Contemporary Conflict Resolution Oliver Ramsbotham,Hugh Miall,Tom Woodhouse,2011-04-11 Offering an assessment of the theory and practice of conflict resolution in post Cold War conflicts this book addresses a number of questions It explores the nature of contemporary conflict and the development of conflict resolution

Research Handbook on Conflict Prevention Timo Kivimäki,2024-06-05 The Research Handbook on Conflict Prevention is a cohesive and comparative analysis of the ways in which organised violence is combatted Renowned experts dissect the complex problem of conflict prevention by investigating its three main aspects agency methods and timing

Conflict Prevention and Peace-building in Post-War Societies T. David Mason,James D. Meernik,2006-05-02 This volume provides an overview of the costs benefits consequences and prospects for rebuilding nations emerging from violent conflict The rationale for this comes from the growing realization that in the post Cold War era and in the aftermath of 9 11 our understanding of conflict and conflict resolution has to include consideration of the conditions conducive to sustaining the peace in nations torn by civil war or interstate conflict The chapters analyze the prospects for building a sustainable peace from a number of different perspectives examining the role of economic

development democratization respect for human rights the potential for renewal of conflict the United Nations and other critical topics In an age when nation building is once again on the international agenda and scholars as well as policy makers realize both the tremendous costs and benefits in fostering developed democratic peaceful and secure nations the time has truly come for a book that integrates all the facets of this important subject Conflict Prevention and Peace building in Post War Societies will appeal to students and scholars of peace studies international relations security studies and conflict resolution as well as policy makers and analysts Ceasefire Agreements and Peace Processes Malin Akebo,2016-11-10 analyses ceasefire agreements in relation to peace processes using qualitative analysis uses a process oriented conflict dynamics approach to analyse and compare ceasefire agreements will be of much interest to students of peace and conflict studies intra state conflict Asian politics security studies and IR **Conflict Prevention from Rhetoric to Reality** David Carment,Albrecht Schnabel,2004-01-01 Offers a critical evaluation of existing and emerging approaches to applied conflict prevention that involve nontraditional actors ranging from the corporate sector and NGOs to regional and multilateral economic and political organizations The volume suggests best practices for individuals within these organizations to use the array of political economic social and developmental instruments available to them *UN-Tied Nations* Kate Seaman,2016-02-24 With the recent developments in Syria the United Nations is once again making headlines The failure to reach an agreement on a Security Council resolution demonstrates the continued problems in forging a coherent international response to crisis situations This lack of coherence continues despite recognition of the need for more cooperation to solve the growing list of global problems With the relative success of global governance initiatives in relation to the environment health issues and economic problems the focus has increasingly shifted to the problems of international security This timely and important book represents a response to that shift and the implications this has for the wider international system Using a number of relevant case studies including the UN interventions in Bosnia Somalia Burundi the Democratic Republic of Congo and East Timor it examines the securitisation of global governance through the prism of United Nations Peacekeeping Operations and demonstrates that the development of both global governance and global security governance have transformed the environment in which international organisations such as the United Nations are operating Moreover this book brings together a number of the key academic debates surrounding both global security governance and peacekeeping It combines an examination of the power relations of global security governance with the changing nature of peacekeeping operations By bringing the two areas together the book for the first time bridges existing literatures and debates from theoretical discussions of global governance to practical examinations of peacekeeping operations UN Tied Nations provides a concise and analytical introduction to the ongoing debates around the development of global governance global security governance and the continuous impact these are having on the ability of the United Nations to act as an international peacekeeper **Territorial Conflicts in World Society** Stephen Stetter,2007-04-04 By

bringing into dialogue modern systems theory and international relations this text provides theoretically innovative and empirically rich perspectives on conflicts in world society This collection contrasts Niklas Luhmann's theory of world society in modern systems theory with more classical approaches to the study of conflicts offering a fresh perspective on territorial conflicts in international relations It includes chapters on key issues such as conflicts and human rights conflicts in the Middle East and sub Saharan Africa war and violence Greek Turkish relations conflict theory the role of states in world societal conflicts legal territorial disputes in Australia hegemony and conflict in global law conflict management after 9 11 While all contributions draw from the theory of world society in modern systems theory the authors offer rich multi disciplinary perspectives which bring in concepts from international relations peace and conflict studies sociology law and philosophy Territorial Conflicts in World Society will appeal to international relations specialists peace and conflict researchers and sociologists

