## **Pressures On The Countryside:**

Pressures on the Countryside Derrick Golland, 1986      **Housing in the European Countryside** Nick Gallent, Mark Shucksmith, Mark Tewdwr-Jones, 2003-12-08 This book reviews international experience of housing pressure in rural areas in a number of countries      **Town and Country Planning in the UK** Barry Cullingworth, Vincent Nadin, 2003-09-02 Town and Country Planning in the UK has become the Bible of British planning In this new edition detailed consideration is given to the nature of planning and its historical evolution central and local government the EU and other agencies the framework of plans and other instruments development control land policy and planning gain environmental and countryside planning sustainable development waste and pollution heritage and transport planning urban policies and regeneration This twelfth edition has been completely revised and expanded to cover the whole of the UK The new edition explains more fully the planning policies and actions of the European Union and takes into account the implications of local government reorganization the plan led system and the growing interest in promoting sustainable development      *Second Homes* Nick Gallent, Alan Mace, Mark Tewdwr-Jones, 2017-03-02 Second homes are once again a source of political and social contention in rural areas The British government's decision to reduce Council Tax discounts on second homes in England in April 2004 has caused wide debate in local communities local authorities and the media The debate has not only focused on the vexed Council Tax issue but on wider rural housing concerns Questions have been raised as to whether second homes are a major cause of housing affordability problems in rural areas and whether they lead to the displacement of local people in rural communities In the face of anecdotal evidence being presented to answer these questions *Second Homes European Perspectives and UK Policies* offers a more comprehensive analysis of the second homes question as it now exists This up to date and authoritative analysis of second homes draws on the latest research and offers a critical insight into current housing problems in rural communities Those interested in rural and housing studies will find the book valuable      Planning and the Rural Environment Joan Davidson, Gerald Wibberley, 2016-04-20 *Planning and the Rural Environment* examines the environmental issues affecting countryside planning Emphasis is placed on the look and feel of the open countryside the function and appearance of the rural environment rather than the problems of its people and the settlements in which they live Also discussed is the conflict of interest generated between some of the major planning systems concerned with the development of rural activities and the protection of rural resources Comprised of 13 chapters this volume begins with an assessment of conflicting views of how a countryside of the future should develop and the degree of control and direction that should take place The following chapters consider how the emerging range of environmental problems and opportunities in rural planning can best be illustrated In particular the dominance of agriculture as a rural activity is analyzed together with forest and woodland management leisure activity in the countryside and conservation of resources and wildlife The next section is devoted to uplands and the urban fringe paying particular attention to some of the ways in which rural interests

interact in two very different areas Finally the development of rural planning is reviewed and issues that are expected to shape the countryside of the future are considered This book should be of interest to postgraduate students of rural planning and specialists in various fields of countryside planning      *Sports Tourism* Mike Weed,Chris J. Bull,2004 The authors present sports tourism as a unique area that produces its own issues concerns and controversies The study is based upon a set of international case studies and includes four extended and detailed case study chapters      *Building in Arcadia* Ruth Reed,2019-06-27 Book Award Finalist for Urban Design Group Awards 2020 Building in Arcadia The case for well designed rural development is a reasoned impassioned and ultimately practical book identifying key barriers to rural development and how planning applicants whether householders developers and landowners and most particularly their agents who make the applications architects landscape architects or planners can address and overcome them Focusing on the positive aesthetic role buildings can play in the landscape and proposing sensitive development Building in Arcadia also explores the essential economic social and Environmental case for more building in the countryside to make the countryside more viable In so doing it will actively engage challenge and provoke debate as well as offering practical ways forward      **Locating, Designing, and Building Country Grain Elevators** Heber Bouland,1966 Introduction pp 1      *Landscapes under Pressure* Ludomir R. Lozny,2006-03-27 This book investigates the newly emerging interest to investigate and preserve cultural landscapes It presents the historic archaeological ethnographic and environmental traditions of cultural landscape study and the attempts to reconstruct and analyze the complex processes of cultural changes It points to the benefits of interdisciplinary cooperation which should involve an ecological approach with historical ecology applied archaeology and environmental planning      *The Monthly Chronicle of North-country Lore and Legend* ,1887      *International Migration and Rural Areas* Dr Birgit Jentsch,Dr Myriam Simard,2012-12-28 While immigrants are still predominantly choosing urban areas to locate to there is now increasing evidence of immigration to rural areas which poses its own challenges for those relocating from the scarcity of high quality jobs to the provision of public and private services Addressing the shortcomings in current research this book employs an innovative approach by exploring this relationship from a cross national comparative global perspective It draws lessons from case studies across a range of geographical and political contexts including Canada the USA Ireland Scotland Greece and Russia Bringing together migration experts from a range of academic disciplines International Migration and Rural Areas contributes to conceptual developments and also identifies policy concerns which can be pursued at national sub national and supra national levels As such it will appeal to policy makers as well as scholars across a range of disciplines including geography politics demography social policy sociology and anthropology      **High Blood Pressure for Dummies** Alan L.
