Dancing Shakespeare Iris Julia Bührle, 2024-11-29 Dancing Shakespeare is the first history of ballets based on William Shakespeare's works from the birth of the dramatic story ballet in the eighteenth century to the present It focuses on two main questions How can Shakespeare be danced and How can dance shed new light on Shakespeare The book explores how librettists and choreographers have transposed Shakespeare's complex storylines multifaceted protagonists rhetoric and humour into non verbal means of expression often going beyond the texts in order to comment on them or use them as raw material for their own creative purposes One aim of the monograph is to demonstrate that the study of wordless performances allows us to gain a deeper understanding of Shakespeare's texts It argues that ballets based on Shakespeare's works direct the audience's attention to the bare bones of the plays their situations their characters and the evolution of both Moreover they reveal and develop the choreographies that are written into the texts and highlight the importance of movements and gestures as signifiers in Shakespeare's plays This book will be of interest to students and scholars of literature dance and music as well as to an international readership of lovers of Shakespeare ballet and the arts Sociality of Indigenous Dance in Alaska Hiroko Ikuta, 2022-04-11 This book explores indigenous dances and social relationships surrounding the dance activities among Yupik on St Lawrence Island and I upiat in Utgia vik Northern Alaska Yupik and I upiat proudly distinguish their indigenous styles of dance locally called Eskimo dance from Western styles of dance such as ballroom disco or ballet Based on two years of intensive fieldwork and 18 years of experience living in Alaska Ikuta sets out to understand how Yupik and I upiaq dances are at the centre of social relationships with the environment among humans between humans and animals and between Native and the Euro American societies It also examines how the nature and structure of dance are connected to cultural politics wrought by political economic and historical events The **Transactions of the Royal Irish Academy** Royal Irish Academy, 1815 The Transactions of the Royal Irish Academy Royal Irish Academy (Dublin).1818 NuShIt Õ19 WLLM.2020-01-02 Welcome back to another issue ov NuShIt As the title suggests these 272 pages contain new poetry written performed in 2019 If it happened in 2019 I probably wrote about it or took notes for later poems I have continued trying as many poetic styles as possible see Keywords this year s Special Supplement deals with performance equipment NuShIt 20 is already in the works NuShIt will keep coming each new year until I m dead **His Christmas Surprise** Grace Harper, 2019-12-18 A heart warming stranded in the snow steamy romance Bronwyn Jones best friend Mollie is getting married and as the town baker and maid of honour she is the girl for the job to make the wedding cake After one too many cocktails Bronwyn loses a bet and ends up kissing a stranger in the darkness All she can remember the next day is the searing hot kiss but nothing about the man who delivered it When Bronwyn has to set up and finish decorating the cake at the grand house at the top of the hill where the ceremony is going to be held she doesn't expect to meet the same stranger Or see his naked arse sitting at an antique desk typing at his laptop

The house is supposed to be empty and she was only supposed to be there for a few hours Except when a snowstorm hits the small welsh town of Talbot Bay she is forced to stay cooped up with him Dean Hopkins is in Talbot Bay to be best man at his best friend Charlie's wedding In and out in a few days and then he would be gone out of the country the day after the wedding While he is staying at his uncle s house which is doubling up as the wedding venue the last thing he expected was to be holed up with a baker They need to survive with no heating when a storm cuts off all communication and electricity Fate has thrown Dean and Bronwyn together under impossible circumstances Dean travels the world as a journalist and Bronwyn is a home bird Are these two a match made in heaven or just a one night fling **Public Expectations and Physicians' Responsibilities** John Crellin, 2018-10-08 This guide for practice managers in a guestion and answer format explains accounting procedures and describes GMS health authority and other sources of income The book covers payroll pension personnel and complaints matters and advises on optimizing income for the practice Voices in the Drum R. David Edmunds, 2023-10-24 The history of indigenous peoples in North America is long and complex Many scholarly accounts now rely on statistical data to reconstruct this past but amid all the facts and figures it is easy to lose sight of the human side of the story How did Native people express their thoughts and feelings and what sources of strength did they rely on to persevere through centuries of change In this engaging narrative acclaimed historian R David Edmunds combines careful research with creative storytelling to give voice to indigenous individuals and families and to illustrate the impact of pivotal events on their lives A nonfiction account accompanies each narrative to provide necessary historical and cultural context Voices in the Drum features nine stories each of which focuses on a fictional character who is a composite or representation of historical people This series of portrayals takes the reader on an epic journey through time beginning in the early 1400s with the Mound Builder cultures and ending with the modern day urbanization of Native people Along the way we observe fictional characters interacting with real historical figures such as Anthony Wayne Tecumseh and John Sutter and taking part in actual events such as the Battle of Fallen Timbers the Trail of Tears the California gold rush and the forced removal of Native children to off reservation boarding schools The people portrayed in these pages belong to various tribes including Potawatomis Lakotas Oneidas and Cherokees Their individual stories ranging from humorous to tragic give readers a palpable sense of how tribal peoples reacted to the disruptive changes forced on them by European colonizers and U S government policies Both entertaining and insightful the stories in this volume traverse a range of time periods events themes and genres As such they reverberate like voices in the drum inviting readers of all backgrounds to engage anew with the rich history and cultures of indigenous peoples The Cat Who Stole the Cream Nick Smith, 2025-05-17 In a dark seedy world full of bad cats a lone detective is puzzled by a city spanning crime that has him licked Nub City is in the grip of a Depression and its cat inhabitants are getting desperate They ll resort to thievery deception and even murder to fill their furry bellies It doesn't help that mice are an untouchable endangered species and the cats have to get their favorite food
