Redeeming The Creation:

Redeeming Creation Fred H. Van Dyke, David C. Mahan, Joseph K. Sheldon, Raymond H. Brand, 1996-03-06 Biologists Fred Van Dyke David C Mahan Joseph K Sheldon and Raymond H Brand provide hope for today s environmental crisis and bring Scripture into dialogue with current scientific findings and commitments *Federal Register* ,2014-02 *The Redeemed Good Defense* Anthony MacPherson,2021-07-06 Why God Everyday this question is uttered in sorrow bewilderment or anger This cry is the problem of suffering It is also known as the problem of evil It asks why a good all powerful God allows evil and pain Theodicy is the name of the theological responses that seek to defend God against charges of unfairness Traditional theodicies have been accused of intensifying the problem by claiming that God is justified in allowing evil because he uses it to bring about a greater good This greater good approach has been criticized in more recent times It seems to uncomfortably align God and evil too closely together Does God need evil in order to bring good This study explores an alternative stream of theodicy found in the idea of cosmic warfare In this theodicy God fights evil in its moral physical spiritual and supernatural forms This book explores the world of theodicy and its cosmic warfare forms It navigates the theological and ethical minefields involved Building on the idea that God is in the midst of a great cosmic controversy it seeks to further the conversation and articulates a new alternative redeemed good defense SEC Docket United States. Securities and Exchange Commission,1996 *The Messianic Disruption of Trinitarian Theology* Kornel Zathureczky,2009-03-16 The unsettling context of late modernity a terrain of an infinite fragmentation of life poses a challenge to Christianity to rearticulate its defining doctrine of the Trinity Christianity s initial messianic weakness in that its canonical writings attest to a universal message of redemption for the victims of Empire was subverted into the strong theology of the Empire This book demonstrates that Trinitarian discourse was profoundly implicated in this development as it essentially absorbed and took the bite out of the messianic language of the early Christian movement Zathureczky proposes a retrieval of the messianic discourse of Christianity by way of recapturing its redemptive weakness Relying on an elective affinity between Walter Benjamin s messianism and Jürgen Moltmann Trinitarianism he attempts to recapture the weakness and fragility of the language of the initial messianic impulse of the Christian community The resulting weak Trinitarianism retains the basic character of Christianity as a Trinitarian faith but now Trinitarian discourse about God is simultaneously messianic discourse a language that is attuned to give voice to the damaged lives and alienating conditions of our contemporary context *The Holy Spirit as Communion* I. Leon Harris,2017-09-26 In *The Holy Spirit as Communion* Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion *The Holy Spirit as Communion* expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is

the source of the divine action that also perfects the communion in creation as an expression of the Father's will through Jesus Christ The Holy Spirit as Communion explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation's koinonia as a gift from the Father through the grace of Jesus Christ *Society the Redeemed Form of Man* Henry James,1879 *A Race's Redemption* John Leard Dawson,1912

Hendzel SJ,2024-04-30 Purgatory holds a precarious position in the afterlife beliefs of most Christians Often viewed as a doctrine that is held only by Roman Catholics purgatory has historically been maligned by its detractors as unbiblical theologically problematic and a product and source of superstition Moreover it would appear that belief in purgatory has declined in the faith lives of Catholics as well many of whom now seem keen to forget the fears and anxieties

that its existence might have raised for them about the afterlife In response to such criticisms and concerns this book argues that purgatory can indeed be a constructive and hope filled component of any Christian understanding of the afterlife In examining the history of the doctrine it seeks answers that explain purgatory s recent descent into obscurity However it also pursues present insights that can shed new light onto how purgatory might find renewed relevancy **A popular**
