

Presidents Elections And Democracy

Adem Kassie Abebe, Elliot Bulmer

Presidents Elections And Democracy:

The Failure of Presidential Democracy Juan J. Linz, Arturo Valenzuela, 1994-02 Brings together leading scholars to examine the question of whether presidentialism or parliamentarism offers the best hope for stable government and democratic continuity This edition offers comparative perspectives (S)electing the President Michael L. Mezey, 2017-07-06 Selecting political leaders by popular election is an unquestioned hallmark of representative democracies the institutional manifestation of Lincoln s promise of a government of the people and by the people But in 2016 Lincoln s promise seems to have given way to Hamilton s nightmare with his worries that popular elections would produce demagogues who paid an obsequious court to the people appealing to their passions and prejudices rather than to their reason This book examines the commitment to the widest level of participation among the largest number of citizens in the selection of the president It looks at two salient characteristics of our current presidential election environment that bring the wisdom of this commitment into question the declining influence of political parties and the communication revolution in the form of the internet social media and cable television Ultimately Mezey asks whether our now fully democratized presidential selection process has in fact diminished the quality of our presidential candidates and the campaigns they run whether the turn to demagoguery that the founders feared has materialized what the consequences of our presidential selection process have been for American government and whether or not it would be valuable to rethink our wholehearted commitment to popular election of the president His answers do not topple our commitment to popular elections but rather point the way toward improving the quality of both participation and democracy Electing Presidents in Presidential and Semi-Presidential Democracies Adem Kassie Abebe, Elliot Bulmer, 2019-09-24 This primer discusses the constitutional rules for choosing presidents in countries where the president exercises significant governance powers This includes both a countries where presidents perform the functions of both head of state and chief executive and b countries where presidents although required to share power with a prime minister who is responsible to the legislature nevertheless have an active role in governance and more than merely formal or ceremonial powers In a democracy presidents with such powers must be chosen by a process that confers upon them a democratic mandate and legitimacy the norm being direct popular elections International IDEA s Constitution Building Primers are designed to assist in country constitution building or constitutional reform processes by helping citizens political parties civil society organizations public officials and members of constituent assemblies make informed constitutional choices They also provide guidance for staff of intergovernmental organizations and other external actors working to provide well informed context relevant support to local decision makers Each Primer is written as an introduction for non specialist readers and as a convenient aide memoire for those with prior knowledge of or experience with constitution building Arranged thematically around the practical choices faced by constitution builders the Primers aim to explain complex constitutional issues in a quick and easy way The Policy Partnership Bruce

Buchanan,2004 The central question of democratic politics comes down to the relationship between popular electoral choices and public policy if voters can't influence what government does then what is the point of democracy **The United States Presidential Election of 2020** Abdul Karim Bangura,2023-05-08 This edited volume is the first comprehensive text to provide an evidence based i.e. emphasizing the practical application of the findings of the best available current research and nonpartisan i.e. not biased especially toward any particular political group analyses of the United States Presidential Election of 2020 The contributors to this volume present evidence pertaining to polling and improbabilities the modernization of United States elections administration and the voting process voting strategy and legal wrangling the Black view and challenges to democracy The collection ends with a unifying theme predicts the probability for the 2024 Presidential Election and offers policy recommendations for future Presidential Elections *The Russian Presidential Elections* United States.

Congress. Senate. Committee on Foreign Relations. Subcommittee on European Affairs,2000 *The Making of a Southern Democracy* Tom Eamon,2014 Making of a Southern Democracy North Carolina Politics from Kerr Scott to Pat McCrory

The Presidential Election Of 2020 William Crotty,2023-04-05 The Presidential Election of 2020 Donald Trump and the Crisis of Democracy places the election of 2020 within the context of the Trump presidency a chaotic and tense time in American politics and a dangerous one The election is analyzed in depth and its meaning for the state of American society is made clear A major theme in the book is a critique of Donald Trump's leadership his incompetence in office his appeal to followers and the danger this has proven to represent Among other things he was accused of mental instability during his presidency Yet he received the second highest vote total in American history exceeded only by winning candidate Joe Biden's Trump was impeached twice for his actions in office but both times not held responsible for what he had done by a Republican controlled Senate The election is placed in an on going context It was followed by strenuous attempts by Trump and associates to have states reverse their results and declare him the winner and by the Trump organized seditious assault on the Capitol in which five people died The objective was to force Vice President Mike Pence who was chairing a Joint Session of Congress normally a formality to instead reject the Electoral College vote outcome Pence would not do it His life and that of Speaker Nancy Pelosi were threatened by the rioters The threat of a coup a new development in American politics and one led by Trump and others who share his views remains Meanwhile President Joe Biden in his efforts to reconstruct America has introduced the most ambitious policy agenda since the New Deal American Democracy in Peril William E. Hudson,2016-01-28 In this Eighth Edition of *American Democracy in Peril* author William E Hudson provides a perceptive analysis of the challenges our democracy faces in the current era economic crisis partisan gridlock rising economic inequality and continued military conflict in the Middle East and elsewhere By introducing the history of democratic theory in terms of four models of democracy he provides readers with a set of criteria against which to evaluate the challenges discussed later This provocative book offers a structured yet critical examination of the American political system designed to stimulate

