Redefining a Public Health System Galen L. Barbour, 1996-08-15 share header with other Barbour book since they are sold as a set A remarkable story told by Galen L Barbour M D a top level Veterans Health Administration VHA executive This book reveals how the VHA met the challenge of improving health care quality measurement throughout its enormous system Barbour tells of overcoming myriad obstacles including internal apathy and resistance from administrators and physicians This achievement has striking implications for health care executives who are charged with quality improvement within their own organizations

Redefining Health Care Michael E. Porter, Elizabeth Olmsted Teisberg, 2006 The U S health care system is in crisis At stake are the quality of care for millions of Americans and the financial well being of individuals and employers squeezed by skyrocketing premiums not to mention the stability of state and federal government budgets In *Redefining Health Care* internationally renowned strategy expert Michael Porter and innovation expert Elizabeth Teisberg reveal the underlying and largely overlooked causes of the problem and provide a powerful prescription for change The authors argue that participants in the health care system have competed to shift costs accumulate bargaining power and restrict services rather than create value for patients This zero sum competition takes place at the wrong level among health plans networks and hospitals rather than where it matters most in the diagnosis treatment and prevention of specific health conditions *Redefining Health Care* lays out a breakthrough framework for redefining health care competition based on patient value With specific recommendations for hospitals doctors health plans employers and policy makers this book shows how to move to a positive sum competition that will unleash stunning improvements in quality and efficiency
