## **Presidents Plane Is Missing:**

*The President's Plane is Missing* Robert J. Serling, 1967      **The Presidents We Imagine** Jeff Smith, 2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency's ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation's real politics      **Unable** Brian C. Kalt, 2019 Section 4 of the Twenty Fifth Amendment to the Constitution addresses presidential incapacity It is an important but widely misunderstood provision and it has never been used This book gives readers a clear accessible even handed explanation of Section 4 how it would work and how it would not work      **Why Presidents Fail** Richard M. Pious, 2008-07-25 Presidents are surrounded by political strategists and White House counsel who presumably know enough to avoid making the same mistakes as their predecessors Why then do the same kinds of presidential failures occur over and over again Why Presidents Fail answers this question by examining presidential fiascos quagmires and risky business the kind of failure that led President Kennedy to groan after the Bay of Pigs invasion How could I have been so stupid In this book Richard M Pious looks at nine cases that have become defining events in presidencies from Dwight D Eisenhower and the U 2 Flights to George W Bush and Iraqi WMDs He uses these cases to draw generalizations about presidential power authority rationality and legitimacy And he raises questions about the limits of presidential decision making many of which fly in the face of the conventional wisdom about the modern presidency      **Air Force One** Von Hardesty, 2005-09 New in Paperback In the 1940s FDR was the first airborne president flying several times in a C 54 nicknamed the Sacred Cow In the 1950s it was aircraft known as Independence Columbine II and Columbine III that transported Harry Truman and Dwight Eisenhower on occasion But it was not until after the Korean War with the United States becoming the leader of the free world that presidential air travel entered the modern age The jet age mobility of the American presidency beginning in the 1960s corresponds directly to the nation's emergence as a super power Air Force One The Aircraft that Shaped the Modern Presidency is the story of the planes the Presidents their staff and their many trips across the nation and around the globe But it's also more than that it is a vehicle for better understanding the activities and dealings of each presidential administration in the second half of the twentieth century Through vibrant photography this book communicates the story of a unique set of planes and the presidents who made them a vital national asset Now all of these planes and their famous passengers have been captured Written by Smithsonian National Air and Space Museum curator Von Hardesty and featuring over 200 illustrations including new photos of the airplane's interiors this book takes you on a memorable flight through history Through insider accounts and from a unique vantage point on well known political events Hardesty shows how the presidency was transformed by the remarkable advances in aviation technology      Five Presidents Clint Hill, Lisa McCubbin, 2017-05-02 Originally published in hardcover in 2016 by Gallery Books      *Four Scores*

*and Seven Reels Ago* Dale Sherman,2022-12-01 Since the early days of the movie industry filmmakers have created visions of what the presidency of the United States is like Several have been biographical studies of famous individuals who have served such as Lincoln Kennedy and Nixon Many movies have also displayed fictional presidents in roles big and small in dramatic tales that displayed them at their best and sometimes even at their worst *Four Scores and Seven Reels Ago* The U S Presidency through Hollywood Films examines the ways Hollywood has portrayed the presidency over the years Pop culture expert Dale Sherman examines famous presidents and their movies detailing historical information for each and how or if the filmmakers and artists came close to telling the real story But let us not forget the many imagined examples of presidents that have appeared in movies and television as well presidents have battled aliens fought monsters and have even been caught on the wrong side of the law Lincoln Thirteen Days Air Force One Independence Day All the President s Men The President s Analyst Escape from New York and several of our favorite movies about real and fictional presidents are included in *Four Scores and Seven Reels Ago*

**The Dead Saint** Marilyn Brown Oden,2010-09-01 It begins with a single gunshot and Bishop Lynn Peterson watches in horror as a good friend who is a member of the New Orleans Saints collapses on the street When a medal the player wore a medal Lynn had promised to return to the man s family disappears Lynn is thrust into a suspenseful and fast moving journey through four assassinations an attempt on her life conflicts with a mysterious and ancient society and a behind the scenes conspiracy that reaches all the way to the White House The turbulent unstoppable intrigue challenges Lynn mentally physically and spiritually as she engages in a desperate battle with an opponent who is just as determined to kill as Lynn is to stop him even though she has no idea where or who he will strike next **Rm: a**