Early Warning and Conflict Prevention Klaas van Walraven, 2024-01-15 The end of the cold war did not begin an era of world peace The forces of marginalization civil war and genocide have uprooted whole societies in Africa the Balkans and the Caucasus In fact the end of superpower competition means that the world now lacks external actors powerful enough to intervene successfully in local conflicts The early 1990s saw the beginning of a search for possibilities for conflict prevention This work is one of the first to set the analysis of early warning and conflict prevention firmly in the context of the changes and continuities in the structures of post Cold War politics Early Warning and Conflict Prevention proceeds from the position that sufficient early warning could enable governments and international organizations to intervene at an early stage rather than waiting until disputes erupt into violence It analyses the theoretical and practical complexities of timely warning and effective response in conflict resolution It also investigates the extent to which conflict prevention has become a concrete element in the policies of governments non governmental organizations and international organizations The result of an international symposium on early warning and conflict prevention in November 1996 this work examines this significant issue in international relations within the unique political framework of post Cold War developments making it an important resource for academics policymakers government officials and others interested in the present and future state of conflict resolution

Machel Study 10-year Strategic Review, 2009 The organisation of this report aims to heighten our understanding of the myriad ways in which armed conflict affects children and how children regard their participation not only in war but in programmes aimed at preventing violence against them and in promoting their recovery and reintegration The central message of this 10 year strategic review is that war violates every right of the child The report thus frames its findings within three categories political and diplomatic actions and responsibilities system wide international policies standards and architectures and

prevention and response **Historical Dialogue and the Prevention of Mass Atrocities** Elazar Barkan, Constantin Goschler, James Waller, 2020-04-06 This book brings together a diverse range of international voices from academia policymaking and civil society to address the failure to connect historical dialogue with atrocity prevention discourse and provide insight into how conflict histories and historical memory act as dynamic forces actively facilitating or deterring current and future conflict Established on a variety of international case studies combining theoretical and practical points of view the book envisions an integrated understanding of how historical dialogue can inform policy education and the practice of atrocity prevention In doing so it provides a vital basis for the development of preventive policies sensitive to the importance of conflict histories and for further academic study on the topic It will be of interest to all scholars and students of history psychology peace studies international relations and political science Encyclopedia of Violence, Peace, and Conflict ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world **Transforming Education for Peace** Jing Lin, Edward J. Brantmeier, Christa Bruhn, 2008-06-01 Currently peace education remains marginalized in our education system however a united front can be formed and powerful paradigms can empower educators to play a critical role in peace building through scholarship practice and activism Indeed educators around the world are developing effective strategies to transform education as a powerful force for global peace The diverse array of contributors in the book demonstrate that educators as peace makers can be and

have been instrumental in transforming social forces the self and others for the construction of global peace The book aims to broaden the educational discourse in order to make room for new visions to educate future generations for peace Local and global efforts to build a long lasting peace are presented through the lens of education The timeliness of peace education surely renders this book relevant to educators and the general public alike as individuals communities and organizations struggle to find pathways to peace in a global world In other words this book will interest scholars and the general public concerned about the building of global peace The book can be source book for educators at elementary secondary and postsecondary institutions to explore multiple ways to conduct effective peace education at all levels of education The book may also be used as a textbook by instructors of multicultural education of comparative international education and of undergraduate and graduate peace education courses *Peace Action of the National Council for Prevention of War ,1945*

Peace Issues in the 21st Century Global Context John Duncan,Shreesh Juyal,2017-08-21 Since the two Hague Netherlands multilateral peace conferences of 1899 and 1907 the fundamental issue of world peace and its long term realization has engaged scholars diplomats statesmen and students of international relations This book presents a new endeavor in this direction through a collection of papers selected from the recent conferences of the Canadian Peace Research Association and independent scholars Descriptive analytical constructive and balanced ideas and solutions in this text represent alternatives for the global community to be collectively secure and peaceful This volume examines world peace in its foundational descriptive conceptual and prescriptive aspects and as a social and human concept in positive and negative contexts including the nonviolent perspective of peace women theorists on peace and war empowerment of women as peacemakers and peace research and education under siege On violence and war the topics included are the theory of violence the new faces of war including military robots electromagnetic and information weapons the cyber warfare and the militarization of neuroscience In the area of case studies Iran and nuclear deterrence the Baha i faith and Iran the Western Sahara Sudan and South Sudan and the challenges of a Palestinian Nation are analysed In addition there is focus on the need to establish a Department of Peace in Canada and an attempt to seek establishment of world peace through direct democracy This book will advance an understanding of the historic struggle and failures as well as the accomplishments and shortcomings for peaceful change and a just world order It will be of direct interest to students of political science diplomacy history social science international law human rights and other cognate disciplines *The Oxford Handbook of Women, Peace and Security* Sara E.