students to consider how the facts they learn about American politics relate to democratic ideals Election Polls, the News Media, and Democracy Paul J. Lavrakas, Michael W. Traugott, 2000 This is an introduction to modern polling Focusing primarily on the 1996 US presidential election campaign scholars and media pollsters address such topics as political campaigns elections voting behaviour and public opinion as well as the news media's role in elections and democracy *The Politics of the Presidency* John Anthony Maltese, Andrew Rudalevige, Joseph A. Pika, 2023-12-26 Get the most up to date coverage and analysis of the presidency with this comprehensive text Never losing sight of the foundations of the office *The Politics of the Presidency* maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course Now in its Eleventh Edition Maltese Rudalevige and Pika thoroughly analyze the change and continuity in Biden's first two and a half years in office and look forward to the competitive setting for the 2024 presidential race **Democracy's Destruction? Changing Perceptions of the Supreme Court, the Presidency, and the Senate after the 2020 Election** James L. Gibson, 2024-09-30 On January 6 2021 an angry mob stormed the U S Capitol in an attempt to overturn the results of the 2020 presidential election This assault on America's democratic system was orchestrated by then President Donald Trump abetted by his political party and supported by a vocal minority of the American people Did denial of the election results and the subsequent insurrection inflict damage on American political institutions While most pundits and many scholars say yes they have offered little rigorous evidence for this assertion In *Democracy's Destruction* political scientist James L Gibson uses surveys from representative samples of the American population to provide a more informed answer to the question Focusing on the U S Supreme Court the presidency and the U S Senate Gibson reveals that how people assessed the election the insurrection and even the second Trump impeachment has little connection to their willingness to view American political institutions as legitimate Instead legitimacy is grounded in more general commitments to democratic values and support for the rule of law On most issues of institutional legitimacy those who denied the election results and supported the insurrection were not more likely to be alienated from political institutions and to consider them illegitimate Gibson also investigates whether Black people might have responded differently to the events of the 2020 election and its aftermath He finds that in comparison to the White majority Black Americans were less supportive of America's democratic institutions and of democratic values such as reverence for the rule of law because they often have directly experienced unfair treatment by legal authorities But he emphasizes that the actions of Trump and his followers are not the cause of those weaker commitments *Democracy's Destruction* offers rigorous analysis of the effect of the Trump insurrection on the state of U S democracy today While cautioning that Trump and many Republicans may be devising schemes to subvert the next presidential election more effectively the book attests to the remarkable endurance of American political institutions Institutions of American Democracy Joel D. Aberbach, Mark A. Peterson, 2005-10-27 Presents a collection of essays that provide an examination of the Executive branch in American

government explaining how the Constitution created the executive branch and discusses how the executive interacts with the other two branches of government at the federal and state level *Semi-Presidentialism and Democracy* Sophia

Moestrup,2011-02-01 Explores the effect of semi presidentialism on newly democratising countries In recent years semi presidentialism the situation where a constitution makes provision for both a directly elected president and a prime minister who is responsible to the legislature has become the regime type of choice for many countries The Coming of Democracy

Mark R. Cheatham,2018-08-01 A look at how presidential campaigning changed between 1824 to 1840 leading to a new surge in voter participation A pleasure to read Robert M Owens author of Mr Jefferson s Hammer After the corrupt bargain that awarded John Quincy Adams the presidency in 1825 American politics underwent a fundamental shift from deference to participation This changing tide eventually propelled Andrew Jackson into the White House twice But the presidential race that best demonstrated the extent of the changes was that of Martin Van Buren and war hero William Henry Harrison in 1840 Harrison s campaign was famously marked by sloganeering and spirited rallies In *The Coming of Democracy* Mark R Cheatham examines the evolution of presidential campaigning from 1824 to 1840 Addressing the roots of early republic cultural politics from campaign biographies to songs political cartoons and public correspondence between candidates and voters Cheatham asks the reader to consider why such informal political expressions increased so dramatically during the Jacksonian period What sounded and looked like mere entertainment he argues held important political meaning The extraordinary voter participation rate over 80 percent in the 1840 presidential election indicated that both substantive issues and cultural politics drew Americans into the presidential selection process Drawing on period newspapers diaries memoirs and public and private correspondence *The Coming of Democracy* is the first book length treatment to reveal how presidents and presidential candidates used both old and new forms of cultural politics to woo voters and win elections in the Jacksonian era This book winner of an award from the Phi Alpha Theta History Honor Society is excellent and thought provoking reading for anyone interested in US politics the Jacksonian antebellum era or the presidency Presidential Elections Nelson W.

