

Press Law In South Korea

Ki-Sung Kwak

Press Law In South Korea:

Press Law in South Korea Kyu Ho Youm, 1996 This study examines the legal political and social framework of press freedom in South Korea It covers Korea s judicial system the constitution periodicals and broadcast statutes libel privacy national security access to information obscenity copyright and cable broadcasting

Media Law in South Korea Ahran Park, Minjeong Kim, Yoonmo Sang, 2021-10-21 Derived from the renowned multi volume International Encyclopaedia of Laws this analysis of media law in South Korea surveys the massively altered and enlarged legal landscape traditionally encompassed in laws pertaining to freedom of expression and regulation of communications Everywhere a shift from mass media to mass self communication has put enormous pressure on traditional law models An introduction describing the main actors and salient aspects of media markets is followed by in depth analyses of print media radio and television broadcasting the Internet commercial communications political advertising concentration in media markets and media regulation Among the topics that arise for discussion are privacy cultural policy protection of minors competition policy access to digital gateways protection of journalists sources standardization and interoperability and liability of intermediaries Relevant case law is considered throughout as are various ethical codes A clear comprehensive overview of media legislation case law and doctrine presented from the practitioner s point of view this book is a valuable time saving resource for all concerned with media and communication freedom Lawyers representing parties with interests in South Korea will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative media law

Communication, Digital Media, and Popular Culture in Korea Dal Yong Jin, Nojin Kwak, 2018-05-16 In recent decades Korean communication and media have substantially grown to become some of the most significant segments of Korean society Since the early 1990s Korea has experienced several distinctive changes in its politics economy and technology which are directly related to the development of local media and culture Korea has greatly developed several cutting edge technologies such as smartphones video games and mobile instant messengers to become the most networked society throughout the world As the Korean Wave exemplifies the once small and peripheral Korea has also created several unique local popular cultures including television programs movies and popular music known as K pop and these products have penetrated many parts of the world As Korean media and popular culture have rapidly grown the number of media scholars and topics covering these areas in academic discourses has increased These scholars interests have expanded from traditional media such as Korean journalism and cinema to several new cutting edge areas like digital technologies health communication and LGBT related issues In celebrating the Korean American Communication Association s fortieth anniversary in 2018 this book documents and historicizes the growth of growing scholarship in the realm of Korean media and communication

Media and Democratic Transition in South Korea Ki-Sung Kwak, 2012 Since South Korea achieved partial democracy in 1987 the country has moved away from authoritarian political control However after two decades of democratic transition South Korea still

does not have a strong liberal individualist culture something that has brought about a wide range of scholarly discussion on the nature of democracy practised in this dynamic country While the political changes in South Korea have received rigorous attention from Western scholars less attention has been given to the changing nature and role of media in this and other such transitions This book focuses on the changing role of media in the more democratised political landscape of South Korea It thereby contributes to debates about the emerging role of the media in democratic transition especially in relation to approaches that go beyond traditional Western constructs of media freedom and the relationship between the state and the media In addition it discusses the complex interacting forces that affect the role of the media and their implications for state control and democratisation

Media and Politics in South Korea, 1960-2022 Ki-Sung Kwak, 2024-04-16 This book examines the constantly changing nature of the relationship between the state and the media within South Korea's political landscape It traces developments as South Korea became gradually more democratic in the decades after 1960 and goes on to consider more recent developments which include democratic erosion and the deepening political division and their effects on the media including the paralleling of this deepening political division within the media itself It explores the issues that have affected the relationship between the media and the political power assesses the impact of new developments in media and communication technologies and concludes by discussing how the legacy of authoritarianism has affected political reporting and the press party relationship

Korean Communication, Media, and Culture Kyu Ho Youm, Nojin Kwak, 2018-08-31 Korean Communication Media and Culture is a bibliography of English language publications for non Korean speaking academics researchers and professionals In addition to the actual annotations of all the major books book chapters journal articles and theses dissertations each chapter includes contextual introductory commentary on its topic The authors not only historicize their findings but they also prescribe the direction that English language research on Korean communication should take