**Biographical Novel of Ramon Magsaysay** Allyn C. Ryan,2007-11-28 World War II had left the Philippines reeling from poverty unrest and lawlessness Rampant graft and corruption characterized the government of President Elpidio Quirino The farmers in Central Luzon resentful and angry over agrarian problems swelled the ranks of the Hukbalahap a contraction of the name in the vernacular Hukbong Bayan Laban sa Hapon literally translated to National Army Fighting the Japanese They were a rag tag guerrilla force that fought the Japanese occupation in 1941 1945 At the height of the Huk power the Philippine military weak and undisciplined was unable to counter the Huk attacks throughout the country The Huks relentless drive to bring down the government in the early 1950s threatened the Philippines with a communist takeover RM is the story of an extraordinary man who faced these problems against all odds His integrity and perseverance in trying to ameliorate the plight of the downtrodden and the helpless in Philippine society cast him in the limelight As a result he was elected on November 10 1953 as the third president of the Philippines after the United States had granted independence on July 4 1946 RM was the seventh elected leader since June 12 1898 when Emilio Aguinaldo became the first leader after the Filipino revolution against Spain in 1898 and the United States in 1899 1902 RM takes the reader back to his unpretentious beginnings in Zambales where all towns face the China Sea The province was generally poor and the people predominantly

Ilocanos except for the northern and southern areas In the north lived a smattering of natives that spoke Zambal and to the south Tagalog because of the proximity to Bataan a Tagalog province RMs great grandparents were not Ilocanos however On his fathers side his great grandmother Paulina Toleido she was blonde with blue eyes was a peninsular Castilian who lived in Makati Rizal Her husband Gregorio Magsaysay an educated man worked as a clerk in an early American firm Smith Bell Co One of their sons became the father of Exequiel Ramons father On his mothers side the del Fierro families were mestizos an admixture of Spanish and native from Catbalogan Samar The Moro pirate attacks during the early part of the nineteenth century drove the del Fierro family northward where they settled in Zambales The Spanish mestizo Juan del Fierro and Maria Quimzon of Cavite became the parents of Perfecta the mother of Ramon RM was a target of several assassination attempts After Bataan and Corregidor fell April 9 and May 6 1942 the Japanese Kempei Tai secret police wanted him dead because of his guerrilla activities He worked closely with the USAFFE U S Armed Forces in the Far East and was subsequently appointed by General Charles P Hall as the military governor of Zambales Because of his sincerity in dealing with his guerrilla followers and what he did for the people during the war years everyone recognized his leadership abilities This paved the way for his entry into politics Monching as people came to call him saw and felt what poverty can do to peoples lives compounded by what politicians promised and never lived up to The shenanigans of RM and his political friends leading up to his nomination as the Nacionalista Party standard bearer could be construed by his foes as machiavellian In many ways he was an uncommon politician who drew the ire of friend and foe alike the infighting of senators and congressmen in the Philippine Congress and the paradoxical support of people who wanted the status quo to continue during his administration As Secretary of Defense under President Elpidio Quirino he fought the Huk menace on all fronts resulting in blood and tears for the people of Zambales During the Huk insurrection their assassins stalked his every move Lack of security p the PRESIDENTIAL PLANE George Laros,2020-09-28 A pictorial history of aircraft used by our presidents and of the units serving them For three decades the White House has been sprouting wings Six Presidential planes classed Official and some others too colorful to be ignored have shared an exciting part not only in history in the making but in history in motion Since 1943 Presidential conferences have often been held and decisions made miles overhead Far from routine or commonplace incidents aboard have often been frightening dramatic even humorous Recognizing that fact hundreds of hours of research and extensive tape interviews with veterans of those flights have produced this first pictorial history of those Presidential planes Because a picture really is worth a thousand words a profuse number of illustrations has been carefully selected from hundreds made available that best supplement the written record of those interesting events The Presidential Plane is educational but that won t stop you from thoroughly enjoying every page of it *Public Papers of the Presidents of the United States* United States.