Polsby,Aaron Wildavsky,Steven E. Schier,David A. Hopkins,2019-08-05 Polsby and Wildavsky s classic text argues that the institutional rules of the presidential nomination and election processes in combination with the behavior of the mass electorate structure the strategic choices faced by politicians in powerful and foreseeable ways We can make sense of the decisions made by differently situated political actors incumbents challengers Democrats Republicans consultants party official activists delegates journalists and voters by understanding the ways in which their world is organized by incentives regulations events resources customs and opportunities *The Collapse Of The Democratic Presidential Majority* David G Lawrence,2018-03-14 *The Collapse of the Democratic Presidential Majority* makes sense of the last half century of American presidential elections as part of a transition from a world in which realignment was still possible to a dealigned political universe The book combines analysis of presidential elections in the postwar world with theories of electoral change showing

how Reagan bridged the eras of re and dealignment and why Clinton was elected despite the postwar trend American electoral politics since World War II stubbornly refuse to fit the theories of political scientists The long collapse of the Democratic presidential majority does not look much like the classic realignments of the past The Republicans made no corresponding gains in sub presidential elections and never won the loyalty of a majority of the electorate in terms of party identification And yet the period shows a stability of Republican dominance quite at odds with the volatility and unpredictability central to the competing theory of dealignment The Collapse of the Democratic Presidential Majority makes sense of the last half century of American presidential elections as part of a transition from a world in which realignment was still possible to a dealigned political universe The book combines analysis of presidential elections in the postwar world with theories of electoral change showing how Reagan bridged the eras of re and dealignment and why Clinton was elected despite the postwar trend

Taiwan Murray A. Rubinstein, 2007 This is a comprehensive portrait of Taiwan It covers the major periods in the development of this small but powerful island province nation The work is designed in the style of the multi volume Cambridge History of China

Presidents, Elections, and Democracy Richard M. Pious, 1992

Democratic Transition in the Muslim World Alfred Stepan, 2018-03-13 In early 2011 widespread protests ousted dictatorial regimes in both Tunisia and Egypt Within a few years Tunisia successfully held parliamentary and presidential elections and witnessed a peaceful transition of power while the Egyptian military went on to seize power and institute authoritarian control What explains the success and failure of transitions to democracy in these two countries and how might they speak to democratic transition attempts in other Muslim majority countries Democratic Transition in the Muslim World convenes leading scholars to consider the implications of democratic success in Tunisia and failure in Egypt in comparative perspective Alongside case studies of Indonesia Senegal and India contributors analyze similarities and differences among democratizing countries with large Muslim populations considering universal challenges as well as each nation's particular obstacles A central theme is the need to understand the conditions under which it becomes possible to craft pro democratic coalitions among secularists and Islamists Essays discuss the dynamics of secularist fears of Islamist electoral success the role of secular constituencies in authoritarian regimes resilience and the prospects for moderation among both secularist and Islamist political actors They delve into topics such as the role of the army and foreign military aid Middle Eastern constitutions and the role of the Muslim Brotherhood The book also includes an essay by the founder and president of Tunisia's Ennahda Party Rachid Ghannouchi who discusses the political strategies his party chose to pursue

Presidents Elections And Democracy Introduction

Presidents Elections And Democracy Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Presidents Elections And Democracy Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Presidents Elections And Democracy : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Presidents Elections And Democracy : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Presidents Elections And Democracy Offers a diverse range of free eBooks across various genres. Presidents Elections And Democracy Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Presidents Elections And Democracy Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Presidents Elections And Democracy, especially related to Presidents Elections And Democracy, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Presidents Elections And Democracy, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Presidents Elections And Democracy books or magazines might include. Look for these in online stores or libraries. Remember that while Presidents Elections And Democracy, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Presidents Elections And Democracy eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Presidents Elections And Democracy full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Presidents Elections And Democracy eBooks, including some popular titles.

FAQs About Presidents Elections And Democracy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before

making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Presidents Elections And Democracy is one of the best book in our library for free trial. We provide copy of Presidents Elections And Democracy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Presidents Elections And Democracy. Where to download Presidents Elections And Democracy online for free? Are you looking for Presidents Elections And Democracy PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Presidents Elections And Democracy. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Presidents Elections And Democracy are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Presidents Elections And Democracy. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Presidents Elections And Democracy To get started finding Presidents Elections And Democracy, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Presidents Elections And Democracy So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Presidents Elections And Democracy. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Presidents Elections And Democracy, but end up in harmful downloads.

Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Presidents Elections And Democracy is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Presidents Elections And Democracy is universally compatible with any devices to read.