Global Perspectives on Press Regulation, Volume 2 Paul Wragg, András Koltay, 2024-02-22 In this ground breaking two volume set world leading experts produce a rich authoritative depiction of the world's press its freedom and its limits We want press freedom but we also want freedom from the press A powerful press may expose corrupt government or aid it It may champion citizens or unfairly attack them A vulnerable press may lack supporters and succumb to conformity It may resist and overcome tyranny According to common belief press freedom involves social responsibilities to equip public debate and render government transparent Is this attitude valid given that the press is usually a private commercial actor Globally the health authority and viability of the press varies dramatically These patterns do not conform to traditional divisions between North and South East and West Instead they are much more complex How do we measure successful press regulation What concessions can the state and or society demand of the press What constitutes the irreducible core of press freedom The contributions in Volume 1 look at key jurisdictions in Europe whereas Volume 2 goes beyond Europe to analyse the situation in key jurisdictions in Asia Africa the Americas and Oceania Each volume can be used independently or as part

of the complete set This work will be incredibly valuable to policy makers and academics who seek to capture the global picture for the purposes of effecting change *The Transformation of South Korea* Robert Bedeski,2002-11-01 South Korea underwent rapid economic development under a semi military virulently anti communist government which banned trade unions and kept close checks on the economy President Roe Tae Woo has however since 1987 introduced electoral and social reforms Strikes and wage rises have followed leading to a loss of competitive edge and the growth of opposition parties has resulted in political stalemate Robert E Bedeski provides a thorough analysis of the institutions of government in South Korea and how they have been transformed by the introduction of political pluralism and of the attempt to liberalize without undermining economic success He also examines the new political parties and their role within the framework of the South Korean political system as well as their social context State reforms are compared with developments in Taiwan the Phillipines North Korea China and the former Soviet Union The major themes of state building an deconomic development are thoroughly explored The author also deals with South Korea s international environment and changing foreign policy

Self-Censorship and the Struggle for Press Freedom in Hong Kong Anne Cheung,2021-11-01 Ever since it was first known that Hong Kong would become China s Special Administrative Region there has been growing concern over the protection of the freedom of the press in this oriental city The anxiety is however not confined to the fear that the new sovereign might rule Hong Kong under an iron fist Rather many believe that the locals are apparently surrendering their freedom by practicing self censorship a mechanism of anticipatory avoidance of sanctions This book asks what does self censorship mean to Hong Kong at the time of political and historical juncture It argues that self censorship is a strategic game of coordination when both the ruler and the subjects are making use of the fluid boundaries in local and international politics Rich in anecdotes historical details and legal analysis this book depicts the game of Chuin shadow boxing where promises threats and bluffs are exchanged Winning for either side calls for the skilful manipulation of voice and silence at all levels **Politics in North and South Korea** Yangmo Ku,Inyeop Lee,Jongseok Woo,2017-12-06 Politics in North and South Korea provides students with a comprehensive understanding of the political dynamics of the two Koreas Giving equal weight to North and South Korea the authors trace the history of political and economic development and international relations of the Korean peninsula showing how South Korea became democratized and how Juche ideology has affected the establishment and operation of a totalitarian system in North Korea Written in a straightforward jargon free manner this textbook utilizes both historical institutional approaches and quantitative evidence to analyse the political dimensions of a wide variety of issues including Legacies of early twentieth century Japanese colonial rule South Korean democratization and democratic consolidation South Korean diplomacy and North Korean nuclear crises The economic development of both North and South Korea The three generation power succession in North Korea North Korean human rights issues Inter Korean relations and reunification This textbook will be essential reading for students of Korean Politics and is also suitable for

undergraduate and postgraduate courses on East Asian Politics Asian Studies and International Relations Historical Dictionary of the Republic of Korea James E. Hoare, 2015-06-09 This third edition of Historical Dictionary of the Republic of Korea covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture

Secrecy and Liberty: National Security, Freedom of Expression and Access to Information Joan

