Imperfect Passage Michael Cosgrove, 2015-03-03 Turning sixty isn t the end it s only the beginning Michael Cosgrove had a beautiful family a successful career and a lovely Southern California home overlooking the Pacific Ocean At age sixty he decided to leave all that behind to sail around the world With the vision of rugged individualism and salty tales to share with his grandchildren Cosgrove quickly realized that sailing around the world wasn t as easy as he had imagined From a psychotic crewmate to sleep deprivation and mental breakdowns to constant storms and hallucinations Cosgrove rode the waves trying to keep his idea of doing something grand alive Alone and thousands of miles away from everyone he loved he was forced to ask himself one question What in God s name am I doing here In his attempt to avoid the inevitable growing old weak frail Cosgrove runs amok He breaks his budget to outfit the boat and then refuses to read the manuals He enters unfamiliar harbors in the dead of night hires a violent first mate and sails headlong into ferocious storms At the same time he longs for the simpler days when his four daughters were still children when his first marriage was still intact and when his dreams were still within reach Though driven by scenes of sheer terror absurd folly and deep inner searching the tone is always buoyant and laugh out loud funny Imperfect Passage is the story of one man s perseverance against Father Time and Mother Nature proving that with enough will one can indeed conquer the unconquerable
