Bulletin de la Société Académique de Laon, 1870 *Singularités Historiques Et Littéraires* Barthélemy Hauréau, 1861 **The Dreyfus Affair's Literary Politics** Roderick Cooke, 2023-02-15 The Dreyfus Affair's Literary Politics offers a new interpretation of writers political engagements in the crisis that ended the French nineteenth century following the wrongful treason conviction of Captain Alfred Dreyfus mile Zola and three writers connected to him Ferdinand Bruneti re Henry C ard and Saint Georges de Bouh lier drew on their affinities and antagonisms concerning Zola's naturalist fiction to shape their political discourse in the Dreyfus Affair Zola and Bouh lier were Dreyfusard Bruneti re and C ard anti Dreyfusard yet in each case they transformed a vision of what literature should be into arguments about French national identity the proper relationship between literary and political thought and the tensions between individual rights and raison d tat Developing a method entitled microhistories of ideas Cooke shows that a longitudinal approach to each writer's career yields a set of central unit ideas that reappear in the new emotive context of the Affair Through close readings of material such as pamphlets newspaper columns and aesthetic essays the significance of often ephemeral writing to the larger questions of intellectual history and to the outcome of the Dreyfus Affair itself becomes clear

John Long's journal, 1768-1782 John Long, 2025-04-24 In John Long's Journal 1768 1782 J Indian Trader Long masterfully captures the nuanced dynamics of trade and cultural exchange between European settlers and Indigenous peoples during a formative period in North American history. Written in a straightforward yet evocative style, Long's journal entries reveal the complexities of frontier life characterized by both collaboration and conflict. The narrative weaves personal anecdotes with broader historical commentary, offering readers an intimate glimpse into the daily routines, challenges, and moral quandaries of the era, making it a vital resource for understanding the evolving landscape of early American society. J Indian Trader Long was not only a trader but also an astute observer of the peoples and cultures he encountered throughout his travels. His extensive experiences among various Indigenous tribes and European settlers provided him with a unique perspective that is reflected in the candid and often poignant reflections presented in his journal. Long was shaped by the tumultuous socio-political landscape of the 18th century, which influenced his writing and commitment to documenting the dualities of cooperation and strife inherent in his interactions. John Long's Journal is an essential read for scholars, historians, and anyone interested in early American history and indigenous relations. Its authentic voice and critical insights challenge contemporary readers to reflect on historical narratives while shedding light on the interconnections that define our collective past. This book not only serves as an invaluable historical document but also invites contemplation on the lessons that can be drawn from Long's lived experiences.
