Pretending To Be Asleep:

Luom's Journey M D Fenton, 2013-06 A Path of Past to Present View tells a story of migrations betrayals sacrifices and survival in Viet Nam It is the story of Bay the son of a Chinese refugee who builds a life for himself and his family with his hard work and cunning though at great costs It is the story of Danh whom fate would have join him for better or worse and it is the story of their family and their struggles But most of all it is the story of their first surviving daughter Luom a child born under a curse whose faith and determination keep her family whole even when her family ignores her As old ways of thinking clash with the new and old superstitions and customs impose on the next generation Luom s voice loud and unmistakable rings out with the strength of faith for truth and fairness Readers will be astonished at this breathtaking account of life in a state of perpetual war Through their deeds and words Luom learns from her parents exactly what is necessary to survive and how far a woman must go to see her family endure The hardest lesson though is for Luom to learn how to remain true to herself For in Viet Nam the jungle doesn t forgive and the people don t forget Written in a stark deliberate prose A Path of Past to Present View brings the reader face to face with three generations as they endure monsoons and fevers fight the brutal Viet Cong suffer the worst heartbreak imaginable and the summit of all possible joys With echoes of One Hundred Years of Solitude and the Book of Genesis both it is truly an unforgettable journey and a remarkable testament to the power of love

American West C J BOX New York Times bestselling author Cattle Kate is the only woman ever lynched as a cattle rustler History called it range land justice when she was strung up in Wyoming Territory on July 20 1889 tarring her as a dirty thief and a filthy whore But history was wrong It was all a lie Her real name was Ella Watson She wasn't a rustler She wasn't a whore And she'd never been called Cattle Kate until she was dead and they needed an excuse She was really a 29 year old immigrant homesteader lynched with her husband by her rich and powerful cattle baron neighbors who wanted her land and its precious water rights Some people knew the truth from the start Their voices were drowned out by the all powerful Wyoming Stock Growers Association And those who dared speak out including the eyewitnesses to the hangings either disappeared or mysteriously died There was no one left to testify against the vigilantes when the case eventually came to trial Her six killers walked away scot free But the legend was stronger than the truth For over a century newspapers magazines books movies too spread her ugly legacy Now on the 125th anniversary of her murder the real Ella comes alive in Cattle Kate to tell her heartbreaking story Jana Bommersbach's debut novel bares a legend central to the western experience
