**Lingjun Ying**

## **Press Gallery Congress And The Washington Correspondents:**

*Press Gallery* Donald A. Ritchie, 2009-06-30 Donald Ritchie examines the lives of early self styled congressional journalists such as Horace Greeley Emily Briggs Benjamin Perley Poore Jane Grey Swisshelm Horace White James G Blaine and others who were positioned in the hub of government when the Civil War the purchase of Alaska the Credit Mobilier scandal and the Johnson impeachment hearings were making front page news Rich in anecdote this lively book illuminates an important era of journalism and American history The nascent issues of censorship right to privacy and conflict of interest that it describes are still very much with us **The Documentation of Congress** Society of American Archivists. Task Force on

Congressional Documentation, 1992 *Congress, the Media, and the Public* Stephen Frantzich, 2015-08-27 From the beginning of the Republic members of Congress have been in the media spotlight In recent years the expansion of media venues has provided both challenges and opportunities to Representatives and Senators the public and even the media itself Legacy media such as newspapers and broadcast television each carry with them their own needs and accepted usages affecting the kind and volume of news about Congress delivered to the public These sources still serve important roles for much of the public and are covered here This book goes beyond the traditional legacy media to include Congress portrayal on live television in political cartoons in film as a part of the emerging infotainment venues and through social media such as web pages Facebook and Twitter We increasingly live in a world where the lines between traditional news and others sources of information have been erased This is an exciting if challenging time for Congress the media and the public as each attempts to sort out the new media environment and employ it to its advantage Using a comprehensive analysis of previous research dozens of interviews and the inclusion of empirical data this book assesses the current status of the relationship between Congress and the media and sorts out the temporary changes from those likely to represent future trends Whether one is associated with Congress is an interested citizen or is part of the media industry understanding the relationships and developments between and among them is key to understanding how the public behaves in relation to Congress and vice versa Congressional Record United States. Congress, 2000 The Congressional Record is the official record of the

proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *From Cornfield to Press Gallery* Louis Ludlow, 1924 Official Congressional Directory United States.

Congress, 1949 Congress For Dummies David Silverberg, 2011-03-10 A clear direct guide into the nitty gritty workings of Congress and the way the institution really functions Congress For Dummies helps you sort out what Congress does on a daily basis and what it all means to you the citizen It shows you how to get organized make your voice heard and influence legislation that might affect you Full of helpful resources such as contact information for House and Senate offices and smart

straightforward explanations of the legislative process this book is everything you need to understand Congress and get involved in your government Whether you just want to know how government works or you want to get involved to change your country this simple guide covers all the ins and outs of Congress It s a nonpartisan look at Congress that includes forewords by Speaker of the House Dennis Hastert and Senate Minority Leader Tom Daschle Inside you ll find easy explanations and helpful tips on how to Get involved in the democratic process Influence legislation that s important to you Understa nd Congress and the media Contact your senators and representatives Check out Congress in action in person Deal with congressional staff Expert author David Silverberg Managing Editor and a columnist at the Washington weekly The Hill takes the mystery out of getting something done in Congress introducing you to the players and explaining everything from legislation and lobbying to caucuses and coalitions Written with the citizen advocate in mind this helpful guide gives regular people the tools and knowledge they need to achieve their aims Inside you ll discover How the three branches of government work together How to register your opinion with your elected officials How the legislative process works from idea to law How debates conferences and vetoes work How budgeting and appropriations work How to get the most effect from your political contributions How the lobbying process works How to advocate for legislation How to deal with congressional staffers How to make use of congressional services Getting something done in the messy confusion of democracy and bureaucracy is no easy task Full of the kind of information and knowledge that Washington insiders take for granted Congress For Dummies levels the playing field so that regular people just like you can make a difference too

**Congress of the United States** Carol S. Plessner, 2007 This new book focuses on the Congress of the United States which has evolved continuously since its founding Although critics abound both in and outside congress itself it is most certainly true that the tasks and responsibilities assigned to Congress present a challenge to an organisation which is sometimes unwieldy to say the least Information has become so ubiquitous in the age of the internet that Congress seems to struggle to keep up Congress is largely run by the permanent staff which is now in excess of 30 000 people It is pushed pulled and jerked by lobbying groups whose interests are more often than not in opposition to the best interests of the majority of the population

