decision is the opportunity to run a campaign with no negative or derisive comments about the opposition This creates problems for the party chairman but Drum stands firm Three days after winning the election by a narrow margin he and his team fly to the family ranch in Wyoming to relax On a horseback ride to his favorite place in the mountains an angel appears to Drum and informs him that God has an important role for him to play in the restoration of godly values in America The idea of a God so vitally and personally involved in his life continually keeps Drum off balance He must deal with the puzzled reactions of his wife and others He reveals his renewed commitment to God but does not broadcast the story of the angel's visit His boldness to propose new ways to deal with old issues upsets the status quo and a blackmail attempt forces him to admit and deal with an incident from his past As the light that has entered the president's life shines brighter penetrating the darkness of people and situations around him opposition escalates and culminates with an assassination attempt The President's Angel Sophy Burnham, 2016-03-08 The angel appeared in the White House without warning no blowing of trumpets or rushing of wings It stood by the President's bed radiant white Its eyes were pools of love Its light flooded the bedroom surrounding and engulfing the President The angel faded without saying a word but its appearance forever changed the fate of the world Millions of readers have come to cherish Burnham's glorious *A Book of Angels and Angel Letters* Now in her deeply moving novel *The President's Angel* Burnham weaves the divine grace of angelic apparition into a compelling tale of politics passion a spiritual awakening and the world on the brink of annihilation Matthew Adams is the popular vital President of the United States Wars rage Drought and famine spawn violence and migrations Weapons of mass destruction tempt mad generals Fear and despair clamp a stranglehold on the spiritual life in America In a world gone mad the human race sullenly awaits its doom And then an angel appears to the President This is the story of what happens when the most powerful man on earth experiences a spiritual enlightenment His colleagues think he has gone crazy Some plan a coup Woven throughout the book are what Burnham calls commentaries the world as seen from the point of view of angels Christ or God A novel about the eternal dualities of salvation and despair joy and terror love and brutality It unfolds in a great uplifting rush of inspiration Burnham has heard the laughter of angels and fathomed the dark mysteries of the human heart In *The President's Angel* she gives a work to treasure and to muse on in our minds and hearts *The Haunting of the Presidents* Joel Martin, William J. Hell's Angels Yves Lavigne,1993 Not since Hunter Thompson s seminal Hells Angels A Strange Terrible Saga of the

Outlaw Motorcycle Gangs in 1967 has there been such a thorough account of the Angels This book documents the gang s bumpy ride from its origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties to its absurd flirtation with the hippie scene to its current status as one of the most powerful underground organisations in North America rivalling even the Mafia

Off the Bus, into a Supercar! Baybars Altuntas,2014-11-19 I did it my way So can you As the son of a teacher and a retired army officer I would never in my wildest dreams have thought that the company I started without a penny to my name would become a multi mullion dollar business Or that the president of the United States of America the land of entrepreneurs would invite me to the White House to talk about entrepreneurship or that the Turkish prime minister who leads the 16th largest economy in the world would hand me a letter to deliver in person to President Obama I couldnt have imagined that I would one day be on CNN International commenting on President Obamas Washington summit or that I would be one of the 110 Dragons from 22 countries on the most important entrepreneurship TV show in the world Dragons Den Shark Tank in the US I had no money no one to help me or back me up in the beginning but all those things really happened I wholeheartedly believe that our beautiful world is one where dreams are capable of becoming reality so long as we work towards the realization of those dreams I wish for everyone to be able to look at the world in the same optimistic way as I do to see the bigger picture in the same frame If the son of a teacher and army officer can find success then I am sure that you can too but probably much more easily I am confident that once you start reading this book you wont be able to put it down

Do Angels Smooch Professor Edward Kapambwe,2021-06-01 Do Angels Smooch Do angels smooch If not why so much obsession in lyrics movies and books about angels and kissing Are there any more surprises that Edward Kapambwe unveils in his book Well there is more For example Kapambwe takes us into an in depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before He brings out novel elements that have never been unveiled previously For example he recounts how angels visit our stores They buy the stuff they need before meeting people Haven t you noticed that no angel has ever appeared nude or with wings in real life They come already dressed just like us and that is why we have been unable to identify them We are surrounded by angels both good and evil Evil angels no longer transform themselves into humans Only good angels still do Since there are no shops in heaven where do they get the stuff they wear Besides that what happens to these apparels after being used The author asserts that angels donate them to Thrift Stores such as Goodwill the Salvation Army and others Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor Have you wondered why they do that It is a deliberate move they take so that ordinary people could buy things worn by angels That begs another question why do they do that The answer is amazing They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings This book explains that point persuasively In addition the author contends that these angels are highly disciplined entities such that they never steal anything from banks stores or

homes of rich people even though they are able to do so without being seen Angels are invisible spirits entities However they have the ability to transform themselves into regular human beings The author throws in another insight He argues and states that helping strangers gives a person the best chance to be visited by an angel The author then explains to us the probabilities of being smooched by an angel Do angels smooch That question points us in the direction of social theology than philosophy It is not a new question but the framing might be Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men With his masterful insight and knowledge of theology and philosophy the author gives a different angle of the workings of angels among us It is not a book to miss If there is one book you need to read in your lifetime Do Angels Smooch should be on top of your list

President Lincoln William Lee Miller, 2009-01-06 In his acclaimed book Lincoln s Virtues William Lee Miller explored Abraham Lincoln s intellectual and moral development Now he completes his ethical biography showing how the amiable and inexperienced backcountry politician was transformed by constitutional alchemy into an oath bound head of state Faced with a radical moral contradiction left by the nation s Founders Lincoln struggled to find a balance between the universal ideals of Equality and Liberty and the monstrous injustice of human slavery With wit and penetrating sensitivity Miller brings together the great themes that have become Lincoln s legacy preserving the United States of America while ending the odious institution that corrupted the nation s meaning and illuminates his remarkable presidential combination indomitable resolve and supreme magnanimity
