Varela,2009-01-13 In this book Varela revisits the problem of structure versus agency Based on his original insight into Kant s role in the debate the author is able to solve this centuries old dilemma for the first time He goes on to explain the wider ramifications of his discovery addressing Giddens Call the stalemate of the social and psychological sciences determinism in science and postmodernism Auguste Comte: Volume 1 Mary Pickering,1993-11-26 The first volume of a two volume intellectual biography of Auguste Comte the founder of modern sociology and positivism **Writing the City** Desmond Harding,2004-06-01 Writing the City examines and challenges the traditional transatlantic axis of urban modernism London Paris New York an axis that has often elided the historical importance of other centers that have shaped metropolitan identities and discourses According to Desmond Harding James Joyce s internationalist vision of Dublin generates powerful epistemic and cultural tropes that reconceive the idea of the modern city as a moral phenomenon in transcultural and transhistorical terms Taking up the works of both Joyce and John Dos Passos Harding investigates the lasting contributions these author s made to transatlantic intellectual thought in their efforts to envisage the city The Kingdom Where Nobody Dies Audrey Borenstein,2009-03-12 Echoes of the fatal shots fired in Dallas on November 22 1963 reverberate in this collection of seven stories set in Louisiana during the civil rights era For a varied cast of characters the artist in the title story who tells the tale of his sojourn at LSU during Kennedy s brief and shining moment through a retrospective of his paintings the schoolteacher soon to be married grieving with her mother over the shattered dream of a charmed and happy First Family s life the disabled man witnessing the killing of Oswald on the TV screen with a growing premonition of the coming darkness in the world the lawyer son of a Southern born mother and a Yankee father reliving the loss of his beloved wife in mourning the nation s loss the African American wife of a preacher praying to the ghost of her