Fitzpatrick, Piotr Hoffman, Sandra Coliver, Stephen Bowen, 2021-09-27 The tension between national security and freedom of expression and information is both acute and multifaceted Without national security basic human rights are always at risk On the other hand the tendency of governing elites to confuse the life of the nation with their own survival has often resulted in excessive restrictions on expression and information as well as other fundamental rights A proper balance between secrecy and liberty requires a vigilant press and an independent judiciary It also requires greater clarity than currently exists as to how competing rights and interests should be weighed This book addresses that gap Its centerpiece is a set of Principles drafted by a group of international and national law experts many of whom contributed chapters to guide governments courts and international bodies in how to strike a proper balance The Principles have been widely endorsed among others by United Nations experts on freedom of expression and independence of judges and lawyers Sixteen country studies profiling among other states Albania Chile China Egypt France Germany India Israel Japan Norway South Africa South Korea Turkey the United Kingdom the United States and the Federal Republic of Yugoslavia explore the tremendous diversity of national security doctrines and the penal and other measures aimed at suppressing allegedly secret information and speech claimed to be subversive separatist or otherwise dangerous Five chapters examine the cases considered and approaches taken by the UN Human Rights Committee three regional human rights bodies and the European Court of Justice A Commentary draws on the other chapters to support and elucidate the Principles noting where they reflect an existing consensus and the points at which they attempt to elicit a more rights protective approach *Korean Attitudes Toward the United States* David I.

Steinberg, 2015-05-11 This is the first book length work in English dealing with the crucial and troubled relationship between Korea and the United States Leading scholars in the field examine the various historical political cultural and psychological aspects of Korean American relations in the context of American global and East Asian relationships especially with Japan

Media Law and Ethics Roy L. Moore, Michael D. Murray, 2012-03-27 This is the first textbook to explicitly integrate both media law and ethics within one volume A truly comprehensive overview it is a thoughtful introduction to media law principles and cases and the related ethical concerns relevant to the practice of professional communication With special attention made to key cases and practices authors Roy L Moore and Michael D Murray revisit the most timely and incendiary issues in modern American media Exploring where the law ends and ethics begin each chapter includes a discussion of the ethical dimensions of a specific legal topic The Fourth Edition includes new legal cases and emerging issues in media law and

ethics as well as revised subject and case indices In addition to a separate chapter devoted exclusively to media ethics by Michael Farrell a new chapter on international and foreign law by Dr Kyu Ho Youm has also been added Resources on the companion website include updated PowerPoint presentations and a sample syllabus for instructors and a glossary chapter review questions chapter quizzes and all seven of the book s original appendices for students An excellent integration of both law and ethics this is the ideal text for undergraduate and graduate courses in media law and ethics *Digital Technology and Communication Policy in Korea* Chang Yong Son,2024-08-22 *Digital Technology and Communication Policy in Korea* From Infrastructure to Artificial Intelligence explores the overlap of politics policy and digital development in Korea Despite attention to digital development and its socio economic effects across the nation more research must be devoted to studying how Korean communication policymakers and authorities have coped with innovative technologies and a rapidly changing communication landscape Chang Yong Son argues that communications policymakers must balance regulatory safety and security commitments against the promotion of innovation and growth in the communication market Scholars of communication media studies technology studies and Asian studies will find this book of particular interest

Understanding Modern East Asian Politics Christian Schafferer,2005 East Asia has developed into one of the most promising regions This volume of essays by leading European Asian and American scholars provides a comprehensive look at the key themes relating to politics in East Asia today The contributors explore the formidable obstacles on the road to democratic consolidation in the region s new democracies and the prospects for democratic transitions among the region s remaining authoritarian polities The essays address issues of institutional design media reform electoral politics and religious movements *Routledge Handbook of Korean Politics and Public Administration* Chung-in Moon,M. Jae Moon,2020-01-29 The Routledge Handbook of Korean Politics and Public Administration gathers the expertise of leading international scholars to survey the full spectrum of contemporary South Korean international relations public management and public policies Divided into four parts the handbook covers a range of issues including domestic Korean political parties elections and leadership foreign policy national security and relations with North Korea public administration governance and finance and economic social and environmental public policies Offering a complete overview of the field the handbook is an invaluable resource for academics researchers policy analysts graduate and undergraduate students studying South Korean Politics and International Relations as well as East Asian Politics *Media Law Notes* ,1997 *Libel Law and the Press in South Korea* Kyu Ho Youm,1992 *Media Pluralism and Diversity* Peggy Valcke,Miklos Sukosd,Robert Picard,2015-08-06 Adopting a truly global theoretical and multidisciplinary perspective *Media Pluralism and Diversity* intends to advance our understanding of media pluralism across the globe It compares metrics that have been developed in different parts of the world to assess levels of or threats to media pluralism