**Covering Congress** Everette Dennis, 2018-05-04 Observers of media government relations most often think first of conflicts with the executive branch yet interactions between Congress and the media have been extensive and varied since the first Washington correspondents began sending dispatches from the sessions of Congress In recent years the relationship between Congress and the news media has grown more complex Coverage of Congress by the print and electronic media is extensive At the same tune Congress has increasing power to make communications policy that will have an important impact on the ability of the media to conduct their affairs both economically and politically Covering Congress explores those aspects of the relationship between the media and Congress that shape the news that reaches an information seeking public The contributors consider Congress as the source of much news as well as a great deal of self promotion They note there is

neither a broad nor deep understanding of our national legislature in the United States Contributors try to remedy this shortcoming by looking at the overall picture the media scene on Capitol Hill the messages that reach beyond Washington and the history of relations between the Congress and the press They discuss such issues as the relationship Newt Gingrich has forged between his office and the media perhaps at his own peril the importance of speed over substance when reporting from Capitol Hill the unflattering image of Congress as depicted in political cartoons and the unparalleled power wielded by Speaker of the House Sam Rayburn when he dealt with the national media Congress depends on the media to reach the public but also has considerable muscle to shape its media relations when it has strong leadership and a coherent plan It usually lacks these but Congress does much to try to project a friendly face to the public through the media facilitating interviews hi Capitol Hill radio and television studios Regardless of what happens in any particular election it is clear that Congress is fully alert to the modern communications age and that the consequences of this encounter are likely to be accentuated in the years ahead Covering Congress is a necessary addition to the libraries of communications scholars media specialists political scientists historians and sociologists

**Congressional Handbook** United States. Congress. Senate. Committee on Rules and Administration,1989 **Congressional Handbook** ,1989 [American Journalism](#) W. David Sloan,Lisa Mullikin Parcell,2014-01-10 News consumers made cynical by sensationalist banners AMERICA STRIKES BACK THE TERROR OF ANTHRAX and lurid leads might be surprised to learn that in 1690 the newspaper Publick Occurrences gossiped about the sexual indiscretions of French royalty or seasoned the story of missing children by adding that barbarous Indians were lurking about before the disappearance Surprising too might be the media s steady adherence to if continual tugging at its philosophical and ethical moorings These 39 essays written and edited by the nation s leading professors of journalism cover the theory and practice of print radio and TV news reporting Politics and partisanship press and the government gender and the press corps presidential coverage war reportage technology and news gathering sensationalism each subject is treated individually Appropriate for interested lay persons students professors and reporters Instructors considering this book for use in a course may request an examination copy here [Encyclopedia of the United States Congress](#) Robert E. Dewhirst,John David Rausch,2014-05-14 Presents an A to Z reference guide to individuals events and terms of importance to the United States Congress **The U.S. Congress: A Very Short Introduction** Donald A. Ritchie,2010-07-06 Many scholars believe that the framers of the Constitution intended Congress to be the preeminent branch of government Indeed no other legislature in the world approaches its power Yet most Americans have only a murky idea of how it works In The U S Congress Donald A Ritchie a congressional historian for more than thirty years takes readers on a fascinating behind the scenes tour of Capitol Hill pointing out the key players explaining their behavior and translating parliamentary language into plain English No mere civics lesson this eye opening book provides an insider s perspective on Congress matched with a professional historian s analytical insight After a swift survey of the creation of Congress by the

constitutional convention he begins to unscrew the nuts and pull out the bolts What is it like to campaign for congress To attract large donors To enter either house with no seniority He answers these questions and more explaining committee assignments and committee work the role of staffers and lobbyists floor proceedings parliamentary rules and coalition building Ritchie explores the great effort put into constituent service as representatives and senators respond to requests from groups and individuals as well as media relations and news coverage He also explores how the grand concepts we all know from civics class checks and balances advise and consent congressional oversight work in practice in an age of strong presidents and a muscular Senate minority no matter which party is in that position In this sparkling addition to Oxford's Very Short Introduction series Donald Ritchie moves beyond the cynicism and the platitudes to provide a gem of a portrait of how Congress really works

*A Manual of Congressional Practice* Thomas Hudson McKee, 1891 [Official Congressional Directory 114th Congress, 2015-2016, Convened January 2015](#) Congress (U S ) Joint Committee on Printing, 2016-03-30 Directory includes directory information for Congress including officers committees and Congressional advisory boards commissions and other groups and legislative agencies for the Executive branch including the Executive office of the president each Cabinet agency independent agencies commissions and boards for the Judiciary for the government of the District of Columbia for selected international organizations for foreign diplomatic Offices in the United States and for the Congressional press galleries Includes also a short statistical section and Congressional district maps [The Other Side of Government](#) David Lawrence, 1929 *The Fourth Estate*, 1922 **Official Congressional Directory for the Use of the United States Congress**, 1894 **Encyclopedia of Journalism** Christopher H.
